Please see the L.A. Question below. It is a starred one. An advance copy ^{has} ~~is~~ being submitted to H.M.(Edn.) for perusal ^{separately}.

Clause (a) of the question:- Since the schools in the Palni and Kodaikanal Hills are being maintained by the local body concerned, (in this case, the Mathurai District Board), the teachers' willingness to work in the hilly villages will be better known to the District Board. No complaint has so far been received from the Dt. Bd. about the unwillingness of the teachers to work in hilly tracts. The answer may, therefore, be:

*No official complaint regarding this has so far been received. ^{so far!}

Clause (b) of the question:- The M.L.A. does not appear to be aware of the distinction between hill allowance and unhealthy localities allowance. Hill allowance is granted to all ~~the~~ teachers working on the hills, while the unhealthy localities allowance is admissible only ~~to~~ those who are not natives of the localities, under the rules in the Madras Manual of Special Pay and Allowances. In the circumstances, it is presumed that the M.L.A. refers to the unhealthy localities allowance, being restored to the natives of the localities in the hills. This question has been examined in detail in the notes in the linked file and final orders have not been passed on the question pending a report from the Collector of Mathurai.

Clause (c) of the question:- Representations have been made to Govt. on behalf of the teachers working on the Palni and Kodaikanal hills by the M.L.A. Please see the current file in the linked file.

Clause (d) of the question:- Final decision has not yet been arrived at in the linked file on the question.

~~In the circumstances,~~ A draft answer is submitted on the lines indicated above.

It may be circulated to H.M.(Edn.) for approval.
