From: E.C. Allardice Esq., I.C.S. To
Collector, Bellary

The Chief Secretary to Govt.,
Fort St. George,
M A D R A S

Sub: States - Sandur State - Education -
Technical colleges - Reservation of or two
seats for Sandur candidates.

In the past, at the instance of the Government of India (Political Department) the various technical colleges in India allotted one or two ~~two~~ seats for candidates applying from the Sandur State. This year no such allotments were received. Now that the State has merged with this province, it seems to be in the interests of the ^{local} State Education to keep up the old practice. It is therefore requested that the Government may be pleased to address the concerned authorities of the Engineering college, Madras to reserve one seat in the next year for candidates from Sandur. Such arrangements will speak well of our administration.

Collector, Bellary

From: V.N.Rajan Esq., I.C.S., Collector of Tiruchirapalli. 3

To: The Director of Public Instruction, Madras.

Sir,

Sub: Education - Engineering College - Reservation of
seats for Pudukottai.

24 MAY 1949
39079
During the visit of the Hon'ble Minister for Finance here
on the 13th of May, representations were made to him that the
reservation was made of one seat in the Engineering College at
Guindy and three seats in the Annamalai University in favour of
candidates from Pudukottai territory as recommended by the previous
Durbar and that the above system should be continued without break.
The Hon'ble Minister was inclined to be sympathetic and instructed
me to pursue the matter further. I request that necessary action
may be taken for reserving the required number of seats during the
coming academic year also.

J. N. S.
Collector.

Sub: Colleges - Engg. etc. - Admission of Students from Pudukkottai and Sandur. Orders passed. From the Collr. of Bellary No. 3896/49 C.C.D. 11.5.49. From the Collr. of Tiruchirappalli No. 336 d. 20.5.49. G.O. Ms. No. 2057. Edn. dated 27-6-49.

Last year, following on the merger of the Pudukkottai State in the Madras Province, the Govt. abolished the existing reservation of two seats in the Govt. Engg. colleges for students from Pudukkottai and ordered that, for purposes of admissions into the Govt. Engg. colleges, it should be considered as a separate district and that, on the district basis, two seats might be allowed to it. Students coming from Pudukkottai will have to pay tuition fees only at the rates charged of ~~from students of Madras Province~~ ^{from students of Madras} Province. The Govt. consider that no further action is necessary in this regard.

2. The Collr. of Tiruchirappalli has, in his letter dated 20.5.49 read above, reported that three seats ^(formerly) were reserved in the Annamalai Uty. for Pudukkottai students and has requested that that arrangement ~~might~~ ^{may} be continued. The Govt., however, consider that since Pudukkottai has become part of Madras Province, Pudukkottai students will have to take their chance along with other Madras students in the matter of admissions into the Annamalai Uty. and that it will not be proper for the Govt. to ask the Uty. to continue to reserve some seats for Pudukkottai students.

3. The Collr. of ~~Bellary~~ ^{Bellary (has)} in his P.T.O.

Letter dated 11.5.49 read above suggested that one seat may be reserved in the Engg. College, Quindry, for students from Sandun which has merged in the Madras Province, ~~as that will speak well of the Govt. Admin.~~ The Govt. ~~has~~ Consider that since Sandun has now become an integral part of Madras Province, no seats can be reserved in the Engg. colleges ~~Quindry~~ for Sandun students. Even according to the district seat allotment of seats, ~~it will not be entitled to even a single seat in the Govt. Engg. colleges, for the Govt. as the area and population of Sandun will not entitle it to even a single seat in the Govt. Engg. Colleges.~~ Students from Sandun should therefore take their chances along with other students from Bellary in which district the State has merged, in the matter of admissions to Govt. Engg. Colleges.

S.S.C.

For Education Secretary:

Admissions for Professional colleges (Engineering College, Medical College, etc.) - Reservation of seats for subjects of Pudukkottai State.

