Sir,

Sub :- Schools--Presidency High School for Girls

teachers--Sanction requested

The sanction accorded in the G. O. cited
above for the continuance of the posts of music mistress and two
secondary Grade teachers in the Presidency High School for Girls,
Egmore, will expire by the end of the current school year. The
number of sections in each class and form and the strength of the
school during the current school year is furnished below :

Form or class.	No. of sections.	Strength.
Form VI	2	79
V	2	79
IV	2	69
III	2	94
II	3 (including Telugu section)	112 X
I	3 "	106 X
Class V	2	88
IV	2	88
III	2	94
II	1	48

The strength of the additional sections
with Telugu medium in each of Forms I and II is 17.

Besides the Temporary post referred to above
I sanctioned during the current school year, the employment two
secondary Grade teachers on fixed pay for imparting ^{instruction} ~~intention~~ in

P.T.O.

Telugu and Malayalam to the pupils in the primary classes. The Class war strength of pupils studying Malayalam and Telugu is as follows :-

		Number of pupils studying.	
		<u>Telugu.</u>	<u>Malayalam.</u>
Class.	<u>Class.</u>		
	V	9	11
	IV	5	10
	III	10	12
	II	6	5

In the Current school year class I and one section of class II were closed. The post of the permanent secondary grade teacher sanctioned for Class I was utilised for the additional section in Form I with Telugu medium. The post of the Temporary secondary Grade teacher sanctioned for the additional section in class II was utilised for the additional section in Form II with Telugu medium.

Class I and one section of Class II were closed with a view to abolish progressively all the primary classes in the school to enlarge the existing facilities for secondary Education. But a representation was made to me by responsible citizens of Egmore for the restoration of class I and for the retention of the Lower classes in the school for the reasons stated in their petition dated 9--3--49, *a* copy of which is submitted herewith for information. The Superintendent of the school and the Inspectress III circle, both recommended the retention of the lower classes and the restoration of class I from the next school year. It is reported that the parents were put to much inconvenience owing to the closure of class I and one section of class II in the current school-year and the progressive closure of lower classes would cause hardship to the parents as the corporation Elementary school for Girls which is the only available school in the area is not adequate to meet the needs of the locality. I therefore permitted the restoration of class I in the school with effect from the next school year and also the retention of the lower classes.

---2--- (A) 5

Since class I will have to be opened in the school with effect from the next school-year the post of the permanent secondary grade teacher sanctioned for this class, which is being utilised for the additional section in Form I with Telugu medium, will be resumed by class I. An additional post of Secondary Grade teacher is therefore required for the additional section in Form I with Telugu medium, besides ^{another} ~~and the~~ additional post for the additional Telugu section in Form III to be opened with effect from the next school-year to provide for the pupils in the Telugu section in Form II in the current school-year.

There is also need to continue the two posts of secondary grade teacher created by me for imparting instruction in Telugu and Malayalam in the lower classes- on time scale of pay.

There is definite need for the continuance of the post of the full time music mistress since she has to teach music from Class III to Form VI in the school and since she will have 27 periods of work per week.

In the circumstances I request that sanction may be accorded for a period of one year from the next school year for the (1) Continuance of the two posts of secondary Grade teachers one for the additional section in class III and the other for the additional section in Form II with Telugu medium, and the music mistress sanctioned in G.O. No. 2116 Edn. dated 26--8--48. (2) Continuance of the posts of two secondary grade teachers created by me on time scale of pay. and (3) Employment of two secondary Grade teachers, one for the additional section in Form I with Telugu medium and the other for the Telugu section to be opened in Form III from the next school year.

Yours faithfully
