Re. 2289-G1/48.

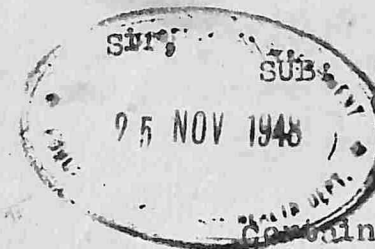

Office of the  
Director of Public Instruction,  
Madras. Dated 15/11/48.

From

The Director of public Instruction, Madras.

To

The Secretary to Govt. Education and Public Health  
Department, Madras.

Schools - secondary local bodies - transfer  
of teachers within the District Board during  
the middle of the school year.  
\* \* \* \*

Certain cases have come to my notice where  
unnecessary transfers of teachers have been made in Secondary  
Schools during the middle of school year. For instance  
in East Godavari, District Board, the senior Head Master,  
Board High School, Ramachandrapur, has been transferred  
in a chain of arrangements involving the transfer of two  
other junior Headmasters. Since towards the end of  
September <sup>such</sup> transfers in the middle of the school year hamper  
the smooth running of an institution, especially a secondary  
school, I request that general instructions be issued to  
all local bodies that transfers should not be made in the  
middle of the school year. On the analogy of orders in  
Government Order No. 1264, Education dated 26/6/48 issued  
in the case of Elementary Schools. Where such transfers  
have to be made for exceptional reasons, the reasons should be  
recorded in writing.

Yours faithfully,

*Whickham*

for Director of public Instruction.

From the Director of Public Instruction R.C.No 2289 GI/48  
dated 15-II-48

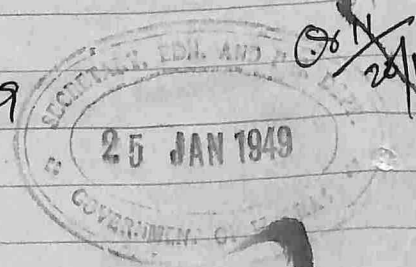

Order No 191 Education dated 26/11/48  
Ms

2/25/49  
It has been brought to the notice of Govt that  
transfers of teachers in secondary schools under district  
boards are often made during the middle of the school  
year. As such transfers are likely to cause dislocation  
of work and impair the efficiency of schools, the Govt  
consider that transfers of teachers in secondary schools  
should ordinarily be made only in the beginning of the  
school year and that to the minimum possible extent.  
For this purpose the special officers of District boards  
should hold a conference with the District

4 2. for  
Educational Officers and the Inspectresses of schools ~~in respect~~  
of boys' schools and girls' schools respectively and order transfer  
of teachers when schools reopen after vacation. Transfers  
should be made in the middle of the school year only for exceptional  
reasons which should be recorded in writing.

Note. The Director's recommendation in his letter in the C.F. may  
be accepted. The draft order may be sent to H.M.(Edn) for approval.
