National Cadet Corps - Senior Division - Formation of the 2nd Madras Medical Company

Memo No. 7879-B1/48-51 Edn D 2/9/48.

The S.G. is informed that it has been decided in consultation with the Director, National Cadet Corps that two Infantry battalions of four companies each and one Engineering Unit should be formed in the current year with the existing battalions of the N.O.T.C. Madras, and that officers to be sent out for training for the remaining units should take the training during the summer vacation and that the units should be raised early in the next academic year. The officers who are proposed to be sent out for training during the summer vacation should first go before a preliminary Board of Selection in November or December. The medical unit allotted to this Province should consist of 60 cadets and two officers. The S.G. is requested to report in consultation with the Vice-Chancellor of the Madras University whether it will be possible to raise the unit from the next academic year and if so to forward ~~report~~ report at a very early date the names of the officers to be deputed for training. In this connection he is requested to furnish information whether there are any medical officers trained for the N.O.T.C. and the number of students from the medical colleges enrolled for the N.O.T.C. units. The S.G. is also requested to state how it is proposed to allot the 60 ^{cadets} to the colleges in Madras, whether it will be one ^{cadet} for each college.

With reference to your letter regarding the raising of a Medical
Unit of the National Cadet Corps, I note that it is proposed to start
this Unit only from next academic year. It will be necessary as
suggested, to send two Officers for training for the special Unit,
and this may be done by you in consultation with the Principals of
Colleges. It is possible that they will have to appear before a
Selection Committee, and for this reason it would be desirable to
have one or two spare names. The allocation of the 60 cadets be-
tween the two Colleges may be decided by you, as the Principals do not
seem to be in agreement.

I am already making arrangements with the Madras Area Headquarters
for the training of Officers for the Infantry Battalions and the
Engineering Unit. As soon as I hear from you, I shall also make
arrangements for the training of Officers for the Medical Unit.

I am directed to address you on the question of formation of the 2nd Madras Medical Company in this Province during 1949-50. As already stated in my letter no 7849 Pl/48-62 Edu of 20.10.48, this Govt have decided to limit the number of cadets for the Senior Division to be formed in this Province to 2000. The strength of the 1st + 2nd Madras BN next the 3rd Madras Engineer Platoon is 1310 cadets and the strength of the Infantry BN of 2 companies to be raised by the Andhra Pradesh University and of the Independent company to be raised by the Annamalai University in the next year will be 465 making a total of 1775 cadets. There will still be left provision for raising 225 cadets. In the ex-G.O.T.C Madras, there was a medical Company with a strength of about 150. The S.G with this Govt has reported that it is quite possible to raise the medical unit from the next academic year and there are already two officers with University Training Corps experience - He has also suggested the allocation of units to the two medical colleges at Madras and the names of officers to be for training. A copy of this letter Ref. no 35580

Res 1/48 of 4.11.48 is enclosed. I am directed to enquire whether the formation of the 2nd Madras Medical Company in 1949-50 will be approved by the Directorate & whether it will be possible to make arrangements for the training of officers. An estimate of cost of raising and equipping this unit may be furnished so as to enable this Govt to make necessary provision in the budget if the proposal is approved.

21 MAR 1949

Sir,

I have been informed by the Joint Civil Army Selection Board which was held on 18.3.49 that I am selected as an officer in N.C.C. Medical Unit. I understand that training starts on 15.4.49. I have been a Medical Officer (ex. I.M.S. - emergency commissions) for nearly 5½ years and have seen service in the Middle East and South East Asia Command. After I was demobilized, I was given the honorary rank of Capt. I shall be obliged if following points are clarified.

- (1) What rank I may be given.
- (2) Any training necessary.

Remarks.

- 1) I feel that Capt. R. Anant Narayanan should NOT be given lower rank than what he is at present holding.
- 2) Since he has seen active service conditions, I see no point of sending this officer for any further training.

Yours faithfully,

R. Anant Narayanan

showing the allotment for the unit, provision has been
made only for the items of expenditure which have
been accepted in respect of Senior Division units. No
provision has been made for the cadre camp as the
of expenditure for this camp may be called for and
sanctioned separately later on, if the camp is held in
the current year. Similarly no amount has been
provided for payment of fee to cadets & officers for
