THE SECRETARY TO GOVERNMENT
EDUCATION AND PUBLIC HEALTH DEPARTMENT
FORT ST. GEORGE, M A D R A S.

R.c.No.1918 W3/48.

Sir,

Subject:- War -- Evaluation of Indian Army
First Class Certificate of Educa-
tion with English -- Requested for.

Reference:- (i) Letter No.13985 C1/46-9 Edn.,
dated 7--3--1947, to the
Government.
(ii) G.O.No.Ms.528 Edn., dated 9--3--46.

In the references cited above, Government have
declared that demobilised military personnel may be
admitted into the Elementary Grade Training class if they
possess the Indian Army First Class Certificate after
their fitness has been examined by a panel of examiners.

2. The question of equivalence of the Indian Army
Certificate of Education (I Class) with English has now
been raised by the General Staff Officer, H.Q. Madras,
Sub-area, Fort St. George, Madras. He sent copies of question
papers set for the examination in question for 46-47 and
48. for review and opinion and also about the suitability
or otherwise and their Civil equivalence. The question
was referred to the Principal, Teacher's College, Saidapet,
He is of opinion that the above Certificate with English is
equivalent to the S.S.L.C. and the holder of the Certificate
may be admitted to Secondary Grade Training.

3. The Army Certificate in question is of two kinds;
one in English and one in Hindustani. The valuation of the
Certificate with English ~~and~~ is now in question. In the
past this distinction between the English and the Hindustani
Certificates was not brought out. Specifically

4. I am of opinion that Indian Army Certificate of
Education (I Class) with English may be considered as equiva-
lent to S.S.L.C. and holders of this Certificate may be
admitted to Secondary Grade Training. Under the circumstances
I recommend that Government may be pleased to issue orders
accordingly.

Yours faithfully

K. Sankaranarayanan

The Secretary to Government of India,
Department of Education,
New Delhi.

Dated Fort St. George the 7th March 1947.

Sir,

Sub:- Ex-service personnel -- Employment in teaching
and other allied services.

Ref:- Your letter No.F.24-3/45-R dated 4-3-45.

With reference to your letter cited above, I am directed
to state that this Government have already issued orders granting
the following concession to ex-military personnel for undergoing
training as teachers:-

(i) Preference in the matter of admission to train-
ing institutions and liberal exemptions from age-rule secondary
grade training.

(ii) Exemption from payment of tuition and special
fees and also examination fees.

(iii) Acceptance of Indian Army special certificates of
Education as an adequate qualification for admission to secondary
grade training; and

(iv) Grant of stipends at the usual rates.

The rates of stipends for candidates undergoing training
as teachers have been raised from Rs.9/- to Rs.12/- per mensem
for Elementary grade and from Rs.12/- to Rs.18/- for secondary grade.
The rates of pay for teachers have also been raised along with

-2-
the general revision of salaries.

2. With reference to para 3 of the letter, I am directed to invite your attention to Letter No.372 Education, dated 22nd February 1946, in which the Government of India have already been informed that the Indian Army First Class Certificate cannot be considered equivalent to the S.S.L.C. granted by this Government. The holders of this certificate cannot, therefore be admitted for the secondary grade course of training. The qualification for admission to Elementary Grade Training Course is a pass in Form III or Standard VIII. The Government have permitted demobilised soldiers to appear for the E.S.L.C. Examination (VIII Standard) as private candidates irrespective of their general educational attainments. Demobilised Military personnel are also admitted into the Elementary grade training class if they possess the Indian Army First Class Certificate after their fitness has been examined by a panel of examiners.

3. As regards the suggestion made in para 4 of your letter, I am directed to state that unless there is detailed information about the syllabus, etc., of these courses, it may not be feasible to reduce the period of training.

4. A scheme for the further education and training of ex-service personnel has been sanctioned by Government in G.O. No.1167 Education, dated 12th June 1946. According to these order various concessions viz., exemption from payment of fees, books and maintenance allowances, are sanctioned to ex-service personnel studying in Arts and Professional Colleges. Though the scheme is at present confined to University education only, its extensions to "non-University" but "post-secondary" courses is under consideration.

5. The proposals mentioned below relating to training and employment of ex-service personnel are under consideration of the Government.

(i) A scheme for organising a special course in the Y.M.C.A. College of Physical Education for training ex-service personnel as Physical Training Instructors.

(ii) Appointment of soldiers with Army Trade Certificates as vocational and manual training instructors.

(iii) Training of demobilised W.A.C. (1)s as teachers and in subjects like Art, Domestic Science, Needlework Tailoring and Music.

6. With reference to Paragraph 6 of your letter, I am to add that the Government have already fixed the procedure for recruitment of ex-service personnel through the medium of employment exchange and the Director of Re-settlement and Employment.

7. A statement showing the actual number of services personnel (a) taken over and absorbed in the teaching and other allied and educational services and (b) being trained for the same in this Province will be furnished to you in due course.

Your obedient servant,
M.V.Subramanian,
Secretary to Government.
