20th November '48.

Sir, I am an overseas scholar who arrived in India on August 13th and reported my arrival to the Madras Govt and the Central Govt on the 15th of August 1948. As stated in Memo. No. 14471-C2/48-6, dated 18th August 1948, para 2, if a student is not offered an appointment within three months of the date on which he reports to the Govt, his return from abroad, he is free to seek employment elsewhere.

Since no offer has as yet been made to me, and since the 3 months waiting period, which was a very anxious one, has expired, I wish to try my luck hereafter elsewhere.

Thanking you,  
Yours faithfully,

From Sri G.V. Rao of 20.11.48

Sri G.V. Rao is an overseas  
scholar selected in 1945-6 for advanced  
studies in the "manufacture of agricultural  
implements" and is intended for absorption  
in the Industries (Coastal private enterprise).  
He reported his arrival on 15.11.48 and  
according to Memo No 14471 of 14.8.48 he is to be released from the  
bond of within 3 months of his return to  
Coast and unable to offer him a suitable  
employment. His letter reads above amounts  
to a request for release from the bond.

Cf

The Secy, Industries, Coastal, advised that the  
bond is being proposed to be 3 months may be  
extended by another 2 months if circumstances  
warrant such a course and the question  
is under consideration. It is suggested that  
pending a decision in that case the release  
of scholars from the bond is to be held over.  
As the question of this scholar's employment  
under continuation in Dev, the remarks  
of that Dept may be noted.

Mr G.V. Rao says that he arrived in India on 13-8-48 & reported to Govt on 15-8-48. E.P.H. says that the date is 15-11-48.

Which is correct? Out of the minute of H.B. which Govt (to) is putting up in every file that foreign trained students should be absorbed.

As with reference to the query of AS at A above, E.P.H. may be requested to state the correct date on which Sri G.V. Rao reported to this Govt about his arrival in India.

As regards 'B' above, a copy of H.B.'s minute is put up at flag (B).

The attention of E.P.H. may be drawn to the fact that Dept took a similar line in the case of Dr. Dakshinamurthy who has been offered his post by the Govt. This Govt. has accepted approval of this acceptance of the former is under consideration.

Please see the note of this Dept from the bottom of p1 above and the further notes of E.P.H. They have stated that Sri G.V. Rao reported about his arrival in India on 15-8-48 and not on 15-11-48 as stated by him. The question of with reference to 'M' above it is submitted that final orders have not yet been passed on the question of appointing Dr. C. Dakshinamurthy to the post of Soil Physicist. It is proposed to address the Govt of India in the top file, to release Dr. Dakshinamurthy from his post under the Govt of India for appt under this Govt. E.P.H. may therefore be requested to hold over the release of this scholar for some more. It is therefore for orders whether this case will

10/12/48

It is submitted that final orders have not yet been passed on the proposal to retain the services of Dr. Shasthinamurthy in this

Province. In that file legal held that a scholar gets released from the bond if a post is not offered within the prescribed time. They also pointed out that a post had been offered to Dr. C. Shasthinamurthy by the Govt of India within the prescribed time, he was not free to seek release from the bond.

2. It is submitted that the relevant point in this connection is as to whether Sri Gov. Rao is entitled to such release from the bond on the ground that a job was not offered to him within the prescribed time. EPH have since discussed with legal the aspects of this case relating to Sri Gov. Rao in the file relating to the appointment of Sri Gov. Rao as Asst. Research Engineer and have decided to allow his request for release from the bond.

Summary: Sri Gov. Viswanath Rao was selected in 1945-46 as a sponsored scholar for advanced studies in "Agricultural Engineering, Manufacture of Agricultural implements" with the intention to absorb him in the Industries or the Agricultural Dept on return. He returned to India on 15.8.46. Courses scholars have to be given within four months of their return to India, after which they have to be released from the bond if they do not go back for release. Sri Gov. Rao was considered by the Govt for the vacant post of Agricultural Research Engineer. There were two other candidates also.

for the same post one of him being an  
Overseas Scholar and the question of selecting  
a proper candidate for the post could not be  
decided soon. The period of waiting of five  
months in the case of Sri G.V. Rao was over on 15.1.49  
and he has informed Govt. that he is trying  
for employment elsewhere. It is understood that  
he has taken up a post in Paris under the  
UNESCO. It is therefore proposed to release him  
from the bond. Please see also letter under no.  
13220-21 NF dt 18.4.49. Order may be obtained in circulation  
on the file.

As we have not been able  
to offer employment to this  
overseas scholar in Agricultural  
Engineering, within the stipulated  
period of 5 months, we may agree  
to release him from the bond to serve  
govt.

can no suitable employ-  
ment be offered to such a  
person retained at Govt. expense?

In order to dispense with all the emergency appointment  
in the M.A.S., the Commn. ~~had been~~ <sup>was</sup> asked to select, among  
others, a candidate for appointment by direct recruitment,  
to the post of Agrl. Research Engineer in the M.A.S. The  
Commn. ~~had~~ selected Sri C.P. Raju for appointment to the post  
and the question of approving the selection was under the  
consideration of Govt. Just then, Sri G.V. Rao, <sup>an</sup> overseas  
scholar referred to in this file, submitted his application  
for appointment to the post. The question of <sup>approving</sup> ~~appointing~~ the  
selection made by the Commn. was then held up and the remarks  
of the D.A. were invited on the application of Sri G.V. Rao.  
The D.A. remarked that the qualifications of Sri G.V. Rao were  
far superior to Sri C.P. Raju selected by the Commn. and <sup>(that he)</sup> ~~was~~  
quite suitable for the post of Agrl. Research Engineer but  
suggested that there was no necessity to fill up the post at  
all. The Govt. however did not accept the D.A.'s recommenda-  
tions but addressed the Commn. to choose between Sri C.P. Raju  
and Sri G.V. Rao. Just then an application for the same post  
from another overseas scholar, ~~by name~~ Sri R. Krishnamoorthy,  
was also received by Govt. which was also sent to the Commn.  
While ~~declining~~ <sup>declining</sup> to comment on the merits of these candidates,  
the Commission reported that Sri G.V. Rao had by then left for Paris. The  
P.W.D. also <sup>informed this Dept.</sup> ~~reported~~ that the question of absorbing Sri R.  
Krishnamoorthy in the Electrical Dept. was being considered  
and that ~~he~~ <sup>the scholar</sup> need not be considered for apptt. in the Agrl. Dept.  
Thereupon the question of approving the selection of Sri C.P.  
Raju was taken up in this Dept. and orders were issued in  
G.O. 2261, Dev. dated 26-4-49 approving the <sup>Commission's</sup> ~~selection~~.

From the above it may be seen <sup>that</sup> every possible effort  
was made by this Dept. to utilise the services of overseas  
scholars in the Agrl. Dept. but ~~he~~ <sup>that</sup> Sri G.V. Rao ~~he~~ could not be  
actually appointed to the post, as he had suddenly left for  
Paris.

With these remarks the case may be returned to E.P.H.

Nothing can be done

take up the question of  
absorbing overseas scholars  
in advance of their return,  
which will be to their convenience
