Exemption may be granted

H. M. 10/5/49

Respected Sir,

I beg to bring the following to your kind and immediate consideration.

38699

I am an applicant for admission into the Engineering college, Madras. My date of birth is 15-4-1927, and I exceed the maximum age limit of 22 years for admission, by about 3 months.

After passing Intermediate, I also did two more years in B. Sc. Physics. I also applied for admission in the Engineering college last year in time, but due to the mistake of the postal authorities the application reached the college a week later than the due date and my application was not even registered. On a representation made to the then Education Minister, he assured me that he will grant me the necessary age exemption the following year.

I also wish to bring to your notice that I belong to the backward community being a Hindu, Vanniya Kula Kshatriya. I am very anxious to join the Engineering college.

Hence I request you to grant me the necessary exemption of ONLY 3 MONTHS and enable me to apply for admission into the Engineering College.

Thanking you,

Madras.

Dated - 19 May 1949.

I remain, Sir,

Faithfully Yours,

G. Ramakrishnan

Sub: colleges - Engg. - Admission of Sri G. Ramakrishnan - Age rule - Relaxed.
From Sri G. Ramakrishnan d. 19.5.49.
G.O. Ms. No. 1957 Edu. dated 16-6-49.
The Govt. direct that the age rule for admissions into the Govt. Engg. colleges be relaxed in favour of Sri G. Ramakrishnan, whose age exceeds the ^{prescribed} age limit of 22 years by about 3 months.

Br/Pr. G.

Sub: Colleges. Engg.-- Admissions. Age exemption
from J. Ramakrishnan, petition d. 19.5.49 addressed
to H.M. (Edu.)

Minute of H.M. (Edu.) on p/cif: "Exemption may be granted"
A.B.S.
19.5.49.

According to the Engg. college
rules, candidates for admission must be not
under 22 years of age on the 30th June of the year of
admission. But this age limit shall be extended by
two years in the case of Muslim and Ceylon Can-
dates, Candidates belonging to the Harijan Community
and those coming from the Agency tracts.

2. candidates otherwise qualified
but whose age exceeds the maximum limit
referred to above may be admitted, if the
strength of the class permits. Such students so
admitted shall be ineligible for scholarships
and prizes.

3. The petitioner states that
he exceeds the age limit by about three months.
He ~~is~~ comes under the category "Backward
Nonbrahmins" of a scheme entitled
for two out of every fourteen seats in the Engg.
colleges. There will be any number of candidates
available from this Community, within the
prescribed age limit and the need to relax
the age limit in favour of particular Candidates
will not therefore arise.

4. The view was also taken last
year that even when candidates ^(with the exception of) are not
forthcoming to fill up a particular group of seats,
relaxation of the age rule need not ^(necessarily) be ordered
in respect of candidates for whom the seats are
intended and who exceed the age limit presently

vide the minutes
of the previous
H.M. (Edu.) on
p/cif.

38699/49

It that the need to relax the age limits should be examined only when sufficient number of candidates within the age limit are not forthcoming to fill the seats in the Engg. colleges taken as a whole. There are also no papers in the Secretariat about A on page 1 of 5.

In the above circumstances, it is for consideration whether relaxation of the age rule should be ordered in the present case. The file may be circulated to H.M. (Edn.)

77.5.49

31/5/49

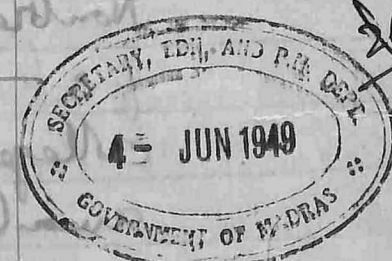

30/5/49. Perhaps in view of A, particularly the delay in the post of the application made last year, the age rule may be relaxed, without reference to the availability of other candidates
