SUBJECT: RELEXATION OF RULE 37 - ADMISSION TO FORM IV

Sir,

I enclose herewith copies of correspondence between myself and the educational authorities regarding the admission of my grandson, Sri S. Ranganathan, to Form IV in the Hindu High School, Triplicane. I seek a relaxation of Rule 37 of Educational Manual on the following grounds:

(1) I was a resident of Burma (i.e. Rangoon) for about 40 years and my son Sri R.S.Mani was brought up and educated at Rangoon. He was in Burma Secretariat and due to changed political conditions obtaining there, had to take leave and seek premature retirement from Burma Government Service. For all practical purposes we are refugees here and deserve all the sympathies that are given by Central and Provincial Governments.

(2) My grandson Sri S.Ranganathan before his provisional admission to Form IV was examined by the Headmaster, Hindu High School, Triplicane and found him fit for admission to Form IV. This was provisionally sanctioned by the District Educational Officer pending countersignature of the Transfer Certificate.

(3) His progress in Form IV from June to this date has been above average.

SUBJECT: RELAXATION OF RULE 32 - ADMISSION TO FORM IV

I enclose herewith copies of correspondence between myself and the educational authorities regarding the admission of my grandson, Bt. S. Ranganathan, to Form IV in the Hindu High School, Triplicane. I seek a relaxation of Rule 32 of Educational Manual on the following grounds:

(1) I was a resident of Bt. S. Ranganathan for about 40 years and my son Bt. S. R. Rami was brought up and educated at Bt. S. Ranganathan. He was in Bt. S. Ranganathan and due to changed political conditions obtaining there, had to take leave and seek premature retirement from Bt. S. Ranganathan Service. For all practical purposes he is a refugee here and deserves all the sympathies that are given by Central and Provincial Governments.

(2) My grandson Bt. S. Ranganathan before his provisional admission to Form IV was examined by the Headmaster, Hindu High School, Triplicane and found fit for admission to Form IV. This was provisionally sanctioned by the District Educational Officer handling correspondence of the District Office.

(3) His progress in Form IV from June to this date has been above average.

3

In the end I would request you to consider this case as a special one and regularise the admission of the boy to Form IV.

Thanking you,

Yours faithfully,

A.R. Sastri

Sir,

I have to bring to your notice the following facts for your kind consideration and decision thereon.

1. My grandson, S. Ranganathan, was provisionally admitted into IV form in the Hindu High School, Triplicane after being examined as to his fitness for admission to the above class. The Trasfer certificate from the B.E.T. School, Rangoon, which was sent to the Inspector of Schools, Rangoon, for countersignature was returned to the Headmaster, Hindu High School, Triplicane, saying that the above school was not a recognized school - no other reasons are given.

2. The B.E.T. School was a recognized aided High School in Rangoon receiving Government grants before the war. Since the declaration of war by Japan in 1941 the school had to be compulsorily closed and it was re-opened again in 1947 as a Middle School under the name B.E.T. Co-educational School. At present Government of Burma do not give any aid by way of grants to the private aided schools. Perhaps it may be due to this fact that the school has been treated as a non-recognized school.

3. At present there are no records available in the Government of Burma of the pre-war administration. Consequently that B.E.T. School was a recognized school under the Government of Burma could not be proved or established.

4. There are at present a complete change in the personnel of this Department and as a matter of fact, to my personal knowledge there would be few or no staff of the previous administration as most of them had retired or left the Dept. This would amount to saying that no one in the Dept. can speak from personal knowledge about this school.

5. When my family evacuated from Burma in 1941, the boy had to lose one year's study as the war declared in December 1941 and before the annual examination took place. In consequence thereof the boy had to lose one year's study as the family evacuated immediately after the declaration of war. He continued his studies in Simla during the evacuation period.

6. As the boy's father, Mr. R.S. Mani, B.Sc.(Hons), G.D.A., Asst. Secretary in the Government of Burma proceeded to Rangoon when the Govt. of Burma shifted to Rangoon. He took his family later and the boy's education continued in the B.E.T. School. In view of the change of policy of the Government of Burma in the matter of employing Indians in Government service, his father had his final discharge from the Government of Burma and took his family to India in April 1948.

7. On the reopening of the schools here the boy was admitted in the IV Form in the Hindu High School, Triplicane, provisionally with your sanction after being tested by the school as to his fitness for admission to IV Form. This will be certified by the Headmaster of the Hindu High School, Triplicane, Madras.

Sir,
I have to bring to your notice the following facts for your
kind consideration and decision thereon.

