Re. A.2. 4342/47 dated 21-10-48.

Sub:-- Secondary schools Drawing Masters-Fixation of pay-
orders Requested-

Ref:-- G.O. No. 975 Education dated 10-5-47, and Government-
Memo No. 73910 B.1. 47-2- Education dated 11-10-47.

I have the honour to report that the qualifications prescribed for a drawing Master in Secondary schools is "a technical teacher's certificate in Drawing not lower than the Higher Grade" and the scale of pay fixed for such persons is Rs. 40-1 1/2-70. There are two drawing masters in the Secondary schools under this board who have recently passed "Free hand and out line in Drawing in Higher Grade". But they have not obtained a technical teachers certificate in drawing. They are being paid only Rs. 25/-P.M. allowed for untrained men. They have applied to this office to grant them the minimum of the revised scale of pay fixed for drawing Masters in the scale of Rs. 40-1 1/2-70. On a reference made from this Office the Divisional Inspector of schools Mantapur replied that they should be paid only Rs. 25/- since they have not acquired the technical teachers certificate.

In this connection I submit that the Government in their Memo No. 73910-B.1.47-2 Education dated 11-10-47 have permitted Sri. K. Raghavaiah a Hindi Pandit to draw the minimum of Rs. 40/- in the scale of 40-1 1/2-70 fixed for Hindi Pandits though he has not undergone the Pracharak Training. If the same concession is extended to the Drawing Masters they will draw the minimum pay of this scale but earn increments only when they secure Technical teachers certificate.

Of the two teachers one teacher has since left the service and many schools under the Board are without Drawing Masters due to dearth of hands. I therefore request that the Government will be pleased to permit the drawing masters who have passed free hand and out line in drawing in Higher Grade to draw Rs. 40/- the minimum of the time scale of pay.

Sub:--Dt. Board--Kurnool- Secondary schools- Drawing masters who do not possess technical teachers certificate of the Higher Grade in drawing but have passed free-hand outline in Drawing in Higher grade. Fixation of pay as Rs. 40/- p.m. approval requested.

2. In the circumstances explained by the Special Officer, Dt. Board Kurnool it appears to be a hardship if such of the drawing masters as are referred to by him are considered unqualified for purposes of pay and allowed the salary of Rs. 25/- fixed for untrained teachers in the revised scales since they will acquire a technical teachers certificate of the corresponding grade under the provisions of Rule 147 M.E.R. after entering service in recognised secondary institutions.

3. I therefore recommend that such instructors be allowed a salary of Rs. 40 p.m. (fixed) which is the minimum of the time scale of pay Rs. 40-12-70. The increments being granted only on the acquiring the above qualification and that Government may be pleased to issue general instructions in the matter.
