Re.No.1692 G4/48 dated 16-9-1948.

Sir,

Schools - Local Bodies - Deputation of teachers  
for training in the Y.M.C.A.College of Physical  
Education - admissible items of expenditure -  
Defined - Examination fees - modification of.

In G.O. No.1831 Edn., dated 19-8-1947 the rate  
of examination fee for the diploma, higher grade and lower  
grade of the Physical Training examinations was noted as Rs.10/-  
i.e. the same amount for all the three courses. Now it is  
brought to my notice that the rate of fee for diploma should  
be Rs.14/- and that for lower grade Rs.6/- instead of Rs.10/-  
as noted in the above G.O. I therefore request that Government  
may be pleased to issue the following modifications to the G.O.---

Against item 4 - Examination Fees - for Rs.10/- under  
Diploma course read Rs.14/- and under lower grade  
after for Rs.10/- read 6/-. Against Total, for Rs.780/-  
under diploma course read Rs.784 and for Rs.730/- under  
lower grade after read Rs.726/-.

Yours faithfully,

②②②

In continuation of my letter Re.No.1692-G4/48  
dated 16-9-1948 I have the honour to submit herewith copies of the  
letters dated 14-7-48 and 25-9-48 of the principal, Y.M.C.A.  
College of ~~Physical~~ Physical Education, Saidapet and to state as  
follows:

Even after the removal of the control over the  
clothes there were many fair price shops wherefrom the Principal,  
could have purchased the cloth, necessary for uniforms. Moreover  
Government is again taking necessary steps ~~for~~ for the  
supply of textiles to the public at reasonable prices.  
The hostel building was constructed ~~the~~ by the management of the  
college on a site given by Government free of cost. As the  
hostel building is its own it is not reasonable on the part  
of the management to increase the hostel rent also.  
Variations in the mess charges are already permissible ~~k~~  
under G.O.No. 1831 Edn. dated 19.8.1947. Apart from the above,  
the question to be considered is whether the financial ~~pre~~  
position of the local bodies deputing the candidates for  
training will permit them to ~~incur~~ incur ed expenditure  
Even with the existing rates, the deputing authorities have  
to spend nearly Rs.800/- for each candidate. Local bodies  
are not at present given any grant by Govt. ~~teeq~~ towards  
this expenditure as in the case of private managements.  
Most of the local bodies are reluctant to depute candidates  
for training on the plea that they have not sufficient funds.  
In these circumstances I solicit orders of Govt. in the matter.

Yours faithfully,

Copy of letter dated 25th September 1948 from the Principal,  
Y.M.C.A. College of Physical Education, Madras.

Ref: Proceedings Re.No.1692-G4/48 dated 16-9-1948.

I acknowledge receipt of your above quoted communication. The management of this college makes every effort to keep the expenses, to be incurred by candidates undergoing training here at as low a level as possible, without of course seriously affecting the efficiency of the training. If at all possible the management will be glad to reduce the expenditure as advised by you. But the abnormal conditions which are now prevailing leave the management helpless in the matter.

The increase in certain items was made most reluctantly because it was not possible to manage otherwise. For example, during the last year, the price of cloth was controlled and the college was able to procure its requirements for making uniforms at controlled rates. Since the lifting of the control by Government, price of cloth has gone up 50 to 100 per cent. Under the circumstances you would see that it would be impossible to reduce the charge under this item. It necessarily had to be increased.

In every way cost of living and cost of materials have gone up and unless a corresponding increase is effected the college will be put to losses which it is not in a position to bear. As it is, the management of the college has to spend a considerable amount from its fund to keep the college going. When conditions improve, steps will be taken to reduce the expenditure of the training. I request that you will kindly appreciate this position.

If necessary Government orders are not passed making these increased expenditures admissible, I am afraid, the deputing authorities will not pay the candidates the expenditure they will be incurring at the college. This will put them to a loss and a lot of inconvenience. Under the circumstances, I request that you will kindly obtain necessary Govt. orders making the increased expenditure admissible. I want to once again assure you that the present increase was absolutely necessary and the management will see that the present increase is discontinued and even the old levels reduced as soon as prevailing economic conditions make this possible. I may assure you once again the National Council of the Y.M.C.A. is running this college and spending considerable amounts, to maintain it purely to render a piece of service.

The rates in respect of other items have been not been revised. The Principal of the College states that the revision of the rates of expenditure had to be resorted to on account of the rise in price of cloth (consequent on the removal of control) and other goods. He requests that Govt may pass orders allowing the increased rates of expenditure as admissible items. He adds that the management will see that these rates

rates are discontinued or even the previous rates are  
discontinued as soon as economic conditions make  
it possible.

2. On a request made by one  
of the candidates & deferred by the District Board,  
Tinnevely for sanctioning the enhanced rates, the Special  
Officer of the Dt. Board has solicited instructions as to  
whether the enhanced rates are admissible. It will be seen  
from para 4 of the S.O.'s letter that in addition to the 12 items  
of expenditure mentioned in the Principal's letter on page 50 of a  
picnic fee of Rs 5 is also charged by the management.

3. For the reasons stated at M on page 30 of the  
D.P.I. remarks that it is unreasonable on the part of  
the management to enhance the rates of expenditure on uniform  
and hostel rent. He does not seem to have any objection  
It seems that he has no objection in allowing the increase  
in the rates of other items.

4. In the circumstances stated by the Principal  
Y.M.C.A. College of Physical Education in his  
letter on p 7 of, it does not seem possible to  
disallow the increase under rent & clothing  
(Uniform) as suggested by the Director. No amount  
need be allowed for picnic and the candidates may  
be expected to meet this from the amount sanctioned  
for incidental expenditure (Rs 50).

5. The question whether the expenditure incurred  
by local bodies on deputation of teachers for training  
as Physical Training Instructors or Instructresses in the  
Y.M.C.A. College of Physical Education may be treated

as an approved item of expenditure is under  
consideration as a part II scheme for 1949-50 and  
if this is sanctioned, local bodies will be relieved  
of one half of the expenditure that is now incurred  
by them on this account.

6. The increase under the items referred to on page 1  
may be allowed from the current year.  
A draft order is submitted below for approval.

Please see the notes on pp 1-3  
above.

Local bodies are not at present given  
any grant by the Govt. towards the items of  
expenditure approved by the Govt. in P.O. 1831 of 19.8.47 on the deputation of teachers for training  
in the Y.M.C.A. College of Physical Education, Saidapet.  
The present proposal to revise the rates of fees  
in respect of a few of the admissible items involves  
the payment by the local body concerned of an  
increased sum of Rs 89/- in the case of a teacher  
undergoing the Diploma Course, Rs 85/- in the case of  
a Higher grade Certificate teacher and Rs 81/- in the  
case of a teacher undergoing the Course for Lower grade  
Certificate. In the circumstances stated by the

management, Finance may agree to the proposal  
to allow the increase. The proposal does not now result  
in any extra expenditure from Government funds.

Govt have noted that a proposal is under

consideration as a part II scheme for 1949-50 to

reimburse expenditure incurred by local bodies as  
an approved item of expenditure. The Govt. are  
half the expenditure on the deputation of  
teachers for training in the Y.M.C.A. College.

OK

proposal made the increase proposed to be sanctioned  
will have to be done by the Govt. from 1948-50 onwards.

As the increase in the rates has been necessitated  
solely due to rise in prices, Finance may suggest that  
the increase may be allowed for a period of two years  
1948-49 and 1949-50 and the question of the renewing  
rates may be considered further at the end of the period.  
Subject to the above remarks, the draft order below  
may be accepted.
