Memorandum No. 9063-45-7-Pub(War) dated 30th April, 1945.

ORDER: -

ORDER: This Government have been awarding every year two scholarships, each of the ~~max~~ annual value of Rs.1,060/- to cadets belonging to this Province studying at the Prince of Wales Royal Indian Military College, Dehra Dun. As a result of the recommendations of the Detachment and Reorganisation Committee the Government have decided to discontinue the grant of these scholarships from 1948 onwards. The scholarships that have already been granted will, however, be continued till the cadets who are in receipt of them complete their respective courses of training.

(By Order of His Excellency the Governor.)

J.M.Lobo Prabhu,
~~Main~~ Secretary to Government.
P.T.O.

The question of uniformity of scholarships and Stipends was discussed by the Retrenchment and Reorganization Committee at its meetings held on 16th and 20th February 1948. A copy of the Committee's recommendations is extracted below;

"VETERINARY DEPARTMENT - Since the pay of the Veterinary Officers has recently been raised, there does not seem to be any dearth of students in the College. The Committee considers that the number of Scholarships given may be reduced. They will suggest, as a beginning, a reduction by 50%.

MISCELLANEOUS DEPARTMENTS - Prince of Wales Royal Indian Military College, Dehra Dun Scholarships, Royal Indian Navy Scholarships and K.G.R.I.M. College Scholarships - Since Defence is a Central Subject and as these institutions are under the management of the Central Government these scholarships will have to be granted only by the Central Government.

SCHEME FOR TRAINING CLERKS - Since the Committee has recommended separately the abolition of the whole scheme, the stipends given for clerks undergoing training may be also abolished.

POLICE (KALLAR RECLAMATION), EDUCATION AND LABOUR DEPARTMENTS - The Committee met the Deputy Inspector General of Police, Railways and C.I.D., Deputy D.P.I. and the Personal Assistant to the Commissioner of Labour and discussed with them the different classes of scholarships etc., given in the departments under their control. The Committee finds from an examination of the lists given by the P.A., to the Commissioner of Labour that Harijan pupils in Arts and Professional Colleges and Harijan girls in III Form and below get full fee concession, whereas Harijan boys in Elementary and High Schools and Harijan girls in IV Form and above get only half fee concessions. The Committee does not understand the rationale for this differentiation. They would recommend that all Harijan boys and girls in all stages of education should get full fee concession.

The Committee recommends that the same concession should be extended to all boys and girls of eligible communities namely aboriginal and hill tribes; and the same concession should also be extended to all boys and girls belonging to the Kallar and other similarly situated communities, now getting aid through the Police Department.

Boys and girls of backward communities as listed in the Education code are given half-fee concession, if the parents or guardians of the boys come under the category of 'poor'. This concession may be continued.

The Committee recommends that in all these cases, the concession should be compulsorily given in all recognised schools and the Government may make up for any loss sustained by local bodies or private agencies under any system that may be in force.

The Committee also recommends that the grant of half-fee concession to boys and girls belonging to other communities upto a limit of 10% of the fee income should be continued and it should be applied to colleges also.

TJ/6.6.

The Committee also recommends that this concession should be claimed as a matter of right and should not be subject to any conditions, except those of poverty.

The Committee finds that in the case of a student of the scheduled castes, unable to get promotion on account of illness, the fee concession will be continued. Such a provision does not seem to exist with reference to the concessions allowed to boys and girls of other communities. The Committee recommends that the same concession should be applied to all boys and girls eligible for the concession.

SCHOLARSHIPS - LABOUR AND POLICE (KALLAR) DEPARTMENTS - Harijan boys are now getting scholarships based on the amount charged by the hostels in which they are residing and in relation to the sort of education. In professional institutions they are given the total cost incurred in hostels, whereas in Arts Colleges and other institutions, they are given Rs.20 per mensem when they are lodged in private hostels and Rs.25 per mensem when they are in the hostels attached to Colleges. These scholarships are limited by the Budget provision. Ordinarily all the boys reading in the professional colleges as well as about 50% of the boys applying from other institutions are given the scholarships. The Committee considers that this may continue.

The same arrangement may be made applicable to boys and girls belonging to Kallar and other similarly situated communities.

