2). For some or reason or other, the D.P.G. has not proposed any provision in respect of European Primary schools. It does not seem necessary to ask him about this. As regards the provision to be made in part of the estimate for A.G. Edu, the position is that with the passing of the Indian (Provisional Constitution) Order (1947), the section in the Govt of India Act (1935) requiring a ~~major~~ majority provision to be made is gone.

3). The remarks of him may be invited

Items 1 and 10 in the list on pp 9-11 of the part paid schemes. It is usual to provide provision for such schemes in Part I. A sum of Rs 32,380 may therefore be made in Part I and the balance of Rs 44,520 in Part II.
