Sir,

Sub: Schools -- Secondary -- Telugu Education
Facilities Enquiry Committee.
Ref: G.O.No.3092, Education, dated 6.12.1948.

The members of the Madras City Telugu Education Facilities Enquiry Committee, after due consideration and careful examination recommended the grant of an honoraria of Rs.200/- for the said period of 2 months to Mr. G.A.Williams, Stenographer, Office of the Director of Public Instruction for the services rendered by him to the Committee in addition to his pay and requested the Chairman to address the Government for the grant of the said sum. In the opinion of the Committee the sum recommended is just and reasonable as he deserves the said honoraria for the meritorious service rendered by him to the Committee.

Had he claimed actual Travelling allowance and contingent expenses during the said period for moving from place to place, it would have cost the Government Rs.300/- to Rs.400/- but the Committee recommended only Annas Eight per day in view of the honoraria of Rs.200/- recommended for the valuable services rendered by him for the cause of the education of Andhras in the City of Madras.

He worked as a Reporter at all the 26 sittings which were held at odd hours, under peculiar conditions while at other times he worked as a Stenographer, as a Typist, as a clerk and even as a peon for the Committee. The Chairman with all his multifarious duties throughout the City of Madras had to attend to the work of the Committee as well and Mr. G.A.Williams had to move from place to place to meet him carrying all the files, stationery etc., etc., to meet any emergency.

He worked as a full time reporter on all days from 19.7.1948 to 19.9.1949 including holidays and Sundays even though he is a Christian. He did not take a single day's casual leave and he did not even avail of a single holiday.

Most of his work was full time Reporter's work. If a regular reporter had been appointed to take down the proceedings of the Committee he should have been paid Rs.20/- per day. This is the rate admissible to reporters appointed casually. As a Reporter he had to work late into the night to make available to the Committee the report of the Proceedings of the previous day. Besides he attended to very heavy work connected with the preparation of notes for the draft report. He had to devote practically every night for the Committee's work between 15th August 1948 and 19th September 1948. The Office Typewriter was actually kept in his house.

for the work. This has been a long and tedious job and arduous work for him.

There are several precedents ⁱⁿ which Stenographers who were attached to committees were paid honoraria for the reporting work rendered by them to the Committees.

But for the efficient and prompt services of Mr. G.A. Williams the Committee would not have submitted the report in so short a time.

I had a talk with the Hon'ble Minister for Education on this subject.

In the light of the circumstances set out above, it is just and proper that Mr. G.A.Williams should be paid the honorarium for the work done by him between the 17th July 1948 and 19th September 1948, which is more than 2 months, in addition to his pay.

Yours faithfully,

Klubbasswarkau

Finance (C.S.R.) Dept.

In G.O.3092 Education dated 6-12-48, the Govt. rejected the proposal to sanction an honorarium of Rs 200/- to Mr. G.A.Williams, Stenographer, Office of the D.P.I. for the work performed for the Telugu Enquiry Committee from 17-7-48 to 19-9-48 (2 months). The Chairman of the Committee for the reasons stated on pp.1-2 C.F. recommended that the stenographer should be allowed an honorarium in addition to his pay for the period he served the Committee. ^(as a reporter) E.&P.H. recommend the proposal of the Chairman and suggest that an honorarium of Rs 100/- may be paid to the Stenographer following the precedent in G.O.2337 Public dated 1-11-46, in which Govt. sanctioned an honorarium of Rs 100 to the reporter attached to the Committee on separation of judiciary from the executive.

It is submitted that the need for payment of honorarium to Govt. servants for special work done by them cannot be conceded unless exceptional circumstances justifying it. In this case, it is pointed out by the Chairman of the Enquiry Committee that ^{Mr.}William's work as Reporter was exceptionally heavy. It is for orders whether in the special circumstances, Finance may agree to the honorarium of Rs 100/- proposed by E.&P.H. as a special case. This should not however constitute a precedent for other cases.
