The secretary of the Provincial Committee of the
United Nations Appeal for children, Madras has requested the
Collector in her letter second cited above, to form District
committees consisting of influential members representative
of all interests who can organise collections throughout the
district. In G.O. No.4436 Public Health dated 29.12.48, it was
ordered that the government servants should give their entire
co-operation in the cause undertaken by the Provincial committee,
but while offering their co-operation they should not themselves
solicit contributions. In view of these facts, I request to be
informed whether District Committees and Taluk committees have
to be formed as requested by the secretary of the Provincial
committee and whether government servants can become members
of such committees.

Sir,

Ref:-Your letter d/ 4-4-49 requesting the formation of a
District Committee.

I am in receipt of your letter cited above together with
the printed copies of appeal sent with it and I shall be glad to
form a District Committee as desired very soon. I am calling for a
meeting of all important officials, prominent non-officials,
including M.L.As., and M.L.Cs., and representatives of all
organizations and Associations doing Social Welfare work on 4-5-49.

2. In connection with the Provincial Welfare Fund, instructions
were given that neither the Collector nor any of his subordinates or
other officials should be office bearers and that they should not
take any active part in collecting Funds. The District Committee
of the Provincial Welfare Fund therefore consists of non-officials
as office bearers. Some of the District Officers including myself
are only members of this Committee. I should like to know whether
there are any similar restrictions in the present case or whether
officials can serve as office bearers. Summarizing As the
District Committee will in all probability be formed on 4-5-49, I
shall be glad to have a reply on the above points sufficiently
before that date so that it may help me in fixing up the personnel
of the office bearers of the District Committee.

3. The 100 copies of the printed appeal may be sufficient
for the formation of the District Committee. I think 500 copies
in Telugu are necessary for distribution throughout the District.
I shall be glad if you will please make arrangements to send them as
early as possible.

A. Chelapathi

Collector.

I enclose herewith a copy of the United Nations
Appeal for children (Madras branch) and also relevant resolutions
passed by the Executive committee. The Committee desires that Dt.
committees should be formed consisting of influential members
representative of all interests, who will not only be able to
organise collections at the Dt. Headquarters but also will be in
a position to set up committees in every taluk etc. So that
collections may be made throughout the districts in a systematic
manner. The number of members in the committee may be fixed at
10 to 15 and the support of the local M. L. As. and M. L. Cs
may be sought.

The all India committee has fixed the 30th of July as
the final date of collections. Meanwhile a great deal of spade
work has to be done and I am to request you to be good enough to
form Dt. committees and also take further action as you may deem
proper in furtherance of the Appeal.

It is the intention of the Provincial committee ~~that~~
that each Dt. Committee may determine various methods of collect-
ions, including organisation of entertainments in Schools and
colleges etc. and arrangement of cinema and other shows in aid
of the appeal.

I am sending herewith 100 copies of the Appeal in
English. Kindly inform me as to the number of copies of the appeal
which would be required for distribution throughout the District
in the language or languages of the District and also in English.

Committees - United Nations' Appeal for children - Formation of District Committees.

P 11 (B) The United Nations organization has sponsored a scheme called the 'United Nations' Appeal for children' with the object of collecting voluntary contributions from the peoples of all the countries of the world for the benefit of children, adolescents and expectant mothers, without distinction of race, creed, nationality or political belief. In view of the great humanitarian purpose underlying the scheme and the international character of the Appeal, the Govt of India have decided that India should associate herself with the scheme. In order to implement this, an Indian National Committee has been formed with the Honble Rajkumar Amrit Kaur as Chairman. Similarly, a Provincial Committee with H.E. the Governor as Chairman has been formed in the Province for the purpose of collecting funds and a special grant of Rs 9,000/- has been sanctioned to meet the initial expenses of the Committee.

P 93 (G) 2 On the request of the Provincial Committee the Collectors have been asked to give wide publicity to the Appeal made by the Committee and give their entire co-operation in the good cause. They have also been informed that contribution
