general educational qualification

The Government have in their order No.1405 Education and Public Health Department dated 31st May 1948 directed - that the minimum required need not be insisted on in respect of women secondary grade teachers upto 31-5-50. Such exemptions have been granted by the Government from time to time in previous years also. (vide G.O.No.799 Education dated 26-5-42, G.O.No.823 Education dated 27-5-44 and G.O.No.2250 Education dated 23-11-1946). As under the service rules, the minimum general educational qualifications prescribed for -- appointment as a secondary grade teacher is the possession of a S.S.L.C.(eligible for public service) plus a completed T.T.S. of the Secondary Grade, I request to be enlightened whether the appointment of teachers who do not possess the minimum -- general educational qualification but who were appointed with reference to the above G.Os. mentioned above may be regularised and whether they may be confirmed in their posts in -- available vacancies.

I request the favour of an early reply.

Yours faithfully,

for Director of Public Instruction.

I have the honour to invite your kind attention to your Proceed-
ings cited above, and to request the favour of orders on the
following:--

A Secondary Grade teacher Mrs. R.Sathyavathi, who has been
officiating under Rule 9(a) (i) since 1940, for want of marks
prescribed for Public Services, has now to be regularly appointed
as per the above cited G.O.. But if she has to be regularly
appointed, from the date of her entertainment in 1940, the question
of payment of arrear increments arises. Kindly let me know whether
it is permissible to regularise her services from the date of enter-
tainment in 1940 and fix her pay in the Time Scale taking the
period of service rendered into consideration without granting her
arrears salary that will be due to her by doing so or whether she
may be treated as having been regularly appointed, only from 1-1-48
to avoid arrear claims over one year.

Parle no. 48

According to the general rules for the
Provincial and Subordinate Services, Secondary
Grade Teachers should possess a Secondary School
Leaving Certificate (with eligibility for public
service) and a completed Teachers' Training
Certificate of the Secondary Grade. Since 1940,
on account of the dearth of qualified women
Secondary grade teachers, the Government directed,
from time to time, that the above qualifications
need not be insisted on such teachers and
that the DPO should take necessary steps to
secure the services of qualified teachers for
future vacancies. The Government have recently
extended the above concession till 31st March, 1950 -
Vide G.O. MS. no. 1405 Edn. dated 31.5.48. The
DPO now requests to be informed whether the
teachers in question (who do not possess the
prescribed qualification; but who have been
appointed as such with ^{the} relaxations referred on
p.148) may be regularized and whether they may
be confirmed in the vacancies available. The
number of women teachers for appointment in the
Madras Educational Subordinate Service ~~has~~ ^{is} not
yet adequate and it is not known for how long
the dearth of such teachers will continue. It also
does not seem proper to retain the existing un-
qualified women teachers indefinitely on a temporary

basis. It is therefore for consideration whether these teachers may be allowed to be confirmed in the vacancies now available.

2. The file may be sent to Pub (Service) and Finance v.o. for remarks prior to circulation.

Before sending this case to Public, it would seem desirable to get an idea of the number of vacancies in the cadre of Secondary grade teachers (women) and also details of about the women teachers whom the D.P.I. wants to confirm. These may be called for from the Director.

MADRAS EDUCATIONAL SUBORDINATE SERVICE - Mrs. R. Sath-
yathi - Secondary Grade Teacher - Regularisation.

From the Director of Public Instruction, R.C.No.699-13/48
dated the 13th February 1950.

Since 1940, the Government, on account of the
dearth of qualified women secondary grade teachers, have
been directing, from time to time, that the possession of
the minimum general educational qualification need not be
insisted on in the case of such teachers. As many of the
women secondary grade teachers were working for a very long
time under the emergency provision, the question of regu-
larising ^{their appointments} ~~them~~ was considered. It was decided that as the
~~special rules for the M.E.S.S. women secondary grade teachers~~
need not possess the minimum general edl. qualification
under the special rules for the M.E.S.S., ^{their service might} ~~they may be~~
regularised and ^{they might be} ~~confirmed~~ in the existing posts. Orders
were accordingly issued in G.O.No.1983 Education, dated the
20th ~~the~~ June 1949.

2. The Director of Public Instruction has reported
that Mrs. R. Sathyavathi, a secondary grade teacher, was
appointed under rule 9(a)(1) ^{of the general rules} ~~in~~ 1950, and ~~she~~ ^{that her appointment} has to be
regularised now according to the ~~orders~~ G.O. referred to
in para 1 above. The Director requests to be informed
whether ^{the appointment} ~~she~~ may be regularised from the date of her first
appointment or from 1-1-1948 to avoid arrear claims over
one year. According to rule 20(a) of the General Rules for
the Madras Provincial and Subordinate Services, teachers
appointed, at first, under the emergency provision, may be
~~Commenced provision~~ ^{regularised} from the date of subsequent appointment or
from such earlier date as the appointing authority may
determine. There ^{is no} ~~is~~ objection to the teacher's appoint-
ment being regularised from the date of her first appointment
in 1940, but it will result in the payment of arrears for
a period of ten years. The Director may ^(therefore) be informed that

the teacher's appointment may be regularised from the date of her first entertainment, in 1940, subject to the condition that no arrears need be paid upto 1-1-1950. without any claim for arrears of pay for the period prior to 1-1-50.
