SPECIAL

EDUCATION DEPARTMENT.

From The Director of Public Instruction, Madras. To The Secretary to Government, Education & Public Health Department, Fort St. George.

R.C.No.17-N/49 Dated 16th June 1949.

Sir,

SUB:-Libraries - Training - Diploma Course in Librarianship - Deputation of candidates for 1949-50 - Orders - Requesting.

46115

Last year Government decided to depute four candidates for training in the Deiploma Course in Library Science at the Delhi University in advance of the passing of the Library Bill - vide: G.O.Mis.No.1824, Education, dated 22-7-1948. Only two candidates were available for deputation and they have now come back after the completion of their training at the Delhi University. Both the trainees have, I understand, come out successful one getting a I Class and the other a II Class.

2. Necessary provision has been made in the Part I Budget Estimate for 1949-50 for deputing four candidates for training in Library Science at the Delhi University. In this connection I wish to state that strenuous attempts were made during last year to secure four candidates with the necessary qualification for being deputed to the Delhi University for the above course and as there was hardly any response finally two persons were chosen, one from my Office and another a teacher from a local High School. In spite of the cost of the course having been met by Government, the two persons bitterly complain that they found the amount given to them very inadequate and that they had to ~~spen~~ supplement it from their private funds. They are proposing to approach Government to sanction a further allotment for the cost incurred by them in addition to the amount granted to them. I wish to bring to the notice of Government that there is an identical course in the Madras and Andhra Universities also which can be had at a comparatively much cheaper cost - vide: statement attached. I therefore suggest that Government may be pleased to depute 4 candidates this year (1949-50) for training in Diploma in Library Science at the Madras University instead of at the Delhi University as was done last year.

3. As the last date for the receipt of applications for the above course in the Madras University is the 15th inst., I have requested the Registrar to reserve provisionally four seats in case Government are pleased to approve my proposal, viz., to depute 4 candidates this year to the Madras University. All the four candidates may be outsiders this time and if this is accepted the selection of candidates may be left to me. No ad hoc rules would seem to be necessary on behalf of these four candidates. I shall however get an agreement from them for the purpose on the same lines as in the case of the two candidates who were deputed last year. As the selection of candidates by the Madras University is usually done early in July, I request the favour of very early orders.

Yours faithfully,

R. Janardhanay (16.VI.1949)

Sub: Libraries - Training - Diploma Course in Librarianship - Deputation of candidates for 1949-50.

The Madras Libraries Bill has since become an Act and several libraries will have to be opened in Dt. as soon as rules are issued and the bill is brought into force. and Taluk centres. In order to keep ready certain candidates trained in the library science to absorb them in the Libraries to be opened, Govt. deputed during 1948-49 two candidates, one from the D.P.I.'s office ~~and~~ another from a Local High School for training in Library Science at the Delhi Uty. Both the trainees have come out successful in the Diploma course in Library Science. ^{in Delhi} In deputing these trainees the former Minister of Education had a lead from Sri S.R. Ranganathan, Professor of Library Science, Uty. of New Delhi and President Indian Library Association. Even last year the former Minister of Education wanted to send 4 candidates for training but the D.P.I. reported that only two suitable candidates were available for the necessary training.

2 The D.P.I. now states that there is an identical course in the Madras and Andhra Universities also which can be had at comparatively much cheaper cost and he therefore suggests that 4 candidates may be deputed this year (1949-50) for training in ^{the} Diploma ^{course in} and Library Science at the Madras University instead of at the Delhi University as was done last year. He also suggests that all the candidates ~~may~~ may be outsiders this time and if this is accepted the selection of candidates may be left to him.

3 It is submitted that Sri S.R. Ranganathan as Professor of Library Science, Delhi University will be anxious to train the candidates in Delhi as was done last year and he is taking keen interest on library development and working of the Madras Libraries Act in this Province. As stated by the D.P.I. the course in Delhi and Madras ^{is similar} appeared to be similar and the cost of the course will be
