Office of the
Director of Public Instruction
Madras, dated, 12th May 1949.

From

The Director of Public Instruction
Madras.

To

The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- Colleges -- College of Engineering - Guindy -
Keeping open the Workshops during the
summer vacation.

38065

The Principal, College of Engineering, Guindy, requests
permission to keep the Workshop open during this summer vacation
for executing the following works:-

- (1) Unfinished indents from the departments during the year
- (2) Indents for Anantapur Engineering College.
- (3) Drawing tables for schools.

The proposal involves an expenditure on payment of wages to the workers engaged in the work. I would invite the attention of Government to G.O.No.670 Edn., dated 25-3-48 granting similar permission last year. The Principal states that he has already provided for the necessary expenditure in the Budget Estimates. The Principal has not closed the Workshops and has already proceeded with the execution of the works mentioned above. As there is a definite need for keeping the workshop open during the present summer vacation, I request that the Government may be pleased to grant the permission applied for by the Principal and permit him to incur the expenditure therefor. His action in keeping the workshop open in anticipation of sanction of Government may kindly be approved.

Yours faithfully