1. My grandson, S. Ranganathan, was provisionally admitted
into IV form in the Hindu High School, Triplicane after being
examined as to his fitness for admission to the above class.
The Transfer certificate from the B.E.T. School, Rangoon, which was
sent to the Inspector of Schools, Rangoon, for counter-signature
was returned to the Headmaster, Hindu High School, Triplicane,
saying that the above school was not a recognized school - and
other reasons are given.

2. The B.E.T. School was a recognized aided High School in
Rangoon receiving Government grants before the war. Since the
declaration of war by Japan in 1941 the school had to be compulsorily
closed and it was re-opened again in 1947 as a Middle School
under the name B.E.T. Co-educational School. At present Government
of Burma do not give any aid by way of grants to the private aided
schools. Perhaps it may be due to this fact that the school has
been treated as a non-recognized school.

3. At present there are no records available in the Govern-
ment of Burma of the pre-war administration. Consequently that
B.E.T. School was a recognized school under the Government of
Burma could not be proved or established.

4. There are at present a complete change in the personnel
of this Department and as a matter of fact, to my personal knowledge
there would be few or no staff of the previous administration as
most of them had retired or left the Dept. This would amount to
saying that no one in the Dept. can speak from personal knowledge
about this school.

5. When my family evacuated from Burma in 1941, the boy had
to lose one year's study as the war declared in December 1941 and
before the annual examination took place. In consequence thereof
the boy had to lose one year's study as the family evacuated
immediately after the declaration of war. He continued his studies
in Simla during the evacuation period.

6. As the boy's father, Mr. S. R. Mani, B.Sc. (Hons), B.D.A.,
Asst. Secretary in the Government of Burma proceeded to London
when the Govt. of Burma shifted to London. He took his family
later and the boy's education continued in the B.E.T. School. In
view of the change of policy of the Government of Burma in the
matter of employing Indians in Government services, his father had
his final discharge from the Government of Burma and took his
family to India in April 1948.

7. On the reopening of the schools here the boy was admitted
in the IV form in the Hindu High School, Triplicane, provisionally
with your sanction after being tested by the school as to his fitness
for admission to IV form. This will be certified by the Headmaster
of the Hindu High School, Triplicane, Madras.

Yours faithfully,
Sd/- A. Ramanatha Sastri

8. It will be a great hardship to the boy to lose one more
year's study owing to the technical difficulty arising out of the
non-countersignature of the Transfer certificate apart from the
anxiety and worry to the parents of the boy.

9. The boy had already lost one year's study in 1941 as noted
in para 5 above and if he is to lose one more year's study on account
of the technical objection, it will completely break the heart of the
boy.

10. Further the Government of Burma do not show any sympathy
towards Indians in Burma and of which a glimpse appears in the local
papers now and then. During the evacuation period the then Govern-
ment of India granted many concessions to the Burma evacuee boys such
as grant of school fees, exemption from passing in regional language,
maintenance allowance, etc. I do not consider that it is not too
much to expect a small concession from the authorities concerned to
overcome this technical difficulty.

11. In these circumstances, I now request you to consider this
case with sympathy and sanction the admission of the boy to the
Fourth Form as a special case. I understand that it is within your
power to exercise this discretion in exceptional cases. I sincerely
trust that this will receive your kind consideration and my request
will be granted. For which act of kindness, I shall ever be grateful.

SUBJECT: RELEXATION OF RULE 37 - ADMISSION TO FORM IV

Sir,

I enclose herewith copies of correspondence between myself and the educational authorities regarding the admission of my grandson, Sri S. Ranganathan, to Form IV in the Hindu High School, Triplicane. I seek a relaxation of Rule 37 of Educational Manual on the following grounds:

(1) I was a resident of Burma (i.e. Rangoon) for about 40 years and my son Sri R.S.Mani was brought up and educated at Rangoon. He was in Burma Secretariat and due to changed political conditions obtaining there, had to take leave and seek premature retirement from Burma Government Service. For all practical purposes we are refugees here and deserve all the sympathies that are given by Central and Provincial Governments.

(2) My grandson Sri S.Ranganathan before his provisional admission to Form IV was examined by the Headmaster, Hindu High School, Triplicane and found him fit for admission to Form IV. This was provisionally sanctioned by the District Educational Officer pending countersignature of the Transfer Certificate.

(3) His progress in Form IV from June to this date has been above average.

Please say whether study in an unrecognized school is treated as private study for purposes of Rule 37 M. E. R. It is presumed that it is only on this basis that the S. Ranganathan was declared ineligible for admission into a class above Form III. Please say whether the presumption is correct.
