C.No.805-W1/49 dated 14th May 1949.

NATIONAL SAVINGS SCHEME--Formation of Savings Groups--Permission
to School teachers to take up the activities requested.

The Assistant National Savings Officer, Vijayavada had made a
suggestion to the Headmaster, Government Muslim High School, Guntur, that
savings groups in each class under the Citizenship Training Scheme may
be formed and that the children may be taught thrift and induced to get
savings minded for their prosperity in life after their education. Every
savings group will be put under the leadership of the concerned class
Teacher or a member of the staff.

I agree with him that some good will result out of such a
scheme and propose that all institutions in the Province may adopt the same
scheme with advantage. Since however Government have not laid down
any rules to the effect that Government servants can take active part
in the formation of savings groups etc. I request the orders of
Government in the matter.

Yours faithfully,

K. Hanumanth

For Director of Public Instruction.

Schools - Secondary - Formation of Savings Groups under the 'National Savings Scheme' - Permission to teachers for taking part - not approved.

From the Director of Public Instruction, C. no. 805- W/1/49 dated 14.5.1949.

Order/Ms. no. 2039 Etn. dated 25.6.1949.

The Govt. consider that students have little money to spend, not to speak of saving it. They ~~the Government~~ do not approve

the proposals of the Director of Public Instruction for the formation of Savings groups in each class or form of the Secondary Schools under the leadership of the class teacher concerned or a

P.T.O

NATIONAL SAVINGS SCHEME - Formation of Savings Group
in schools - Permission to teachers to take part.

From the Director of Public Instruction, C.No.805-W1/49
dated the 14th May 1949.

At the instance of the Assistant National Savings Officer, Vijayawada, the Headmaster of the Government Muslim High School, Guntur, has reported to the D.P.I. that savings groups may be formed under the Citizenship Training under the reorganised scheme for Secondary Education in each form or class under the leadership of the class teacher concerned or a member of the staff of the school ^{and} that the children may be taught thrift and induced to get savings minded for their prosperity in life. The Director agrees with the headmaster and is of the view that it will result in some good. The Director therefore proposes that all the institutions in this Province may adopt the scheme. As no rules have been laid down by Government that the teachers can take active part in the formation of the groups, the Director requests orders of Government in the matter.

2. The remarks of Finance and Public may be invited

U.O.

I am not convinced that ~~the~~ accumulation of money is a proper ideal, and that there ^{are} no better ideas, which can be part of the citizenship training. In any case boys have little money to spend, not to speak of saving it. It would be better if teachers concentrated

member of the staff of the school for teaching the students thrift and ^{for} inducing them to get savings minded.

please see the notes of E & P. H. on pp 1-2
above and the letter from the D.P.S. Madras in
the CF.

D.P.S.

The proposal is to form savings groups
among the pupils under the leadership of the
concerned class teacher and or a member of the
staff. The ~~D.P.S.~~ recommends the proposal
on the ground that it will facilitate teaching
children thrift and inducing them to get savings
mindful for their prosperity in life after education.

PICF

In G.O. No. 737 Edn. D. 15.4.47, the question of
appointing teachers as authorised agents was
discussed and it was decided that teachers should
be appointed only as internal authorised agents to
canvass within the school and not as general
authorised agents since canvassing from outside
public would create obligations affecting the efficiency
of the teachers. It was also ordered in the above
G.O. that teachers appointed as internal authorised
agents might receive amounts tendered by pupils and
that active canvassing should not be made among
pupils as well as among persons unconnected with the
school. In view of the advantage pointed out by the
D.P.S. viz. improving the habit of thrift among pupils
this Dept. may suggest that teachers may be
permitted to form savings groups among the school staff
and servants and also among those pupils who may be
voluntarily willing to join the savings groups. Active canvassing
among the pupils and any canvassing among outside
public unconnected with the institution should be prohibited.

The notes of E & P. H. and Finance
Departments on pp 1-2 ante may be perused.
As pointed out by Secretary E & P. H. Dept.,
Students will have little money to spend
much less to save. This Dept. may perhaps
agree with the views expressed by him. The
file may be returned to E & P. H.

10.6.49

The scheme, if given
effect to, will it secure

prove an additional
'taxation' to the parents!
We may agree with E & P. H.

E & P. H. (Ser.) Dept.

The notes from pages 1-3 above may be
perused. In view of the advantage pointed out
by the D.P.S., the Finance Department have suggested
that teachers may be permitted to form savings
groups among the school staff and servants and
also among those pupils who may be voluntarily
willing to join the groups; but active canvassing
among the pupils and any canvassing with the
outside public unconnected with the institution
should be avoided. The Pub (Ser) Department
have agreed with the view of this department
that instead of teachers taking part in
organising the groups, it would be better if they
concentrated their attention to extending the
knowledge and powers of the students. Gov
orders whether in the circumstances, the proposal
may be negatived.
