S i r,

Sub: Establishment - Office of the Commissioner
for Govt. Examinations, Madras - Petition
from two Lower Division Clerks to get their
seniority fixed - Submitted.

88358

I have the honour to submit a joint petition from
Sri C.K. Ranganatham and Sri D. Chakravarthi, two Lower
Division clerks in my office to get their seniority fixed
with remarks as follows:-

2. The petitioners were selected by the Madras
Public Service Commission for appointment in this office and
appointed on a temporary basis in two war-reserved vacan-
cies on 22--7--1944. At the time when the vacancies actually
arose, they could not be appointed on temporary basis as
they were serving in the Madras A.R.P. Organization and so
with reference to G.O. No.3705 Public Services dated 7-12-1944
they may be deemed to have been appointed with effect from
the following dates:-

- i. C.K. Ranganathan .. 1--2--1944.
- ii. D. Chakravarthi .. 20-2--1944.

Prior to their appointment, two other Service Commission candi-
dates were similarly appointed on a temporary basis in two
other war-reserved vacancies:-

- i. M.L. Ramachandran .. 8--2--1943.
- ii. K. Govindan .. 16--4--1943.

All the appointments were on temporary basis and
now the petitioners claim seniority over the two clerks named
above who were appointed in 1943 with reference to G.O.No.
2253 Public Services dated 25--9--1945.

3. The petitioners are under the misapprehension
that they are War service candidates selected for reserved
posts. Even the provisions of G.O.No.2253 Public Service dated
25-9-1945 were modified in G.O. No.975 Public Services dated
26-4-1948. The provisions of G.O. No.2253 Public Services
dated 25-9-1945 applied only to those/selected by the Commis-
sion after the termination of the war to fill up vacancies
reserved for war-returnd candidates. They do not apply to
other Civilian candidates selected by the Commission. In
Government Memo No.67 Edn., dated 14-8-1946, it was made clear
to the petitioners that in order to get them classified with
reference to the rules applicable to war service candidates,
they should get themselves re-selected by the Commission as
war service candidates. It is, therefore, clear that G.O. No.
2253 Public Services dated 25-9-1945 cannot be applied in their
cases. Their claim can be considered only as other Civilian
candidates.

As Messrs. M.L. Ramachandran and K. Govindan were
appointed in this office before the petitioners were appointed,
they are seniors to them. When the question of ousting one
of the candidates arose in 1946, I requested in my letter to
Government R.C. No.43 A/46 dated 14-5-1946 to clarify the
position. With reference to the details furnished in my let
R.C.No.43 A/46 dated 14-5-1946 and 25th June 1946, disposed

in their Memo No.67 Edn., dated 14-8-1946, Government ordered that the petitioners cannot be retained in preference to their seniors. Their seniority was accordingly fixed and I am of opinion that the petitioners have no claim for seniority over the persons referred to above. The request of the petitioners for getting their seniority fixed with reference to G.O. No.2253 Public Services dated 25-9-1945 may be rejected.

Yours faithfully,

M. S. Ranganathan

To The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

Thro' The Commissioner for Government Examinations, Madras
And The Secretary to the Commissioner for Government Examinations,
Madras.

Sir,
Sub: Candidates with War service - Seniority - Determination
with reference to G.O.No.2253(P.S.) dated 25.9.1945-
Request of.

We beg to bring the following facts for your kind consideration,
fair treatment, impartial judgement and favourable orders.

(M) We are candidates selected by the Madras Public Service
Commission while we were on Military duty and with reference to
G.O.No.3507(P.S.) dated 7.12.1944 a portion of our Military duty
was counted towards our probation (Vide Memorandum of the Secretary
to the Commissioner for Government Examinations, Madras, R.C.No.
28-A/44 dated 19.1.45 copy enclosed). Enclosure Marked 'E' & 'F'

(Z) As we are candidates with 'War service' our seniority
in this office should be governed with reference to G.O.No.2253(P.S.)
dated 25.9.1945, but it is regretfully submitted that no timely
action was taken on that G.O. when it was received and the orders
contained in that G.O. were not implemented by this office. It is
not known why action was not taken on this G.O., while action
(M) on G.O.No.3507(P.S.) dated 7.12.1944 was taken.

