C-1-5224/1949.

Dated the 9th April 1949.

Sir,

Sub:- Audit- Tiruppur Municipality- Para 16 of the Audit Report on
General Funds relating to the year 1947-48- Purchase of steel
cup boards- Non invitation of tenders- Condonation- Requested

Two Godrej steel cup boards were purchased from Messrs. Godrej
& Boyce Manufacturing Company, Madras at a cost of Rs. 249/- each for
the safe custody of high school records in the K. Subramania Chettiar
High school and the Birth and Death Registers in the Municipal Office.
The Company are the patent manufactures of Godrej Safe etc., and so
orders were placed with them without calling for tenders.

In the audit of the accounts for the year 1947-48 objection has
been ~~raised~~ taken for deviation from the procedure to be adopted in
the purchase of the article costing more than Rs. 300/- without calling
for tenders. As no other firm could quote a lower rate than the patent
manufactures tenders were not invited. I request that Government may
be pleased to condone the apparent irregularity committed in the non-
invitation of tenders in this respect in the circumstances stated.
However I shall guard against such irregularities in future and obtain
the previous permission of the Government before purchases are made.

Commissioner.

Forwarded.

Municipal Council, Tiruppur.
