No.6841/49/C4, dated 21-4-49

Sub: SCHOOLS - Secondary- Levy of school fees- Enhancement of.

I submit herewith a copy of M.C.R.NO.1392, dated 15-3-49 resolving to levy school fees in all the Secondary schools under this Council at the enhanced rates mentioned in Municipal resolution. The rates of fees levied in the Secondary schools in this Municipality till now are the standard rates mentioned in Rule 89 of the Madras Educational Rules.

2. The rates of school fees levied are the lowest within limits of this city as the other private schools regarding levying higher rates of fees. The rate of school fees has not been increased ever since the schools were opened. Expenditure on Secondary Education is mounting up and the Council is forced to increase the rates of fees in Secondary schools.

3. Under the note under Rule 89 of the Madras Educational Rules, the rates prescribed in section A of that rule are minimum rates and fees may be levied at higher rates at the discretion of the managements. Para 2 of Rule 85 does not say that the rates of fees should not be modified except with the sanction of the Government. As the District Educational Officer in his No.181-E/49, dated 9-4-49 (copy enclosed) states that the approval of the Government is necessary. I request that the Government may be pleased to approve the proposal of the Council to revise the rates of school fees with effect from the school year 1949-50 as per Municipal Council's Resolution No.1392.

Sub: - Schools - Secondary - levy of school fees at higher than standard rates - sanctioned -

Ref: - G.O. No. Ms. 1868 education dated 7-6-1949. V-54

This Council in its Resolution No. 1392, dated 15-3-1949 resolved to levy school fees at the rate of Rs. 3/- per mensem for forms I to III and at Rs. 6/- per mensem for forms IV & V and Rs. 7/- for form VI. The Government were kind enough to approve the above proposal subject to the modification for the levy of school fees at Rs. 6/- per mensem for forms VI. As the orders of Government were not received before the reopening of secondary schools, the Headmasters were permitted to collect school fees as resolved by the Council. Fees have also been collected accordingly and there has been no protest or representation from any of the parents. This is because of the private schools in this city levying still higher rates. I may also submit for the kind information of the Government that the Government have issued orders that such of the Municipal Councils who desire to adopt the Government Scales of pay for teachers in Secondary schools may do so with their sanction on condition that the extra cost should be met by the Council. As money will be required to meet the extra cost on this account and also for the growing expenditure under Secondary education and as the rates have already been given effect from the beginning of the school year, I request that the Government may kindly permit this Council to levy school fees as resolved by the Council as a special case.