In this connection, we beg to invite your kind attention
to our letters dated 1.9.1948 and 11.9.1948 addressed to the
Secretary to the Commissioner for Government Examinations, Madras
(Vide Enclosure Marked A & B) and his reply thereto (Enclosure
Marked 'C'). A perusal of the reply given will clearly show that
it never answers the query raised by us viz. that as we are can-
didates with War service, our seniority should be determined with
reference to G.O.No.2253(P.S.) dated 25.9.45.

(Z) We also beg to enclose a relevant copy of the Government
Memorandum No.67 Edn. dated 14.8.1946 (Enclosure Marked 'D') and wish
to state that it was a reply sent by Government regarding the procedure
to be followed in filling up War Reserved vacancies in this office
and even from that Memorandum it can be noticed that we are entitled
for seniority provided we are selected again by the Madras Public
Service commission for such reserved vacancies. We are not now
asking for any reserved vacancies. We only request to determine
our seniority with reference to G.O.No.2253(P.S.) dated 25.9.1945
as we are candidates who had rendered approved War service. The
Government Memorandum also clearly gives us a preferential treat-
ment over other non-war service candidates.

(Z) Our main request is that while G.O.No.2253(P.S.) dated
25.9.1945 is specific regarding the determination of seniority
of candidates with war service, the orders contained in that G.O.
should be given effect to. Because no timely action was taken
in that G.O. when it was received, the present position had
arisen.

p.t.o.

(Z) We therefore beg the Government to take into consideration all the facts stated above and determine whether or not our seniority should be determined as per G.O.No.2253(P.S.) dated 25.9.1945 as we are candidates who had rendered approved war service for over 30 months. It will also not be out of place if we bring to your kind notice that we were actually on duty at the A.R.P. 'Control Centre' (High court buildings) when Madras was raided and bombed in 1943 and the great risk we have undergone.

(Z) It is on a sympathetic consideration of the above facts and especially with reference to G.O.No.2253(P.S.) dated 25.9.45 that we request the Government to pass orders.

We have the honour to be,
Sir,
Your most obedient servants,

Sir,

I beg to bring the following few lines to your kind notice for favourable consideration.

I beg to state that I entered Civil Defence Service on 12-1-1942 and served till 21-7-'44 without any break in the middle. Then I joined in this office on 22-7-'44 as an approved Lower Division Clerk. I have completed my probation satisfactorily in this office on 17th February 1946.

(M) With reference to G.O.No.3507 Public Services, dated 7-12-'44, my probation was started in February 1944, even though I actually joined in this office on 22-7-'44. Hence my war service has been recognised.

I beg to state that I am working in the Government Service from January 1942, upto this time without any break in the middle even for a single day. I am put up more than 6 years 7 months in Government Service including war service. It is clear that I rendered service in Government continuously for the past 6 years and 7 months.

I beg to request you that my entrance in Civil Defence Service on 12-1-'42, may be taken into account for counting the seniority, as my service is a continuous one.

I hope my continuous service (both war service and Civil Service) may be considered favourably during the question of promotion for a Upper Division Clerk in this office.

Thanking you Sir, in anticipation,

Yours faithfully,

Copy of the letter, dated 11-9-'48, from Sri D. Chakravarthi
addressed to the Secretary to the Commissioner for Government
Examinations, Madras.

I beg to submit the following few lines for your kind
consideration and favourable disposal thereof. I joined in
the A.R.P. Communication Service on 3-10-1942, and from that
date my services are continuous. With reference to G.O. No. 3507
(Public Services), dated 7-12-'44, a portion of my Military
Duty was counted towards my probation. As I am a candidate
with "War Service" my seniority in this office should, I think,
be governed by G.O. No. 2253 (Public Services), dated 25-9-1945.
But it has been noticed from the Proceedings regarding promo-
tions made in this office that my position has altogether been
overlooked and promotions given to non-war-service candidates
who joined Government Service after me.