EDUCATION DEPARTMENT - There are scholarships attached to colleges given by the Education Department of a general nature and given on the basis of merit and poverty and these are given by the Director of Public Instruction. The number of scholarships are not distributed institution-wise but are given to promising boys of the Presidency taken as a whole. The rates of scholarships are very low and if it is intended to help boys and girls really to continue their education, these are too small. The Committee would recommend that the same rates as are given for Harijans be adopted for all the scholarships to whatever community they may be granted and that there should be some scholarships attached to each institution and given on the basis of merit and poverty.

NON-RESIDENTIAL SCHOLARSHIPS - LABOUR DEPARTMENT - In addition to fee concessions and scholarships above referred to, the Labour Department gives some grants, called non-residential scholarships, to cover the cost of books, special fees, examination fees, cost of dress etc. These rates seem to have been fixed long ago. They may require revision in the light of the present costs.

This remark applies also to such scholarships given in the case of Kallar and other similarly situated communities.

There are some scholarships given for scheduled Caste boys and girls undergoing training in industrial courses. The Industries Department is also giving scholarships to these and other communities for the same purpose. The rates of scholarships may be made uniform for both the Departments. The Kallar and other communities should be treated with reference to these scholarships in the same way as boys and girls of other communities receiving such scholarships.

MIDWIFERY SCHOLARSHIPS - Scholarships are given for training girls as midwives by the Labour Department and by the Police Department. These rates are lower than the rates of scholarships given by

reason for differentiating among
The same rate may be allowed in all Dep

BOARDING GRANTS - The boarding grants that are given vary from Department to Department. Those given by the Education Department are at Rs.8 per head, those given by the Police Dept. are at Rs.12 per head and those given by the Labour Department are at Rs.15 per head. Where it is not given as boarding grant, the boys get Rs.9 p.m. in the mufassal and Rs.10 p.m. in the city as residential grant from the Labour Department. This gives rise to discontent where it is low and each department clamours for something more, only leading others to follow.

EUROPEAN SCHOLARSHIPS - The scholarships and boarding grants given to Anglo-Indian and European boys and girls should be brought to the same standard as those given for other communities. There is no reason to give them higher grants.

GOVERNMENT OF INDIA SCHOLARSHIPS - The Committee understands that there are some scholarships given by the Central Government for Harijans and others and these are generally of a much higher value than those given by the Provincial Government. This leads to discontent and there is also no reason why such scholarships should be given by two different agencies for the same purpose. It will be desirable to address the Central Government and ask them to give scholarships and make grants on the same scale as in the Province and for this purpose, all the funds they allot may be placed at the disposal of the Provincial Government.

2. A copy of the above recommendation may be sent to Home, Development, Education and Public Departments for further action. They may be requested to communicate to this section a copy of the orders issued together with an estimate of savings that is anticipated by accepting the Committee's recommendations

King George Royal Indian Military Colleges, Bangalore and Belgaum:- The colleges have been opened for the benefit of the sons of Madras soldiers, sailors and airmen. Only 24 scholarships have been granted so far - 7 in 1944, 5 in 1945, 11 in 1946 and one in 1947. These will continue up to 1949-50. Orders have been passed since to award scholarships to 7 more cadets selected who joined the college in 1947-48.

The scholarship is tenable for the period of the course which is 3 years 9 months for the Executive branch and 4 years and 8 months for the Engg. branch. So far only one scholarship has been awarded. No application for scholarship has been received after this award.

H.M.(Fin.) recorded the following minute:-

"If Govt. of India does not agree, Madras is the loser for our boys won't be trained. Anyway, Govt. of India may be informed of our decision to discontinue and ask them to take in students on a provincial basis".

NOTE FOR THE CABINET.

Sub: Military Scholarships to Cadets in the Prince of Wales Royal Indian Military College, Dehra Dun, King George Royal Indian Medical Colleges, Bangalore and Belgaum and the R.I.N.

