R.G.No.1753-B1/48 dated 20th May, 1949.

SIR,

SCHOOLS--Secondary--Introduction of bifurcated courses extension during the year 1949-50--Introduction of additional course--Secretarial in the St.Aloysius College High School, Mangalore without claim for special grant--Government's approval requested.

Reference:-G.O.Ms.No.1239-Education dated 22.4.1949.

In G.O.No.1504-Education dated 7.6.1948 Government approved the introduction of Engineering course under the scheme of the bifurcated courses of studies in the St.Aloysius College High School, Mangalore during the year 1948-49. The Correspondent of the school requests that permission may be given for the introduction of 'Secretarial' course also from this year 1949-50.

In the G.O.cited Government have selected and approved the introduction of bifurcated courses in 50 Secondary schools during 1949-50 (as per annexure I to the G.O.) But St.Aloysius College High School is not one of those 50 schools.

The Correspondent reports that there is much demand for the subject viz. Secretarial course and therefore he states that even if the special grant sanctioned for the course cannot be given the management will be satisfied with the usual grant, if permission is given for the introduction of the Secretarial course from the beginning of the school year 1949-50.

I presume that the Government's consideration in limiting the scheme to 50 schools every year is to limit the financial commitments and that Government will only welcome the possibility of expansion of the scheme involving no additional financial commitment. Such voluntary efforts are rare and in my opinion deserve encouragement when offered. I therefore propose to permit the management of the St.Aloysius College High School, Mangalore on the distinct understanding that they will not be entitled to the special grants admitted for such courses as per G.O. 1395- dated 29.5.1948, though there is no bar for their claim for teaching grant under the ordinary rules and I hope my action will have Government's approval.

A copy of the Correspondent's letter No.57/49 dated 9.1.1949 is also submitted herewith.

Yours faithfully,

Copy of letter No. 57/49 dated 9th April, 1949 from the Correspondent and Headmaster, High School Department, St. Aloysius College, Mangalore to the Director of Public Instruction, Madras.

Subject:--Education--Secondary--Introduction of bifurcated courses in Forms IV to VI--Introduction of Secretarial Course--Permission requesting.

I shall be much obliged if you would permit us to open a Secretarial Course with effect from 1949-50. There are several applicants for the same and it would be in their interest if the course is opened. If the special grant sanctioned for the same cannot be given we shall be satisfied with the usual grant. The Hon'ble the Minister for Education makes me understand that you may be willing to grant permission if we do not apply for special grant. I leave the decision entirely to you.

Thanking you,

/True copy/.
