OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
R.O.C. No. 713/M/1948

MADRAS: 8th January 1949.

THE DIRECTOR OF PUBLIC INSTRUCTION,
M A D R A S.

THE SECRETARY TO GOVERNMENT,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, M A D R A S.

Sir,

SUB:- Basic Education - Sacred Heart Training School
for Mistresses, Pudupalayam - Conversion into
a Basic Training School:

The correspondent of the Sacred Heart Training School,
for Mistresses, Pudupalayam, Cuddalore has applied for the
conversion of the Training School into a Basic Training
School for women, with effect from the school year 1949--50.
At present the Training School is working with two sections
with a strength of 47 (Secondary Seniors 14 and Higher Ele-
mentary Seniors 33). The management of the school has de-
puted two trained graduates for retraining in Basic Education
in the Basic Training School, Periyanaickenpalayam. They
will become available for appointment in the school from the
next school year.

2. I propose to grant permission to the management to
run the school as a Basic Training School from 1st July 1949
and to admit one section of 40 pupils of the Secondary Grade
every year. The expenditure on account of this during 1949--
1950 will be Rs.5,800/- on account of stipends to be paid to
the trainees. Since the request of the Correspondent for
conversion of the school into a Basic Training School was
received in this office with the recommendation of the Ins-
pectress only on 15th December 1948, no provision could be
made in Part I of the Budget Estimate for 1949--50 on account
of this scheme. I request the Government to approve of my
proposal and to permit the incurring of the expenditure during
1949--50.

Yours faithfully,
R.V. Rudraswami,
for Director of Public Instruction.

The D.P.I. has proposed that the Sacred Heart Training School for Mistresses, Pudupalayam, may be converted into a Basic Training School with effect from 1-7-49. The extra cost to Govt. by way of stipendiary grant to the school during 1949-50 on account of the proposed conversion works out to Rs.5,800.

The D.P.I. states that provision for this additional expenditure could not be made in the Part I of the B.E. for 1949-50 as the proposal was received by him too late. The Finance Dept. consider that it should ordinarily be brought forward as a Part II scheme for 1950-51 and that if it should be introduced in the course of 1949-50 it should be placed before the S.F.C. and the Cabinet. The H.Ms. for (Edn.) and (Fin.) have agreed that the matter may be placed before the S.F.C. for consideration. This note is accordingly submitted for consideration by the S.F.C.

~~A draft order is submitted below for approval.~~

~~The Committee has approved the proposal in this file.~~

The order in circulation on p 2 ante ^{seems to indicate} that the matter should be placed before the cabinet also. Since

the proposal is to be given effect to, from 1.7.49,

the ~~draft~~ order has to be issued ^{sufficiently early} before that date.

In the circumstances, it is for orders whether the matter

should be placed before the cabinet also. Perhaps order may be issued now of the matter referred to the cabinet later. Finance may see for remarks.

Please see the decision of the SFC recorded above and

the note of E+PH on p. 4 above.

In very urgent cases when there is no time to refer a scheme to the Cabinet, orders may be issued without such a reference provided that the urgency has been explained to the S.F.C. and the committee's recommendation is unanimous about the issue of orders without a reference to the Cabinet.

In the present case, the committee has been specifically informed that the matter should be placed before the Cabinet also and its recommendation was not sought to do away with a reference to the Cabinet. As E+PH now say that the scheme is urgent, they may be requested to obtain orders in circulation to H.M. (Edn), H.M. (Finance) and H. Pr. for the waiver of reference to the Cabinet.
