D. Dis. No. 14098/48.

Dated 22-12-1948.

Sir,

Sub:- Budget Estimate-Cuddalore Municipality-Elementary Education Fund Account -1949-50-Submitted.

Ref:- Letter C.No. 2311-B1.48 dated 3-11-1948 of the Director of Public Instruction, Madras.

I submit herewith the revised estimate for 1948-49 and the budget estimate for 1949-50 in respect of the Elementary Education Fund Account of this Municipality with the prescribed enclosures in duplicate. A copy of the Municipal Council's resolution No. 782 dated 16-12-1948 approving the same is also enclosed.

The marked variations between the actuals for 1947-48 and the revised and budget estimate have been explained in the explanatory note submitted herewith. As stated therein, there is no proposal to increase the staff or decrease it except that for the appointment of a Supervisor for the Elementary Schools. I have applied separately in my letter Roc. No. C.1.10501/48 dated 22-12-1948 for sanctioning the creation of this post with effect from 1-4-1949.

The sanctioned budget for 1948-49 was expected to close with a deficit of Rs 6843/-, but it was ordered by the Government that this amount may be made good from the arrear toll compensation. In the revised estimate for 1948-49, the deficit has increased from Rs 6843/- to Rs 9397/- and as per G.O. No. 1097, L.A., dated 2-6-1948, this deficit will be drawn from the arrear toll compensation of Rs 32486-1-0 sanctioned to this municipality. The budget estimate - ordinary - for 1949-50 closes with a deficit of Rs 13807/- and the Municipal Council in its resolution No. 782 dated 16-12-1948 requests that the Government may be pleased to sanction this amount as a grant from the Provincial funds.

In this connection I submit that besides Rs 14000/- contributed from the General Fund ordinary, a sum of Rs 2000/- has been allotted in the General Fund Budget estimate as contribution to the Elementary Education fund account towards expenditure of a Capital nature. Detailed proposals in this respect will be submitted separately. The General fund account will not permit any further contribution and so the request of the council for a grant from the Provincial Funds.

The teachers in the Elementary Schools have not yet been given the weightage and the Government have been addressed in my letter Roc. No. C.1.10357/48 dated 18-10-48 to sanction the payment of the weightage and to incur the additional expenditure from out of the arrear toll compensation. As no orders of the Government have been received yet, provision has not been made in the budget estimate for this additional expenditure and in the event of the Government ordering the payment of weightage, the additional expenditure will also have to be sanctioned as grant.

T.D.

Forwarded,

Chairman, Municipal Council, Cuddalore.

Explanatory note to accompany the Budget Estimate of the Elementary Education Funds of the Cuddalore Municipality for the year 1949-50 and the revised estimate for 1948-49.

RECEIPTS.

1. Education Tax:- A credit for Rs 8550/- only was taken in the budget estimate for 1948-49 as sanctioned by the Government in G.O.No.Ms.320, Education, dated 19-2-1948. As a result of the general increase in house tax due to the enhancement of the monthly rent of buildings, the demand under property tax ~~tax~~ has increased during the 1st half year of 1948-49. Based on this demand, it is expected that a sum of Rs 9350/- will be realised during the year under Education tax and credit has been taken accordingly.

2. Government grant under section 37 of the Elementary Education Act.
As per the audited accounts of this municipality for 1947-48, a sum of Rs 8724/- has been collected towards education tax for that year. Deducting the refund of Rs 50/-, the net receipt amounted to Rs 8674/- and a credit for Rs 8670/- has been taken in the revised estimate for 1948-49.

3. Contribution from General Funds:- The contribution of Rs 14000/- made in 1948-49 from the General Fund Accounts has been retained in the revised estimate and credit has been taken for a similar contribution during 1949-50. A contribution of Rs 2000/- will be made from the General Fund account towards expenditure of a capital nature during 1949-50.

EXPENDITURE.