As I attain the age of 23 in the year 1942, I hold that I
should be placed below members who were already appointed in
this office in that year (i.e. 1942). I hope you will look into
the matter and pass necessary orders.

In short I submit that though I have put in nearly 2 years
of Military Service and 4 years of Civil Service (altogether 6
years service in Government) I am denied promotion while those
who have put in only 5 years of service are given promotions.

This is for your consideration.

with reference to G.O.No.2253 (PS), dated 25-9-1945 -
request of:-

We beg to bring the following facts for your kind consideration,
fair treatment, impartial judgment and favourable orders.

We are candidates selected by the Madras Public Service Commission while we were on Military duty and with reference to G.O.No.3507 (PS) dated 7-12-1944 a portion of our Military duty was counted towards our probation (Vide the Proceedings of the Secretary to the Commissioner for Government Examinations, Madras, R.C.No.28-A/48, dated 19-1-1945 copy enclosed.) As we are candidates with 'War Service' our seniority in this office should be governed with reference to G.O.No.2253 (PS) dated 25-9-1945, but it is regretfully submitted that no timely action was taken on that G.O. when it was received and the orders contained in that G.O. were not implemented by this office. It is not known why action was not taken on this G.O., while action on G.O.No.3507 (PS) dated 7-12-1944 was taken.

In this connection we beg to invite your kind attention to our letters dated 1-9-1948 and 11-9-1948 addressed to the Secretary to the Commissioner for Government Examinations, Madras (Vide portions marked A & B) and his reply thereto (portion marked C). A perusal of the reply given will clearly show that it never answers the query raised by us Viz. that as we are candidates with War Service, our seniority should be determined with reference to G.O.No.2253 (PS) dated 25-9-45.

We also beg to enclose a top relevant copy of the Government Memorandum No.67 Edn., dated 14-8-1946 (Portion marked D) and wish to state that it was a reply sent by Government regarding the procedure to be followed in filling up War Reserved Vacancies in this office and even from that Memorandum it can be noticed that we ~~and~~ are entitled for seniority provided we are selected again by the Madras Public Service Commission for such reserved vacancies. We are now asking for any reserved vacancies. We only request to determine our seniority with reference to G.O.No.2253 (PS) dated 25-9-1948 as we are candidates who have rendered approved war service. C.No. 88338/48.

From the C.G.E., No. RC.374-A-48 dt.25-11-48.

ESTT. - Office of the C.G.E. - Seniority among certain l.d.
clerks - Representation.

The C.G.E. has submitted to Govt. with his own remarks ~~on the~~ representation from two L.D. clerks of his office claiming seniority over two other L.D. clerks. All of them are candidates selected by the Service Commn. The dates on which the candidates were appointed ^{in the C.G.E.'s office} are given in the Commr's letter.

The petitioners' request is that as they are persons with A.R.P. service (which is recognised as war service) their seniority should be fixed with reference to the rule contained in G.O. No. 2253, Pub (Ser), dt.25-9-45, that is, they should be deemed to have been appointed in the year in which they attained the age of 23. The Commr. made a reference to Govt. in 1946, regarding the rank to be assigned to the petitioners in his office and he was informed that candidates should compete on equal terms with other war service candidates and take their chance for appt., and that they could not be retained in reserved vacancies in preference to their seniors until they are selected by the Commn. for such vacancies. As stated by the C.G.E. the petitioners are not war service candidates selected for war reserved vacancies. They can therefore be treated ^{only} as other civilian candidates. In this view, the Commr's suggestion is that the petitioners' claim for seniority over the other two clerks ('B' on p.1 c.f.) should be rejected. This view seems to be correct.

Pub (Ser) may be asked to offer remarks whether the C.G.E.'s views may be accepted.

The C.G.E.'s suggestion at 'M' above is in order and may be accepted.

The file may be returned to E + P.H.
