EDUCATION DEPARTMENT.

From The Director of Public Instruction,
Madras-6.
To The Secretary to Government,
Education and Public Health Department,
Madras.

R.C.No.3419-Cl/48 dated 23 June '49.

Sir,

SUB: MADRAS EDUCATIONAL SERVICE -Instructor in Tele-
Communication Engineering, College of Engineering,
Guindy - Appointment of Sri G.Subramanyam, Overseas
scholar.

REF: Government endorsement No.74974-C.2/48-1 Education
dated 19-10-1948.

Out to D.P.I.
in original
& private scholar.

Sri Ganti Subramanyam, who has returned from the U.S.A.
after advanced studies in Electrical Engineering (Electronics
and Communication Engineering) in the Stanford University,
California is qualified for appointment in the Tele-Communication
Engineering branch in the College of Engineering, Guindy either
as Professor or Instructor. The Gazetted strength of this branch
consists of the following:-

One Professor.	Rs.600-900.	Vacant.
One Instructor.	Rs.260-700.	(Sri K.S.Hegde).
One Junior Instructor.	Rs.260-420.	(Sri A.Vellingiri).

Though the post of Professor is vacant and Sri G. Subramanyam has
the prescribed academic qualification, yet he cannot be considered
for the post for the reasons that he has not had the prescribed
practical experience for five years and that it would not be desi-
rable to appoint him to that post over the head of Sri K.S.Hegde,
the present Instructor in Tele-Communication Engineering, who is
also an Overseas scholar and who has been managing the department
satisfactorily in the absence of a Professor. The question of
filling the post of Professor by a suitable candidate is separately
under consideration.

2. As the one post of Instructor in Tele-Communication -
Engineering in the College is now held by Sri K.S. Hegde, it is
not possible to consider Sri Subramanyam for appointment to that
post. In my letter R.C.2483-K2/46 dated 12-5-1949 I have addressed
Government to sanction the conversion of one post of Laboratory

(Separate file)

Assistant into that of an Instructor from 1949-50. In the event of this being sanctioned there will be no necessity to appoint Sri Subramanyam to the post of Junior Instructor in Tele-Communication Engineering in the place of Sri A. Vellingiri.

3. In the circumstances I request that Government may kindly sanction the conversion recommended in my letter quoted in para 2 above and appoint Sri G. Subramanyam to that post.

4. He has to take charge of the appointment before 3 July 1949. He called to see the D.P.I. only 2 days ago. The time limit in the case of overseas scholars expires in his case on 3 July 49.

Yours faithfully,

[Signature]

for DIRECTOR OF PUBLIC INSTRUCTION.

Ram. 24/6. Case on 3 July 49.

24.6.

Edn. and P.H. Dent. (A).

It cannot be said now with certainty that the Dir.'s proposal to convert the post of Laboratory Assistant in the Tele-Comms. Engg. Branch of the Guindy College into an Instructor's post, will be sanctioned. Fin. have raised some objections to that proposal, and fuller justification is being sought from the D.P.I. In any case, it is not likely that the conversion will be ordered before 3-7-49, the date of expiry of the time-limit for offering an appointment to the overseas scholar, Sri G. Subramanyam.

The only course is therefore to revert Sri A. Vellingiri, who deptl. man, officiating temporarily as Junior Instructor, to the Subordinate Service, and to appoint Sri G. Subramanyam in his place. A draft order is subd. H.M. (P.W.) may see.