One of the recommendations of the Retrenchment and Reorganisation committee was that the scholarships at present granted by this Govt. to the cadets in the P.W.R.I.M. College, Dehra Dun, K.G.R.I.M. Colleges Bangalore and the R.I.N. should be granted by the Central Govt. as these institutions are under the management of that Government and as 'Defence' is a central subject. The matter was placed before the Cabinet for orders - Vide note for the Cabinet attached. The Cabinet at its meeting held on 12-2-49 passed the following orders.

"It was decided that Govt. might discontinue the award of scholarships to the cadets in the P.W.R.I.M. College, Dehra Dun, the K.G.R.I.M. Colleges Bangalore and Belgaum, and the R.I.N. from 1948 onwards and that the Govt. of India should be informed of the decision, request being made to them to take in students on a provincial basis.

A draft order and a draft letter were submitted by this Department in accordance with the decision of the Cabinet. On circulation H.M. (Education) minuted as follows:-

"I don't think any decision was taken to discontinue the scholarships. It was only resolved to address the Govt. of India. And so that part of the draft may be omitted.

The decision of the Cabinet may be put up again before the Cabinet as it may affect this Province very prejudicially".

The case was circulated to H.Pr. on the suggestion

P.T.O.

made by H.M.(Edn) that the decision of the Cabinet might be put up again before the Cabinet. H.Pr. agreed. The matter is accordingly placed before the Cabinet for reconsideration for the previous decision.

Sub- Military scholarships to Cadets in the P.W.R.I.M. College, Dehra Dun, K.G.R.I.M. Colleges, Bangalore, Belgaum and R.I.N.

The Retrenchment and Reorganisation Committee has made the following recommendation -

" Miscellaneous scholarships and stipends - As regards certain miscellaneous scholarships, e.g., Prince of Wales Royal Indian Military College, Dehra Dun, Royal Indian Navy and King George Royal Indian Military College scholarships, the Committee is of opinion that since defence is a Central subject and these institutions are under the management of the Central Government these scholarships will have to be granted only by the Central Government."

2. At present this Government are awarding the following scholarships:-

(1) Two scholarships each of the annual value of Rs.1,160/- tenable for a period of 5 years at the P.W.R.I.M. College, Dehra Dun.

(2) 50 scholarships on the whole, each of the value of Rs.65/- per annum tenable at the King George Royal Indian Military Colleges, Bangalore and Belgaum, to boys who are the sons of V.C.Os. and natives of this Province.

(3) Two scholarships each of the value of £.116 for training in the Royal Indian Navy.

Prince of Wales Royal Indian Military College, Dehra Dun:-
The College is under the control of H.E. the Commander-in-Chief. It provides a public school education on English lines for Indian and Anglo-Indian youths who desire to obtain commissions in the Indian Land Forces, the R.I.A.F. or the R.I.N. and to make one of these services their profession in life. The fees of the students are Rs. 1,500/- per annum for each school year and the course of study covers a period of five years. Candidates who are natives of or domiciled in the Province of Madras are eligible for the scholarship of Rs.1,160/- granted by the Madras Government. The scholarships began to be granted from 1940. So far scholarships have been sanctioned to 10 cadets belonging to this Province including two cadets selected in 1948. The scholarships may not be availed of every year - only when boys belonging to the Madras Province are selected and when such boys are poor the scholarships will be granted.

King George Royal Indian Military Colleges, Bangalore and Belgaum:- The colleges have been opened for the benefit of the sons of Madras soldiers, sailors and airmen. The normal period of the course is 5 years. The Madras Provincial Selection Board (now defunct) recommended that scholarships should be instituted as these institutions are excellent grounds for production of Madras officers. Only 24 scholarships have been granted so far - 7 in 1944, 5 in 1945, 11 in 1946 and one in 1947. These will continue up to 1951. Orders have been passed since, that scholarships may be awarded to 7 more cadets selected who joined the college in 1947-48.

Royal Indian Navy:- In 1945 this Government instituted a scholarship of the value of £ 260/- from the year 1946 to be awarded annually to the Madras candidate standing highest in the open competitive R.I.N. examination conducted by the Federal Public Service Commission. This was converted into two scholarships of the value of £. 116/- each from the year 1947 to be awarded annually to the two Madras candidates standing highest (at the first two examinations held in a year) in the list of successful candidates in each of the first two open competitive examinations conducted by the Federal Public Service Commission each year. The scholarship is tenable for the period of the course which is 3 years 9 months for the Executive branch and 4 years and 8 months for the Engineering branch. So far only one scholarship has been awarded. No application for scholarship has been received after this award.

