One of the two Higher Elementary additional sections sanctioned
for the Government Training School for masters, Cuddalore (since

In the draft order on pp.1-2 above, it is proposed -

- (1) to sanction the continuance for 2 years from the school year 1949-50 of the staff sanctioned for the additional sections in certain Training schools as shown in Annexure I; and
- (2) to the opening of additional sections and employment of additional staff for the purpose in the Training Schools specified in Annexure II.

The proposal in item (1) above may be accepted. As regards the proposal in item (2) above, the extra cost on the appointment of 13 L.T. Assistants works out to Rs 27,204 per annum recurring. As the cost exceeds the limit of Rs 20,000 p.a. the proposal is an item of 'new service'. The proposal can ordinarily be sanctioned only after reference to the S.F.C. and the Cabinet. As, however, the issue of orders is urgent, the schools being due to open shortly, Finance may suggest the adoption of the short circuit procedure prescribed for very urgent schemes. It will be necessary to obtain a supplementary grant from the Legislature in respect of the scheme in due course.

The file may be circulated to H.M. (Edn.), H.M. (Fin.) and H.Pr. for approval of proposal (2) above. A note for the other H.Ms. will be put up after issue. Necessary steps will also be taken in due course to obtain a supplementary grant.

In order to make up the deficiency in the number of teachers, the D.P.I. has proposed the appointment of 13 L.T. Assistants at a total cost of Rs 27,204 in 11 training schools. Though no specific justification has been provided by the D.P.I., the expenditure may be agreed to under the short circuit procedure in view of the general consideration that teachers are badly wanted.
