In G.O.No.600 Education, dated the 5th March 1949, the Government directed that the Director of Public Instruction should be the controlling authority for the expenditure on the units of the N.C.C. (Senior and Junior Division) already raised and proposed to ^{be} formed in future, as the expenditure is met from Provincial funds and debited to the Edn. budget head, "37. Education - V. - General - Miscellaneous - A. General - (1) Excluding Postwar Reconstruction - II. National Cadet Corps". The Officers Commanding the three units of the Senior Division already raised (1st and 2nd Madras Infantry Battalions, Madras and Trichirapalli respectively and the 3rd Madras Engineer Centre, Guindy) have been instructed to submit to the Director monthly statements of expenditure in respect of their units from the beginning of 1949, as is being done by the subordinate officers of the Education Department. The Director has also been asked to issue necessary instructions to the Officers Commanding on the preparation and maintenance of accounts.

2. In future, the estimate of expenditure in respect of the units of the N.C.C. already raised will have to be included in the Part I of the Budget Estimate every year. As the Director has already been made the controlling authority for the expenditure on the raising and maintenance of the N.C.C. units, he will only be able to estimate exactly the actuals for the previous year and the Revised Estimate for the ~~current~~ year. In the circumstances, the Director may also be made the estimating authority for expenditure on the N.C.C. units in this Province. The Officers Commanding the NCC units may be asked to send to the Director in October every year, ~~if necessary~~

the Budget Estimate for the next year in respect of their units so that the D.P.I. may consolidate them & send a consolidated estimate to Govt