3. Even though 'Defence' is a Central subject, in order that this Province may be properly represented in the Defence Services the Public(Military) Department supported the continuance of the grant of these scholarships. H.M.(Fin.) and H.Pr. also first agreed. However in view of the decision since arrived at that no final orders on the recommendations of the Retrenchment & Reorganisation Committee should be issued without being considered by the full Cabinet, the case was again circulated to H.Pr. for orders and he minuted that:

" Future scholarships should be given by the Government of India. Scholarships already granted may be allowed."

H.M.(Finance) recorded the following minute:-

" If Government of India does not agree, Madras is the loser for our boys won't be trained. Anyway, Govt. of India may be informed of our decision to discontinue and ask them to take in students on a provincial basis."

H.M.(Education) minuted that the Govt. of India might be addressed on the lines suggested by H.Pr. for the future candidates.

4. Government's orders are requested on the following point:-

Whether this Government may discontinue the award of scholarships to the Cadets in the P.W.R.I.M. College, Dehra Dun, the K.G.R.I.M. College, Bangalore/Belgaum and the R.I.N. from 1948 onwards and the Govt. of India informed of the decision, they being requested to take in students on a Provincial basis.

One of the recommendations of the Retrenchment and Reorganisation Committee was that the scholarships at present granted by this Government to the cadets in the Prince of Wales Royal Indian Military College, Dehra Dun, King George Royal Indian Military Colleges Bangalore and the R.I.N. should be granted by the Central Government as these institutions are under the management of that Government and as 'Defence' is a Central subject. A draft order and a draft letter were submitted by this Department in accordance with the decision of the Cabinet. On circulation H.M.(Education) minuted as follows:-

" I don't think any decision was taken to discontinue the scholarships. It was only resolved to address the Government of India. And so that part of the draft may be omitted.

The decision of the Cabinet may be put up again before the cabinet as it may affect this Province very prejudicially".

The case was circulated to Hon'ble the Premier on the suggestion made by H.M.(Education) that the decision of the Cabinet might be put up again before the Cabinet. H.Pr. agreed. The matter is accordingly placed before the Cabinet for reconsideration of the previous decision.

The Secretary to the Govt. of India,

Sir,

Military scholarships to cadets in the
P.W.R.I.M. College, Dehra Dun, K.G.R.I.M.
Colleges, Bangalore and Belgaum and the
R.I.N.

I am directed to say that this Govt.
have been awarding the following military scholarships
to boys belonging to this Province.

(1) Two scholarships each of the annual value of
Rs.1,160 tenable at the P.W.R.I.M. College, Dehra Dun.

(2) Fifty scholarships each of the value of Rs.65/-
per annum tenable at the K.G.R.I.M. Colleges, Bangalore
and Belgaum,

(3) Two scholarships of the value of £ 116 each for
training in the R.I.N.

The Retrenchment and Reorganisation
Committee of this Government recommended that since
'Defence' is a subject under the control of Government
of India and since the institutions wherein the scholar-
ships are awarded are under the managements of the
Central Government the scholarships should be granted
only by the Central Govt.

This Govt. agree with the recommendations
and have decided to discontinue the award of the scholar-
ships to the cadets in the P.W.R.I.M. College, Dehra Dun
from 1948 onwards. The scholarships already granted will
however be continued until the cadets who are receiving
them finish their course. A copy of the proceedings of
this Govt. in the matter is enclosed. The Govt. of Madras
are anxious, however, that the youth of this province
should have the benefit of the training in this institu-
tion. I am therefore, to request that the Govt. of India
may be so good as to arrange to select candidates for

for this institution on a provincial basis in future so that Madras may have adequate representation in the institution.

