(Previous note need not be read)

A representation was received by Government requesting that the community which is known as "Kusava" or "Kuyava" should be designated as "Kulala" in all public records. The Board of Revenue in consultation with the Collectors of Tamil districts expressed itself in favour of the suggestion. The opinion of the members of the communities affected by the proposed change was invited by means of a Press Communique. The replies received in response to this Press Communique are unanimously in favour of the proposed change. Hence there is no objection to the community being termed as "Kulala" in public records.

Subject to orders a draft order and a draft Press Communique are submitted for approval. E. & P.H. and Public (Services) may see before circulation.

The draft order below may be perused.

A /

This file is sent to this Department with a view to have the names "Kuyava" and "Kusava" changed into "Kulala". It may be mentioned that the term Kuyava does not find a place in either of the lists of Backward Classes under Rule 92 of the M.E.R. The term "Kulala" and "Kusavan" are already included in the list of Backward Classes other than Harijans. There is no necessity to substitute the term "Kulala" for Kusavan in the list under the M.E.R. All that need to be done is that on receipt of the order from the Public (Elections) the list of Backward Classes be amended deleting the term "Kusavan" from the list.

This may now be passed on to Public (Services) U.O.
