and run by their religious order
convents. The term "Secondary High Schools" ^{maybe taken}
to refer to High Schools in general.

Information in respect of grants paid
for 1946-47 in during 1947-48 ^{maybe furnished}
as grants for 1947-8 will be assessed & paid only
figures for the preceding year may be given.
at the end of the current year and the information
required in that clause cannot be furnished now

Ref. Director's letter No. 827-D/48 of 5.8.48 regarding LA Q. no 285 - Grant-in-Aid Convent High Schools - & other General High Schools in Madras City.

It is presumed that the 4 high schools attached to Roman Catholic Convents are girls schools, that the number of other general high schools - 54 - are aided schools and the number excludes the 3 boys high schools run by Roman Catholic Missions. Please say whether the presumption is correct.
