34768 Sir,

I have the honour to state that in G.O.Ms. No.869 Edn., dated 14-4-1948, Government sanctioned a special pay of Rs. 5/- each per mensem to the Upper Division Clerks in charge of supervisory work of sections 'A' to 'E' in this office. The examinations in Indian Medicine are also conducted by the Commissioner for Government Examinations and a permanent Lower Division Clerk has been sanctioned for this work. This clerk has hitherto been attached to the 'A' Section of this office and on account of the increase in work in the 'A' Section and the work connected with this examination it has not been possible for this section head to supervise the work of the clerk. Hence the work of this clerk is now being supervised by another Upper Division Clerk of this office who, besides attending to other items of work, has to supervise this work also. Further, the Government have ordered that the Commissioner for Government Examinations should conduct the examinations connected with the College of Indian Medicine also and they have sanctioned an Upper Division Clerk in the scale of Rs. 80-125 for four months in a year vide G.O.No.1403, P.H., dated 18th April, 1949. The Government are, however, being addressed again for relaxing the restriction imposed in this order. A separate section called 'G' Section has, therefore, been formed in this office for work connected with the examinations in Indian Medicine, viz., L.I.M., Compounders, H.P.I.M., and College examinations. The section head has, besides supervising the work of the other clerk, to attend to certain important and confidential items of work relating to the Examinations himself. In these circumstances, I request that Government may be pleased to sanction with effect from 1-4-'49, the payment of a special pay of Rs. 5/- per mensem, to the Upper Division Clerk in charge of 'G', Section of this office.

Sir,

Reference:- Government Memorandum No.34768/G2/49-1,
Education, dated 18-5-1949.

I furnish below the information required by Government. The subjects dealt with by the sections are noted within brackets.

A Section (Accounts, Etc. work).

1 Upper Division Clerk with 7 Clerks under him.

B₁ Section (S.S.L.C. Public Examination Work.)

1 Upper Division Clerk with 5 Clerks under him.

B₂ Section (S.S.L.C. Public Examination Work.)

1 Superintendent with 6 Clerks under him.

C. Section (T.S.L.C., Etc. Examination Work.)

1 Upper Division Clerk with 4 Clerks under him.

D. Section (Government Technical, Etc. Examination Work.)

1 Upper Division Clerk with 4 Clerks under him.

E. Section (VIII Standard Examination and Text-Book Committee Work.)

1 Upper Division Clerk with 4 Clerks under him.

There are now 2 sections connected with the S.S.L.C. Public Examination work on account of the large volume of work to be dealt with by that section, one in charge of an Upper Division Clerk and another in charge of a Superintendent sanctioned in G.O.Ms.No.2111 Education, dated 24-8-1948.

In the 'A' Section, Accounts work and Examination work relating to the Indian Medicine, Sanskrit Entrance and European Schools Examination are being attended to. This section consists of 8 clerks and it is now proposed to separate the Examination work and form a separate section. Indian Medicine Examination work is an important item involving a lot of work and this examination is held twice in the year. In recent years, there has been an abnormal increase in the work of this office and for the conduct of each one of the examinations there is a separate section. Hence, for the efficient and expeditious despatch of examination work, a separate 'G' Section for work connected with Indian Medicine, Sanskrit Entrance and European Schools Examination work consisting of 1 Upper Division Clerk with 2 clerks under him has now been formed. The Section Heads in this office have

have not merely supervision work but have to attend to certain items of original work themselves.

Besides the Permanent Clerks, a number of Temporary Clerks employed for seasonal work are also attached to the several sections and their work has also to be supervised by the Section Heads.
