Please see the Govt's letter on p 50 CF.
 They enquire whether Mr U.S. Ramachandran's
 admission may be tried in the U.S.A.

Mr. U. S. Ramachandran is a candidate
 selected in 1947-8 for the award of a scholarship
 in "Fertilisers - Chemical Plant Maintenance" and
 is intended for absorption in industries on return.
 In letter no. 55493/45 Edu of 8.4.47, this Govt
 furnished to the Govt information regarding
 the institutions in the U.S.A and in the U.K.
 when admission might be tried for the scholars
 selected for study of 'Fertilisers'. The Govt now
 state that none of the institutions in the U.K.
 suggested by this Govt is prepared to accept
 the scholar. They therefore presume that this
 Govt will agree to Mr Ramachandran's
 admission being tried in the U.S.A in the
 institutions already suggested by this Govt.

There does not appear to be any objection
 to this course. The presumption may be confirmed.
 A draft letter is submitted for approval. Dev

Sri V. S. Ramachandran was selected

it is found that a suitable appointment
will not be available for him in the Industries

that the question of Cancelling his scholarship
may be considered. The Govt have already
cancelled the scholarships of 3 candidates
because their services will not be required

are being reviewed. In these circumstances
the scholarship awarded to Sri V.S. Ramachandra
