Sir,

Sub: Government Press - Appointment of Assistant
Superintendents - Amendments to rules relating
to qualifications.

Ref: Government Memorandum No.84073 F1/48-1, Edn.,
dated 16th December 1948.

With reference to the above, I am to state that the
minimum standard of educational qualifications prescribed may
be S.S.L.C. declared eligible for the University Courses of
study. In case, officers selected from the Government Press
Subordinate Service as Assistant Superintendents do not possess
this minimum standard, they should by virtue of their long ex-
perience in the Press, possess ability to put up drafts concern-
ing their administrative work and as such, they should be
exempted from the operation of the rule requiring minimum
standard of educational qualifications stated herein.

2. The qualifications now prescribed for Asst. Supts. of the Govt. Press are: (i) Qualification as a printer with practical experience in printing work and (ii) knowledge of the costing system of accounts.

Persons who possess the following qualifications in addition to those mentioned above will be preferred for app't:-

- (1) Five years' continuous employment in the various branches of a large Letter Press Printing Office;
- (2) A pass in ^{the} technical examinations in printing held by the City and Guilds Institute, London, or by the Govt. of Madras or by any school for printers recognised by the Govt. of Madras.

3. The above qualifications had been prescribed by the Govt. when direct recruitment was the normal method of recruitment to the posts of Asst. Supts. of the Govt. Press. But this method has now been changed and 'recruitment by transfer from any other service' has been approved as the normal method, direct recruitment being resorted to only when recruitment by transfer cannot be made for want of eligible and qualified persons. The posts being technical, the recruitment by transfer has to be limited only to the sub-ordinates in the Govt. Press. But these persons do not generally possess high qualifications as those mentioned in para. 2 above and it is, therefore, proposed to select them for appointment with reference to their general aptitude for their work and ^{then previous} experience, in the particular and to give them a short training before they are regularly and fully appointed as Asst. Supts. With this end in view, the S.G.P. was asked to suggest and detailed proposals for amending the rules suitably. He has accordingly ruled the proposals at page

4. The qualifications suggested by the S.G.P. in items (1) and (2) on page 1 of. may be accepted. As regards item (3), the term 'sufficient education' is vague; it will be better to prescribe a definite minimum standard of education, which may perhaps be the S.S.L.C. The S.G.P. may be consulted further on this point.

5. As regards item (4) on page 1 of. this too may be accepted but, it seems ^{that it} should be put in as a separate rule, as in the case of D.E.O's (Administrative section) in the Madras Educational Service, and should be made to apply to direct recruits also. The pay to be drawn by the trainees during the period of training should also be determined. It may perhaps be fixed at Rs.100/-p.m. for direct recruits as in the case of D.E.O's; transferrees will continue to draw the pay last drawn by them just before their selection. For orders.

6. It seems that the present qualifications embodied in the rules - vide para 2 on p. 2 ante - may remain as they are, so that they may continue to apply to direct recruits. In this view, the special higher scale of pay of Rs.250-40/2-450 sanctioned in G.O.No. 1915, Education, dated 16/11/45, for such of the direct recruits as possess the additional qualifications prescribed in G.O.No.1192, Edn., dated 6-8-45, (& referred to at 'R' on p. 2 ante) may also continue. For orders.

7. A draft memo is submitted regarding 'B' above. After issue, and pending receipt of S.G.P.'s reply, the case may be sent to Finance for remarks on paras 5 & 6 above. Public(Ser), Legal and the M.P.S.C. will be consulted after the receipt of the S.G.P.'s reply.

Finance (E.III) Deptt.

Please see the note of E & P.H. from page 1 above. Posts of Assistant Superintendents in the Government Press are included in category 3 of the Madras Stationary and Printing Service. The posts were filled normally by

direct recruitment, ^{or for special reasons from any other service by transfer.} ~~recruitment by transfer from any other service being admissible only for special reasons.~~

On a representation from the Government Press Employees, the Government, in G.O.No.21, Edn. dated 3-1-48, directed that the special rules relating to the Madras Stationary and Printing Service should be modified so as to provide for appointment to the posts of Assistant Superintendents normally by transfer, the direct recruitment method being

considered only in exceptional circumstances. In G.O.No.2125, Edn., dated 26-8-48, it was further ordered that selection to Assistant Superintendents should be made with reference to general aptitude and experience of the subordinates of the Government Press, and that persons selected should be made to undergo a prescribed period of special training on the analogy of that for direct recruits to posts of District Educational Officers. The Superintendent, Government Press, was also asked to submit detailed proposals for amendments of rules relating to the recruitment of Assistant Superintendents, Government Press. The ^{proposals of the} Superintendent, Government Press, ~~proposals~~ in this respect, are on p.1 c.f. The existing qualifications prescribed for the posts of Assistant

Superintendents in Government Press are at 'M' on p.2 above. In this connection E & P.H. have proposed that (1) the trainees, selected for the posts of Assistant Superintendents during the period of their training, should be paid a fixed pay of Rs.100/-

per mensem if they are direct recruits and, in the case of transferrees they should be allowed to continue to draw the pay last drawn by them prior to their selection and (2) to retain the higher scale of pay of Rs.250-450 sanctioned in G.O.No.1915, Education, dated 16-11-45 for such of the direct recruits as possess the additional qualifications prescribed in G.O.No.1192, Education, dated 6-8-45. They have also stated that such of the transferrees to the post of Assistant Superintendents who possess the higher qualifications prescribed in G.O.referred to above, may also be allowed to draw the higher scale of pay of Rs.250-450.