As for the scholarships tenable in the K.G.R.I.M. Colleges and in the R.I.N. this Government ^{desire} decided to obtain information regarding what the other Provincial Governments are doing in the matter of awarding scholarships to their students in these institutions before ^{arriving at a decision} passing final orders on the recommendations of the R.R. Committee. I am therefore, to request you to be so good as to furnish this Govt. with the following information ^{in which} the following:

- (1) the various provinces ^{where} K.G.R.I.M. Colleges exist;
- (2) ^{whether} Number of students from other provinces are admitted in each of these colleges;
- (3) the number of scholarships awarded in each college;
- (4) whether scholarships are awarded by other ^{provi} provinces to their cadets studying in these K.G.R.I.M. ^{R.I.N.} (5) What the value of the awarded by each province for its ^{own} the value of scholarships awarded by in each of these institutions; and

Sir,

Sub: K.G.R.I.M. Colleges - Institution of scholarships by Provincial Governments.

I am to inform you that this Government have got a proposal under their consideration to discontinue the scholarships instituted by them for the benefit of the Madrasi cadets in the K.G.R.I.M. College, Bangalore. But before passing final orders in the matter the Govt. desire to know whether cadets from other provinces are admitted in the K.G.R.I.M. College, Bangalore and, if so, whether there are any scholarships instituted by those ^{provi} Provinces for the benefit of their students. The number

MILITARY - Scholarships awarded by Madras Govt. to cadets in P.W.R.I.M. College, Dehra Dun, K.G.R.I.M. Colleges, Bangalore and Belgaum and for training in the Royal Indian Navy.

The Retrenchment and Reorganisation committee on an examination of the question of the scholarships to boys studying in the above institutions has recommended that since Defence is a central subject and since the institutions mentioned are under the management of the Central Govt., the scholarships that are now awarded by this Govt. will have to be granted by the Govt. of India.

2. The following scholarships are granted by the Madras Govt. to boys who belong to this Province.-

1. Two scholarships each of the annual value of Rs.1,160/- tenable at the Prince of Wales Royal Indian Military College, Dehra Dun.
2. 50 scholarships on the whole, each of the value of Rs.65/- per annum tenable at the King's George Royal Indian Military Colleges, Bangalore and Belgaum and

This College is under the control of H.E. the C-in-Chief. It provides a public school education on English lines for Indian and Anglo-Indian youths who desire to obtain commissions in the Indian Land Forces, the Royal Indian Air Force or the Royal Indian Navy and making one of those services their profession in life. The examination will be taken before cadets attain the age of 17½ yrs. The fees of the students are Rs.1500/- per annum for each school year and the course of study covers a period of five years. Boys who are natives of or domiciled in the Province of Madras are eligible for the scholarship of Rs.1160/- granted by the Madras Govt. So far 8 cadets belonging to this Province have been granted scholarships ranging from Rs.580 to Rs.1160/- during the years 1942-45 - the rates varying according to the terms/some of the cadets were admitted. Of the above 8 cadets, 6 have left the

the institution and the scholarships granted to them which would in the normal course cover a period of 5 years have now been stopped. The remaining two are in receipt of scholarships of Rs.1,160/- each and these scholarships will continue upto August and September ¹⁹⁴⁹~~1948~~ respectively. No scholarships were granted in 1946 and 1947. Applications for scholarships from the two candidates selected this year (1948) viz., Mr. T.V. Mancharan and Chinta Reddi, have been received from the P.S.G. These are awaiting the decision to be taken in this file. It may be mentioned that other Provincial Governments have also instituted scholarships to boys of their Province who get selection to the PWRIM College - please see for such scholarships Appendix III at pp.13-19 of the Regulation ^{kept} above.

It will be seen from the above, that it is not certain the scholarships will be availed of every year. Only when boys belonging to the Madras Province are selected and ^{such} such boys are poor, the grant of the scholarship will arise.

Item 2. K.G.R.I.M. Colleges Bangalore & Belgaum.

