R.O.C.264 M/49 Dated 12-5-49.

Sir,

Sub: Basic Education - Opening of a Basic Training School at Portonovo, South Arcot District under the management of the Seva Mandir - Portonovo.

The management of the Seva Mandir, Portonovo South Arcot District requested my permission to start a Basic Training School for women at Portonovo. Since all the necessary facilities for the opening of a Basic Training School at Portonovo were available, I had granted them permission to open one during 1949-50. To start with, the school will have one section of the Basic Higher Elementary Grade of 40 pupils from 1-7-1949.

As the trainees have to be paid a stipend of Rs.18/- per mensem each from the beginning of their course; I request Government to permit the incurring of an expenditure of Rs.5760/- during 1949-50 under the head stipendiary grants to Non-Government Basic Training Schools for payment of stipends to these trainees at Portonovo. The expenditure can be met from the savings in the allotment sanctioned for the opening of 17 new Basic Training Schools during 1949-50.

I request the favour of early orders.

Yours faithfully,

R.V. Rudra Phaswani,
for Director of Public Instruction.

Sub:- BASIC EDUCATION - Opening of a Basic Training School at Portonovo, South Arcot District - under the management of the Seva Mandir - Proposal - Approved.

READ: From the D.P.I., No.264-M/49, dated 12-5-49

ORDER (MS.) NO. 1924 EDN., DATED 13.6.49

The Govt. approve the proposal of the D.P.I. that a Basic Training School for Women, may be opened at Portonovo, South Arcot District under the management of the Seva Mandir, with effect from 1-7-49. The School may admit for training in basic education 40 candidates in the first instance. The Director is authorized to sanction a stipendiary grant to the institution for training the 40 students.

The expenditure on this account should be met from the appropriation under "37. Education - n. Special - Direct grants to non-Govt. Special Schools - A.General - ii. Post-war Reconstruction - n. A.(ii). 4. Basic Training Schools - Stipendiary - Voted " in the B.E. for 1949-50.

NOTE:- The D.P.I. has not mentioned anything about the teaching grant to be paid to the institution. This question may be considered when the D.P.I.'s specifically addresses the Govt. on the point. Finance may see for remarks before circulation.

Please see the letter from the DPI on p.1 CF. and the draft order put up by E.P.H. overleaf.

2. Ordinarily the proposal should be brought forward as a Part II scheme for the next year. In the present case the DPI has granted the permission for the opening of the new Basic Training School at Portonovo with effect from 1.7.1949. In view of this and of the present policy of the Govt. to further basic education in the Province, Finance need not object to the proposal being given effect to in the current year.

As the cost involved in the proposal exceeds Rs. 5000/- p.a. and as this is a 'new scheme', E.P.H. may be requested to obtain the approval of the Standing Finance Committee

and the Cabinet after ascertaining from the DPI whether the approval of the scheme will involve payment of teaching grant and, if so, what will be its cost.

Please see the notes of Finance on p.2 ante. From a communication, since received from the D.P.I., it is seen that the proposal to start a Basic Training School for women at Portonovo is not a new one. The Govt. have sanctioned the opening of 17 Basic Training Schools in the current year the cost of each school being as detailed below:-

COST FOR EACH SCHOOL

		Recurring	Non-recurring
		Rs.	Rs.
1. Staff	...	11,200	...
2. Stipends	...	17,280	...
3. Contingencies	...	1,000	...
4. Equipment	...	...	5,000
5. Rent	...	240	...
6. Books & Periodicals	...	...	1,000
7. Kitchen Utensils	...	...	1,000
8. Games materials	...	...	200
Total		29,720	7,200

The school to be started at Portonovo (dealt with in this file) is one of the 17 schools to be opened in 1949-50. Against the expenditure mentioned above to which the Govt. have committed themselves, for the opening of new Basic Training Schools, the expenditure proposed by the Director in 1949-50 in respect of the Basic Training School in this file is Rs. 5,760/- under stipends alone.

The teaching grant in respect of the institution will become payable only 1950-51. It may therefore be presumed that the Director will include the provision required for the payment of teaching grant to the institution in the Part I Estimate of next year. In any case, the grant payable will not exceed the cost of maintenance of a Basic Training School under Govt. In the circumstances, it does not appear