Assistant Superintendents is on the analogy of the pay fixed for the direct recruits for the posts of District Educational Officers in the Madras Educational Service. ~~to the~~ As the posts of Assistant Superintendents in the Government Press are gazetted posts in the scale of Rs.200-30/2-440, and the period of training is only 6 months, this department may agree to the fixed pay of Rs.100/- proposed for direct recruits. As for the transferrees from other Services, E & P.H. propose to allow them to continue to draw during the period of training the pay drawn by them prior to their selection to the Assistant Superintendent's post. Submitted that this department may ^{agree to permit them to draw the pay they would otherwise draw but for the period of training.} ~~also agree to the proposal.~~

2. Proposal (2) as on p.4 above:- The ordinary scale of pay for Assistant Superintendents of the Govt. Press is Rs.200-30/2-440. A higher scale of Rs.250-40/2-450 ^{has been} sanctioned in G.O.No.1915, Education, dated 16-11-45, for those possessing the higher qualifications prescribed in G.O.No.1192, Education, dated 6-8-45. E & P.H. have now proposed that the higher scale of pay viz.250-450 may be allowed to such of the candidates who are recruited either directly or by transfer and who possess the ^{higher} qualifications prescribed in G.O.No.1915, Education, dated 16-11-45. It is presumed that the rest of the candidates viz. transferrees from subordinate services who are given training at the cost of Government and persons who are recruited directly without higher qualifications and given training at the cost of Government will be allowed only the ordinary scale of Rs.200-440.. If so, the proposal may be agreed to in Finance.

from the S. G. P., No. 174/Mis/Q., dated 21-12-1948. page 5 of 7

Notes from page 2 ante may be perused. The presumption raised by Finance at 'p' on page 5 ante is correct. They have agreed to the proposals made by this Deptt. in paragraphs 5 and 6 on page 3 ante.

2. With reference to para. 4 on page 3 ante, attention is invited to the memo on page 3 of and the S. G. P's. reply on page 5 of. The minimum standard of educational qualification suggested by the Deptt. is "S.S.L.C. declared eligible for university courses of study." He wants that exemption from this qualification should be granted in suitable cases to officers of the Govt. Press who may possess ability to put up drafts concerning their administrative work by virtue of their long experience. It is presumed that the exemption proposed should be granted only on the recommendation of the S. G. P.

It may perhaps be suggested in this connection that it may be better to prescribe the minimum general educational qualification referred to in rule 10 (a) of and the Schedule to, the General Rules for the Madras Press and Subordinate Services rather than that referred to at 'A' above, especially because it is proposed to grant exemption and in this view a lower standard is preferable. The S. G. P. may perhaps be consulted as to whether he has any objection to the suggestion at 'B' above being adopted. A draft T.M. is subd. below for approval.

Note 3 at X on p.2 of the draft rules:- The intention presumably is to exempt the officers in the Madras Government Press Subordinate Service from the possession of the minimum general educational qualifications for appointment as Assistant Superintendents, Government Press, in deserving cases. If this is so, this need not find a place in the special rules. The question of relaxing the rule relating to the minimum general education, ^{at qualification} may be considered, as and when deserving cases arise.

with the above remarks the file may be passed on to Legal who will no doubt put the rules in the proper form.

LEGAL DEPARTMENT.

Amendment (1): As the existing entries relating to qualifications apply to categories 1 to 3 and not merely to category 3 (Assistant Superintendents), the amendment will require suitable modifications as indicated in red ink on the draft. Existing item (iii) of the qualifications provides that the age limit of 30 years will not apply to direct recruitment as Assistant Superintendent, of a person employed in the Government Press. It is not clear whether the omission to include this provision

in Note (2) is intentional.

2. Amendment (2): New sub-rule (iii) provides that in the case of trainees appointed by transfer, they shall continue to draw the pay drawn by them just prior to their selection. Finance have however suggested at D on p.5 ante that they should be allowed to draw the pay they would otherwise draw but for the training. It is desirable to modify the sub-rule accordingly, ~~as the pay drawn by the trainees immediately before selection may be in a superior post in which they were of training, or they might subsequently have been promoted to a higher post.~~

3. Subject to the above remarks and the remark of Public (Services) at M on p.7 ante with which this Department agrees, the other alterations indicated in red ink on the draft notification may also be made.

(iii)
p 88 of BK No. 113 The existing item 3 in the table in column (2) in the table under rule 3 of the Madras Stationery, Printing Service Rules, provides that the age limit of 30 years will not apply to direct recruitment as Assistant Superintendent of a person employed in the Government Press, Madras. It appears that this provision was made with a purpose, namely to enable persons employed in Government Press to apply for direct recruitment irrespective of their age provided they were qualified for such future recruitment under the definition of "recruited direct".

Please see the note of Pub. Sec. on p. 9 ante. They ~~have~~ think that the omission of the rule refers to an U on p. 9 ante ~~is~~ in the series rules. Does not seem to be correct. It may be noted that the part of the rule was

felt necessary before the amendment of rules in Gov. 21, Ser. 3, 1.48. Prior to the issue of this C.O. the only method of ~~transfer~~ to the post of Asst. Supt. was by direct recruitment and very occasionally for special reasons by transfer. Under the rule in the Gov. 1, ~~recruitment~~ appointments to the posts of Asst. Supts. is by transfer from any other series only when no qualified British candidate is not available for appointment, appointment will be made by ~~the~~ direct recruitment. In the case of appointment by transfer as Asst. Supts, no age restriction is laid down in the revised rules. It is therefore submitted that the omission of the rule at U on p. 9 ante ~~is~~ is unintentional and must be replaced. Pub. Sec. may see again.
