My dear Menon,

A request has been received from His Excellency the Ambassador for India in Burma for assistance in securing admission into an Engineering College in India for the son of the Hon'ble Mr. Justice Aung Tha Gyaw of the Rangoon High Court. The young man is a student of the Rangoon University, studying in the B. Sc. class. We would be very grateful if the Provincial Government would kindly admit the student in one of their Engineering Colleges in the next session. Although we are well aware that the Provincial Government have been generous in the matter of reserving a certain number of seats in their Engineering Colleges for Indian students from East and South Africa, we feel obliged to press this further request, on rather strong political grounds. We will be most grateful if the Government of Madras would, as a very special case, secure a seat for this Burmese student. I am ascertaining the subjects taken by him for his Intermediate Science and the subjects for which he is studying in the B. Sc., and I will let you have the information as soon as received.

2. I would be grateful for an early reply.

Yours sincerely,

(Y. D. Gundevia),
Joint Secretary.

24th May, 1949.

My dear Mr. Ramunni Menon,

Kindly refer to my D.O. No.D.1992/49-AFR of 12th May regarding the admission of the son of the Hon'ble Mr. Justice Aung Tha Gyaw of the Rangoon High Court, into an Engineering College. I now learn that the boy has read for one year only in Intermediate Science. In the circumstances, he is not eligible for admission into engineering classes, and my request for his admission into an engineering college may, therefore, be treated as cancelled.

Yours sincerely,

(Y.D.Gundevia)
Joint Secretary.

C.NO. 37785-A

From the Joint Secretary to the Govt. of India, Ministry of External Affairs, D.O.No.D.1992/49-APR., dated 11-5-1949.

GOVERNMENT ENGINEERING COLLEGES - Admission of a Burma Student.

Please see the D.O. from the Govt. of India in the C.F. There are about 365 seats in all the Govt. Engg. Colleges (Guindy, Coimbatore, Anantapur and Kakinada). Out of these, 17 seats have been reserved for outsiders as follows:-

Cochin State	- 2
Ceylon	- 2
Indian students from South & East Africa	- 2
Coorg	- 2
Orissa	- 2
Refugee students from Pakistan	- 3
Indonesia students	- 4
	17

There is a tremendous rush for admission from Madras students to Engg. Colleges and every year a number of deserving students are refused admission for want of seats. In the circumstances stated by the Govt. of India a seat may perhaps be reserved in one of the Engg. Colleges to the Burma student in question as a special case. It may be set off against one of the 4 seats allotted to Indonesia students. Last year only one Indonesia student applied for admission and he was admitted. The other seats were subsequently allotted to Madras students. If approved, the D.P.I. may be asked to the College to which the student should be allotted. The file may be circulated to H.M. (Edn.) and H.Pr. for orders.
