FROM THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to Government,
Education and Public Health Department,
Madras

Sir, Rc.184 D2/49 dated 28-5-49

Sub:--Grant--Building--Vivekananda College, Mylapore--
Madras--Construction of additional class-rooms

I have the honour to submit herewith an application for building grant from the Correspondent of the Vivekananda College, Mylapore and to state as follows:--

The Management of this College propose to construct additional Class rooms to accommodate the newly proposed Mathematics Honours Classes. It is stated that the question of further affiliation in this subject is pending with the University.

From the copy of the University Commission's Report it is observed that the Commission has generally approved of the plans of the proposed new construction.

The Estimated cost of the Scheme is given as Rs.41,175/-

As the proposed buildings are absolutely necessary for locating the additional courses to be opened and as the Registrar has extended the time-limit for the construction of these buildings upto the end of July '49 I request you to move Government to include the scheme in the list of approved works.

As the buildings have to be put up urgently I also request that the management may be permitted to start the construction of the buildings without prejudice to grant.

Yours faithfully,

For Director of Public Instruction

APPENDIX M.

(Chapter VIII, Rule 53.)

APPLICATION FOR APPROVAL OF A BUILDINGS SCHEME IN RESPECT OF
VIVEKANANDA COLLEGE, MYLAPORE IN THE DISTRICT OF MADRAS.

1. Brief history of the institution from the date of its establishment to the date of application tracing its growth and development.

The spectacle of hundreds of deserving young students failing to secure admission into any of the existing colleges in Madras in recent years caused wide spread grief and created a desire in the minds of some public spirited gentlemen to open another I Grade College in the city. The organisers appealed to the public for donations and the response was encouraging. Accordingly the Board of Management applied to the University of Madras

for the recognition of the college as a constituent college, and recognition was granted in Registrar's letter dated 13-5-1946. It was also decided that the management of the college should be entrusted to the Ramakrishna Mission. Regular work began from 1st July, 1946 with the following courses of study:-

- | | |
|------------------|--------------------------------|
| 1. Intermediate: | Groups I, II, and III |
| 2. B.A. Pass: | Economics and Geography |
| 3. B.Sc. Pass: | Mathematics and Chemistry Main |

In the following year the college obtained further affiliation in B.Com Pass, B.A. (Honours) Economics and B.Sc. Pass Physics Main. At the beginning of the year 1948-49 further affiliation was granted in B.Sc. (Honours) Geography. The strength of the college which was 322 during the first year of its existence went up to 944 during its third year.

The University has now been requested to grant affiliation in B.A. (Hon.) Mathematics and in B.Sc. Statistics Main instead of Mathematics Main. The building scheme in question is for the newly proposed Mathematics Honours Classes. Two rooms are at present to be constructed as an extension to the existing buildings (vide blue print herewith enclosed.) The work is proposed to be entrusted with Messrs. Gannon Dunkerly & Co., Madras Ltd., and it will be supervised by Dewan Bahadur Sri.L. Venkatakrishna Iyer, Retired Chief Engineer to the Government of Madras.

The following gentlemen constitute the Board of Management of the College:-

Ex-Officio Members:

1. President, Sri Ramakrishna Math, Madras (President)
2. The Principal, Vivekananda College.

Others.

3. Sri N. Gopalaswamy Iyengar, (Vice-President)

GRANT - Building - Vivekananda College, Mylapore, Madras
Construction of additional class rooms for the Mathematics Honours course - Inclusion ~~of~~ the scheme in the list of approved works for the quarter ending 30-6-1949.

C.No.41881/49.

From the D.P.I., Re.No.184-D2/49 dated 28.5.1949 and P.C. of T.M., dated 11.6.1949.

The management of the Vivekananda College, Mylapore has submitted an application to the D.P.I. for a grant for the construction of additional class rooms for the Mathematics Honours course which they propose to open in the College from the present academic year. It is reported that the question of ^{for this} affiliation of this college in this subject is pending with the University, that the University Commission has generally approved the plans of the proposed construction and that the estimated cost of the scheme is Rs. 41,175/-. The D.P.I. states that the proposed additional buildings are absolutely necessary for the new course and that the time limit fixed for the construction of the buildings is up to the end of July 1949. The ^{the} D.P.I. therefore recommends the ~~inclusion~~ inclusion of the scheme in the list of approved works.

2. It may be mentioned in this connection that in 1946 soon after the starting of this college, the management applied for building and equipment grants for the college, but on account of the ban which ^{was} then ~~in force then~~ existed on the payment of building and equipment grants to newly opened Arts Colleges, the request of the management was not complied with. Last year, the policy of Govt. with regard to the sanction of building and equipment grants to Non-Govt. Arts Colleges was reviewed and in December last the Govt. have ~~decided~~ ^{decided} that the above ban should be lifted. Accordingly ~~all~~

^{Non Govt} newly opened Arts Colleges ^{have now become} ~~become~~ eligible for building and equipment grants. Govt. have since then sanctioned the inclusion in the approved list of the

building and equipment schemes of newly opened Arts Colleges,
2. Dr. Alagappa Chettiar's College, Karaikudy (building grant) ^{and equipment} ~~the provision~~ Rs. 10000/-
P.S.G. Arts College, Coimbatore (equipment grant) Rs. 75000/-
C.R.R. College, Ellore (Building grant) Rs. 10000/-
Senthikumara Nadar College (Building grant) Rs. 50000/-
Viduthumalai

This college is also therefore eligible for building and equipment grants with reference to the present policy of Govt. The D.P.I.'s recommendation may be accepted and the scheme relating to the construction of buildings for the Mathematics Honours course in the Vivekananda College, may be included in the list of approved building schemes for the quarter ending 30-12-1949 and be made eligible for a half-grant subject to a maximum of Rs. 20,588/-.

3. The D.P.I. requests that the management may be permitted to start the construction of the buildings without prejudice to grant. Provision for these building schemes is usually made in the next year's budget, on the receipt of ~~the~~ proposals from the D.P.I. The D.P.I. may be ^{as in similar cases,} ~~permitted~~ authorised to permit the management to start the work without prejudice to grant. The file may now be circulated to H.M. (Edn) for orders on A and B above.
