Sub: Citizenship Training--under the reorganised
scheme of secondary education--Conduct of--
at Tirukkattupalli--permission--requested.
Ref: My letter RC.No. 502-B1/49 dated 29-3-49.

As envisaged in G.O. No. 846 Education dated 9--4--1948, para 5, Citizenship Teachers' Training, for the next stage after the primary training of Citizenship teachers, viz., the employing of 40 selected teachers from among those trained to train other teachers in their turn in various parts of the Presidency, a Citizenship Training Course under the reorganised scheme of secondary education is proposed to be conducted at Tirukkattupalli (Tanjore District) in July 1949 as suggested by the Divisional Inspector of Schools, Mathurai for 80 men teachers. Three of the teachers who received special training recently at Coonoor will be deputed to impart instructions to the trainees attending this course. At the time I submitted my proposals for the special training course at Coonoor (vide letter under reference above) I had stated that the ordinary Training Courses for Teachers would be for batches of 120 each time, and that 80 of these would be men and the remaining 40 would be women. In view of the fact that a smaller number would enable the Instructors to do their work much more efficiently, it is proposed to keep the number down to 80 as a maximum. It is also found more convenient to conduct separate Training Courses for the men and the women.

I request that Government may be pleased to approve the above proposals as regards strength and composition. I have instructed the Divisional Inspector of Schools, Mathurai to proceed with the selection of the teachers and to make the necessary arrangements for the conduct of the Training Course in anticipation of Government approval.

Yours faithfully,

D. S. Sankaranarayanan
