The D.P.I. has suggested an answer to the question. The file may be circulated to

P.T.O

The D.P.I. has himself suggested an answer to the L.A. question.

Clause (a) :- The answer suggested by the D.P.I. may be accepted.

Clause (b) :- The Govt. have approved the proposal to construct a building at Maipadi for locating a basic training school. But it has not been decided so far whether the Basic training school at Moodibidri should be transferred to Maipadi as soon as the buildings at Maipadi are ready. If South Kanara Dist. should have two Basic Training Schools one at Moodibidri and the other at Maipadi there will be no need to shift the school at Moodibidri. On a representation from a member of the District Congress Committee, Moodibidri, the question whether the school should be transferred from the place has been raised. Please see the notes on pp.1-3 N.F. of linked file. The H.M. (F.D.) has stated that he will offer his remarks on the question after his visit to the place this month. In the circumstances, it seems sufficient to say that the matter is under consideration and that no decision has yet been arrived at.

Clause (d) :- The answer may be as suggested by the D.P.I.

Clauses (c) and (e) :- In view of the remarks under clause (b) above, the answer may be -- 'Does not arise.'

Clause (f) :- It is not known whether Sri Gopal Pai is entitled to a compensation. The question of paying a compensation will in any case arise only when the school at Moodibidri is actually shifted to Maipadi.

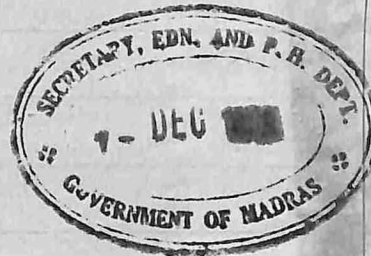

The Govt. have sanctioned a sum of Rs.1.20 lakhs for the construction of a building at Maipadi.

The file may be circulated to H.M. for orders as to whether an answer may be drafted on the lines of the note above.

SS.
27-11-48.

The answer may be as follows:-

(a) No. But it is understood that Sri G. Gopal Pai offered to construct sheds and rent them to Govt. for starting basic training school in his place.

(b) No. Orders have been issued to put up buildings for a basic training school at Maypady, but the matter of shifting the training school from Moodibidri is yet under consideration.

(c) Does not arise.

(d) No.

(e) and (f) :- Does not arise. Rs.1.20 lakhs has been sanctioned for building the basic training school at Maypadi.
