Sir,

Sub:-- Grant--Building--Mc. Dougall Memorial
Nursery School, Madras.

ENCLOSURES.....

SPARE COPIES.....

I have the honour to address Government on an application for building grant received from the management of the Mc. Dougall Memorial Nursery school and to state as follows:--

This school has been in existence since 1943 and was recognised and admitted to aid from 1948-49. The peculiar feature of the school is that it is situated in a slum area and takes care of the slum children while their poor mothers are at work during the day. Considerable sums of money have also been spent annually by the management on feeding the children. The school has thus been rendering social service unobtrusively, and sincerely all these years among the slum population. The work has benefited all communities and during 1948-49 there were 24 Hindu and 7 Christian pupils on the rolls.

2. The school was started in a rented building but later the management took a loan, and purchased a site and constructed a building for the school.

3. The Alumnae Association of the Women's Christian College which is the managing body, can hardly manage to find funds to pay up the loan on which the school building was constructed and the site purchased. The old students are scattered all over the Presidency and only a few of them can afford to pay contributions of any substantial nature. Even such contributions as are received, are needed for the day to day expenses of the school. In the circumstances, I recommend that the Government may be pleased to place this building scheme on their list of approved schemes. The grant, if sanctioned by the Government will be paid on the evaluation of the cost of site and buildings by the Public Works Department.

4. As the school is doing good work among the slum children and as it is only on rare occasions that applications for grant are received from Special schools of this type, I request that the Government be pleased to consider the proposal favourably.

5. In this connection I invite your attention to the orders contained in G.O. No. 2922 Education dated 19-11-48 wherein Government were pleased to sanction grants in respect of works already commenced

Reference:- Your Post Copy of T.M. No.28496/49-1-B-2-Edn.,
dated 30-4-49, regarding grant for the building
scheme of Mc. Dougall Memorial Nursery School,
Madras.

The building scheme has cost the Managing Body of
the Mc. Dougall Memorial Nursery School Rs.20,000/-. The
probable amount of grant that may have to be paid is Rs.10,000/-.

2. No limits have as yet been fixed by the Government
in respect of grants to special schools. However, in view of
the fact that a special school is a type by itself, and each
special school is different from the other of its kind, it is
recommended that each case may be examined on its merit and
grant fixed. To obviate invidious distinctions, it is *Suggested*
that a half-grant basis is the most suitable.
