Tirunelveli District Board Office
Dated the 14th May 1949.

From

K. Ghulam Mahmood Sahib Bahadur, B.A.,
Collector and Special Officer,
District Board, Tirunelveli.

To

The Secretary to Government of Madras,
Education and Public Health Department,
M A D R A S.

Sir,

Sub: Education - Secondary - Tirunelveli District -
Board - Teaching staff - adoption of Govern-
ment Scales of pay - from 1-4-49 - Sanction
Requested.

Ref: G.O.Ms. No. 1057 Edn. dated 8-4-49.

The Government in their order cited above have allowed the local bodies who can afford to meet the entire extra expenditure involved in the adoption of the Government scales of pay from their own funds and are willing to do so, to adopt the Government Scales of Pay for the teaching staff in the Secondary School with the sanction of Government.

2. The extra expenditure involved in the adoption of the Government scales of pay for the teaching staff in the Secondary Schools under the control of the District Board, Tirunelveli comes to Rs. 6024/- for the first year. As the rate of increment and the maximum in the Government scales of pay are higher than those of the local body scales of pay, the extra expenditure will increase year by year, when increments are granted in the Government scales of pay. When all the teachers in the Board Secondary Schools reach the maximum in the Government Scale, the extra cost which the District Board will have to pay will come to Rs. 38,460/-.

3. The closing balance of this District Board under General accounts as per Budget Estimate for 1949-50 is Rs.1,60,40 (Net surplus). This District Board has surplus funds under the General account. Hence it can afford to meet the entire extra expenditure from out of its own funds.

4. In this connection, I have to state that much difficulty is experienced by the District Board in recruiting qualified and suitable teachers for Secondary Schools. The teachers in most of the aided schools are given the Government scales of pay. Since the local body scales of pay are lower than the Government scale of pay, the teachers naturally prefer to be employed in aided schools, where the Government scale of pay is given. If the Government scale of pay is introduced in the District Board Secondary Schools, the District Board can get a sufficient number of fit candidates for appointment.

5. I therefore request that the Government may be pleased to accord sanction for the adoption of the Government scales of pay for the teaching staff in Secondary Schools under the control of the District Board, Tirunelveli with effect from 1-4-49.

K. Ghulam Mahmood Sahib Bahadur
For Special Officer.