1. Staff - Salaries and allowances - Masters:- As a result of the grant of dearness allowance to the teachers at the rates sanctioned for Government servants, the expenditure under this head has increased and due provision has been made in the revised estimate for the purpose. As a result of this additional expenditure, the budget estimate for 1948-49 which otherwise would have closed with a deficit of Rs 6343/- will now close with a deficit of Rs 9397/-. ~~will be made~~ As per instructions contained in G.O.No.1097, L.A., dated 2-6-1948, this deficit of Rs 9397/- will be made good from the arrear toll compensation of Rs 32,486-1-0 sanctioned to this municipality and due credit has been taken in the revised estimate.

Except for the provision made for the appointment of a supervisor for Elementary Schools, there is no proposal to increase the existing staff or to reduce it. The budget estimate ordinary for 1949-50 is expected to close with a deficit of Rs 13807/- and the Council has requested that this amount may be given as a grant from the Provincial funds so that the deficit may be wiped off.

Provision is made for this contribution in the R.E. for 1948-49 as well as in the B.E. for 1949-50. In the orders on the B.E. for 1948-49 the Council was permitted to adjust a sum of Rs.6,843/- of the A.T.C. to the Ele.Education Account to avoid a deficit under that Account. The Council however proposes to adjust a sum of Rs.9,400/- of the A.T.C. to the E.E. Account to meet the increased expenditure on account of the payment of D.A. at enhanced rates to the teachers. This need not be objected to. The E.E. Account for 1949-50 is expected to close with a deficit of Rs.13,807. The Council has applied for a grant towards this deficit. This is a matter for consideration in E & P.H. Department. In addition to the contribution of Rs.14,000/- referred to above the council proposes to contribute a sum of Rs.2,000/- from the General Account to the Ele.Education Account-Capital. The contributions provided in the estimates may stand.

Ref: From the Commissioner, Cuddalore Municipality, No.14098/48 dated 22-12-48.

From the D.P.I. No.65 B3/48 dated 14-1-1949.

The R.E. for 1948-49 and the B.E. for 1949-50 of the E.E. Fund of the Municipal Council, Cuddalore, call for the following remarks:

2. R.E. for 1948-49: (i) The credit taken for a Govt. subsidy of Rs.8670 under Sec.37 of the E.E. Act should be raised to Rs.8673.

(ii) The credit taken for a Govt. subsidy of Rs.10,180 under proviso to Sec.37 of the E.E. Act should be raised to Rs.10,181.

(iii) The contribution from the General funds of Rs.14,000 is in accordance with the sanctioned budget.

(iv) The adjustment of Rs.9,400 from the Arrear Toll Compensation to the E.E. Account may be allowed. This has been agreed to by L.A..

(v) The provision made under the head "Expenditure - Ordinary" is in excess of that provided in the sanctioned budget by Rs.4,730. This may be approved.

(vi) Revised with reference to the suggestions above, the R.E. will close with a balance of Rs.7.

grant equivalent to the amount of deficit may be sanctioned from Provincial funds.

4. But this question of grant can be considered only if all other sources of revenue are exhausted. The Council is levying ^{education} ~~correction~~ tax at one per cent of the annual value of properties. This is expected to yield Rs.9,750 in 1949-50. If the tax is increased by $1\frac{1}{2}$ per cent per half year with effect from 1-10-1949, an additional income of Rs.7312 will be realised by the Council during 1949-50, and the deficit will be reduced to Rs.6040. The question of paying a subsidy to cover this may be examined after the actual closing balance on 31-3-1949 is known. L.A. and Finance may see for remarks.

The closing balance as per the audited accounts of this
Municipality for the year 1948-49 under General Account ordinary
and the Elementary Education Account are furnished below:

- 1) General Account:
Ordinary Rs. 45563-13--5
- 2) Elementary Edu-
cation account.
Ordinary Rs. (-)2921--3--0

The deficit balance in the Elementary Education Fund Account
was due to the fact that a sum of Rs.4119--0--0 was transferred to Capital
for expenditure in connection with the construction of an Elementary
school in Pallikuppam on a half grant basis. The grant was not drawn
in 1948-49 and so the entire expenditure was met by transfer of funds
from its ordinary receipts. The Government grant of Rs.2561/- was
actually adjusted to the credit of the municipal funds on 14-9-49 and the
above deficit will therefore be wiped off.
