Please see the proposal of the Cuddalore
M.C. at pages 1-2 of for the grant of advance
increments to the teachers in the elementary schools
managed by the Cl. with effect from 1.10.1947. The
annual extra cost on account of the proposal is
stated to be Rs. 1,758. The Cl. has asked for
permission to divert the necessary amount from the
A.T.C. grant for meeting the addl. exps. during 1948-49.
As A.T.C. grants have since been stopped, the Cl. want
a grant for on the Cont. for meeting the addl. exps.
during the current (and presumably the coming)
years. This is a natural consequence of the Cl.
having no surplus funds in its E.E. Account.

2. Attention is invited to the top file in
which the E.E. & Budget of the Cl. for
1949-50 has been examined. It will be
seen therefrom that the R.E. for 1948-49 just
balances each other, but the B.E. for 1948-50
closes with a large deficit of Rs. 13,352. It is
proposed to ask the Cl. to increase the rate of
edu. tax by 15 percent per half year
for meeting the above deficit. So S.
unless the Cl. is willing to increase all the rate of
edu. tax still further to meet the addl. exps.
on account of the grant of advance increments
and weightage, the Cls. proposal cannot be
agreed to

ed to. 7 orders whether the Cl. may be informed accordingly.
L.A. may see for remarks, if any.

L.A. H. note above may be perused.
In the circumstances states this dept may agree to A on plants. With this remark the case may be returned to S.P.H.

20-5-49
20-5-49
The total rate of taxes on property (inclusive of edn tax) more levied in the mpty is 25 3/4%. per annum. There is no scope to increase the rate of edn tax for meeting the deficit as well as to meet the charge on account of advance increments.

If the advance increments are sanctioned, Govt will have to foot the bill in the shape of grants for dearness allowance. The proposal to grant advance increments may be rejected straightaway. Mr
