R.o.c.No.C3.19276-47, Dated 26-3-1949.

Sir,

SUB: ESTABLISHMENT - Salem College - Sri A.G.Srinivasan,
~~Lecture~~ Librarian - continuance of - sanction -
requested.

Ref:- G.O.No.Ms.2. Edn., dated 3-1-1949.

In the Government Order cited Government have stated that there is no objection to the appointment of Sri A.G.Srinivasan, B.A., as Librarian, Salem College, on a temporary basis under Rule 2 7-A of the rules relating to the establishments under Municipal Councils from 10-9-48 till the end of the academic year or till a qualified candidate becomes available whichever is earlier. The Salem College closed for summer vacation on 18-3-49 afternoon and will re-open on 20-6-49.

Advertisement was made in the Hindu on 26-12-48 inviting applications from qualified hands for the above post. One Sri U.S.Narayana Rao, qualified person again applied for the post. Orders appointing him as Librarian was issued on 24-1-49. He declined to take up the appointment since he had got a job at Nagpur in the meanwhile on a higher salary.

As already reported in my letter No.C3.19276-47 dated 27-10-48 the Library had to be kept closed for months together for want of a qualified Librarian. On account of the incompetency of the previous Librarian who also stated away from duty, the library was in a bad condition. The library catalogue is also out of date. New additions after the printing of the present catalogue have not been incorporated therein. Old and worn out books unfit for study have not been removed from the list. The present librarian joined duty only on 10-9-48. He could not bring the library up-to-date as he has to attend to the daily requirements of the ~~members~~ of the staff as the College was working.

The library can be rearranged and brought up-to-date only during the holidays when there will be no issue of books. The catalogue requires revision. New books ordered for the year 1948-49 are also being received from the respective companies. For carrying out all these works and make the library really useful to the students at least from the reopening of the College next year., the continuance of the present librarian Sri A.G. Srinivasan who has picked up some experience is necessary.

I therefore request that the Government may be pleased to sanction the continuance of Sri A.G. Srinivasan till a qualified candidate becomes available or till 31-7-59 whichever is earlier. Advertisement will again be made in June '49 and qualified candidate will be appointed, if available.