One of the representations which were made to H.M. (Finance) at the interviews which he granted to several leading non-officials and Associations at Pudukkottai on the 12th instant, was that the status quo ^{should} be maintained for the academic year 1949-50. H.M. (Finance) desired that this may be examined and the orders of the Government taken. I was ~~present at~~ ⁱⁿ the interviews.

14.5.49.

Additional Secretary,
Public Department.

Edy Secy.

E.P.H. (A)

H-1-34

From the Collector, Bellary, No.3896/49 C.C. dated 11-5-1949.
From the Collector, Tiruchirapalli, No.336 dated 20-5-1949.

Please see the note above and the letters from the Collectors of Bellary and Tiruchirapalli in the c.f.

2. Last year, following on the merger of the Pudukottai State in the Madras Province, the existing reservation of 2 seats in the Govt. Engineering Colleges for students from the State was abolished and it was ordered that, for purposes of admission into the Engg. Colleges, it might be considered as a separate district and that, on the district-war basis, two seats might be allowed to it. These orders are still in force. Pudukottai students ~~will~~ have to pay tuition fees only at rates charged on Madras students. In the circumstances no further action is necessary in the matter. For orders.

3. The Collector of Tiruchirapalli reports that 3 seats had been reserved for the Pudukottai State in the Annamalai University Engg. College and he requests that that arrangement also may be allowed to continue. The Govt. have informed the Annamalai University that the orders

H-1074 + 20 mt of
80 no. 1564 Edu

(9)

1304

applicable to the admission of students in the Govt. Engg. Colleges should as far as possible be applied to admissions to the University College also. Now that Pudukottai has formed part of Madras Province, Pudukottai students will have to take their chances in the University College along with other Madras students. It may not be proper for Govt. to tell the University that a certain number of Pudukottai students should be admitted. For orders.

4. ^{Original One} One seat used to be reserved for Pudukottai and Sandur in the Engg. College, Guindy. For the past ten years, the Sandur State was not however sending any candidates for studying in the Govt. Engg. Colleges. So the existing reservation for the state was abolished last year. This State also has since merged in the Madras Province. The Collr. of Bellary says that if a seat is reserved for students from Sandur in the Govt. Engg. Colleges in this Province, it will speak well of our Administration and that therefore that may be done. The State is now part of Bellary district. Seven seats are now available for students from Bellary, on population basis. Sandur students may take their chances with other Bellary students. No special reservation for Sandur seems necessary. For orders.

By 30/5/48. DM 31/5/48 S

Is the reservation made on a district war basis or so, is population the criterion or that case an appropriate number can be fixed, either independently, or in the total of the new district

(In 1946) K. above: The Selection Committee was instructed to have in view a fairly proper distribution of the seats in the various districts. In 1947, it was ordered that, with a view to ensure adequate representation for every district, the number

Taken from Census Report for 1941.

p 10

of seats for each district should also be fixed, to the extent possible, with reference to the ratio the population of the district bears to the total population of all the districts in the Province. The seats thus available for the various districts on population basis is as at 17.

Bellary with an area of 5000 sq. miles and a population of 10,51,235 gets 7 seats. The area of Sandur is only 158 sq. miles and its population is only 1,58,814. For securing one seat Sandur should have at least 1,50,176 people. It does not seem therefore that Sandur is entitled to any separate seat; the candidates from Sandur should take their shares with other Bellary candidates. But it will surely speak well of our administration if a Sandur candidate is selected. For orders whether the D.P. may be asked to see that one candidate from Sandur is selected for one of the 7 seats allotted to Bellary.

By 31/6/48. DM 8/6/48 S

after its merger, On the basis of its population and area, Sandur is not eligible to a separate seat in the Engineering College, Guindy, if it is regarded as part of the Bellary district. It may not be fair to other candidates to issue any instructions that preference should be given to Sandur candidates. They should be judged on their merits along with other candidates from the Bellary district in which it has now been included for

4
purposes of selection.