50 scholarships in the aggregate, each of the value of Rs.65/- per annum have been sanctioned for boys who are sons of the V.C.Os etc., natives of this Province. The colleges mentioned above have been opened for the benefit of sons of Madrassi soldiers, sailors and airmen. The normal period of the course is five years. The Madras Provincial Selection Board (now defunct) recommended that scholarships should be instituted as these institutions are excellent grounds for production of Madras Officers. Only ²⁴ scholarships have been granted so far:- 7 in 1944, and 5 in 1945 ^{in 1946 & 1 in 1947}. These will continue upto 1949-1950. The Commander of the College has forwarded for grant of scholarships to 2 more students who are sons or dependents etc. of existing service personnel and ex-service personnel. These are also awaiting decision in the file. So far as information is available, it is seen that the Punjab Govt. have granted scholarships to boys of military men of their Province for study in the above institutions at Ajmer, Jullundur etc.

Item 3.

Royal Indian Navy.

In G.O. Ms. No.2218, Public, dated 21.9.45, this Govt. instituted a scholarship of the value of £.260 from the year 1946 to be awarded annually to the Madras candidate standing highest in the open competitive R.I.N. Examination conducted by the F.P.S.C. On the Govt. of India reducing the parent's share of the expenditure to £.116 from £.260, two scholarships of the value of £.116 each were instituted in G.O. 3273, Public (Mly.) dated 4.11.47 to be awarded annually from the year 1947 to the two Madras candidates standing highest (at the first two examinations held in a year) in the list of successful candidates in each of the first two open competitive R.I.N. examination conducted by the F.P.S.C. each year. The scholarship is tenable for the period of the course which is 3 years 9 months for the Executive Branch of the service and 4 years and 8 months for the Engineering Br. So far only one scholarship of the value of £.260 has been awarded to cadet Mihir Kumar Roy and the amount of scholarship has already been disbursed to him. ^{After Rs. 90} ~~For~~ no application for scholarship for the R.I.N. has been recd.

3. It has now to be decided whether the scholarships mentioned above are to be stopped or may be continued. "Defence" of course is a central subject and as the institutions are imparting military and naval training, are under the control of the Defence Dept. of the Govt. of India. But the scholarships are intended for the benefit of the Madrassi boys. In the Army, Navy and Air Force, the number of Madrassi officers is small when compared to officers belonging to other Provinces. The boys of this Province have not taken to military trg. in the same way as boys of other Provinces. Scholarships will not only afford financial relief to parents or guardians in general, but will also prove an incentive to promising ^{but} ~~not~~ poor young boys whose parents or guardians could not otherwise afford to meet the expenditure connected with their training. In view of the above, and in view of the fact that scholarships are granted by other Provincial Govts. for their boys ~~for~~ selected for admission in the above institutions, it is for orders whether these may be continued. 2. The proposal in this file is to continue the Scholarships for Madras boys admitted in certain military institutions under the control of the Govt. of India. This department for the reasons at 'X' on pp.3-4 ante suggested the continuance of the Scholarships and Finance have agreed. H.Pr. and H.M. (Fin.) have also approved.

The file may now be circulated to H.Pr. for orders whether the case should be opened again or whether the approval already given will stand.

Since orders have not issued, the matter will have to be considered by the full Cabinet. No. 10th seems necessary

This file relates to the award of ~~the~~ scholarships by this Govt. to Cadets in the P.W.F.I.M. College, Dehra Dun, K.G.R.I.M. College, Bangalore and Belgaum and for training in the R.I.N. The notes from p.2 ante and the orders in circulation at p.10 ante may be perused. As the proposal for the discontinuance of the Scholarships was made by the Retrenchment and Reorganisation Committee it is presumed that before final orders are passed in the matter it should be placed before the Full Cabinet as per instructions in Fin. U.O. Note No.28696/48-RC-1, dated 12-4-48.

2 As for the cases of the nine Cadets admitted in the K.G.R.I.M. Colleges, Belgaum and Bangalore during 47-48 dealt with in L.F. I, it is presumed that the award of scholarships to these cadets has been agreed to by H.Pr. and H.M.(Fin.) as their cases have been pending with Govt. and the orders in circulation at p.10 ante refer only to future entrants -(also p.9 ante.)

3 It is presumed that the Cadets who have joined the K.G.R.I.M. Colleges during 1948-49 referred to in L.F.II ^{granted} ~~will~~ not be ~~eligible~~ for the scholarships as per the orders in circulation at p.10 ante. This may perhaps await the decision of the Cabinet referred to above.
