Sir,

Sub: Collective subscriptions - Perambalur taluk -
Utilization of the subscriptions collected
for the construction of a pucca building
for the District Board High School at Perambalur-
Sanction requested.

* * * *

Kindly permit me to make the following representation
on behalf of the High School Building Committee at Perambalur.

A District Board High School has been recently estab-
lished in Perambalur Town. The school building consisting
of 3 blocks of thatched sheds has been provided by the
High School Building Committee at a cost of nearly Rs.30,000
(Thirty thousand rupees) out of donations from the public.
The strength of the School now is 750. This is the only
High School for the entire taluk, and this caters to the
educational needs of all castes and communities in the
taluk. A Pucca building is badly needed for the School.
The estimate for the pucca building, as worked out by the
Assistant Engineer, Highways, Ariyalur, costs Rs.84,000.
It may not be possible for the Committee to provide for
the entire cost of the building by private enterprise alone
and it therefore applied for the sanction of the collective
subscriptions of the Taluk to be utilized for the High School
Building at Perambalur.

The collective subscription of the taluk comes to
Rs.34513-7-0 together with the interest accrued. Even at
the time of remittance into the treasury, a sum of Rs.8,000

(P.t.o.)

was earmarked for the Perambalur High School building. Subsequently a large number of villages have given their consent to have the collections of the villages utilized for the High School Building. Further, the small collections in each village cannot be usefully spent in the village itself. So the Collector, Trichinopoly was pleased to recommend the utilization of the entire collections of the Taluk for the High School Building at Perambalur. The plan and estimate of the proposed School building were submitted. But the Revenue Board has turned down the proposal of the Collector and has called for fresh proposals.

As a pucca building is the prime need of the High School that serves the whole Taluk which is backward in education, and as the small collections in each village could not be usefully spent in the village itself, I request that the Government be pleased to sanction the entire collective subscription of the Taluk for the High School Building at Perambalur.

Yours faithfully,

P. N. Ramaswami

Sir,

Subject:- COLLECTIVE SUBSCRIPTIONS- PERAMBALUR TALUK-
Utilization of the Subscriptions for the
construction of a Pucca building for the
BOARD HIGH SCHOOL, PERAMBALUR-Requested-

29/10/48

Kindly permit us to make the following
representations.

The Board High School at Perambalur started
in June 1944, has been located in 3 blocks of thatched
buildings provided by the High School Building Committee
at a cost of nearly Rs. 30,000 public donations. The Strength
of the school is 750. This is the only High School for
the whole Taluk, which is backward in education, ^{and this is} catering
to students of all religions and communities.

2. A pucca building is badly needed for the
school, and the estimate for it comes to Rs. 84,000. Besides,
the thatched roofing of the existing buildings has to be
replaced by tiled ones. The donations from the public alone
will not be enough to meet the cost of the pucca building.
So it was requested that the collective subscriptions of
this Taluk which come to the tune of Rs. 34,513--7--0 (in-
vestment plus interest) be granted to the District Board,
for the construction of the Pucca building of the High School.
A large body of villagers has given their consent for this
proposal, and much earlier, even at the time of deposit,
a sum of Rs. 8,000 was earmarked for the purpose. Construction
and repair of schools are included among the purposes for

Hoping that this appeal of ours will be sanctioned,

Dated 10-10-1948.

From

The Residents of Perambalur Taluk,
Tiruchirappalli District.

To The Honble Minister for Finance,
The Government of Madras,
Fort St. George MADRAS.

Sir,

Subject:- COLLECTIVE SUBSCRIPTIONS- PERAMBALUR TALUK-
Utilization of the subscriptions for the
construction of a pucca building for the
BOARD HIGH SCHOOL, PERAMBALUR-Requested.

Kindly permit us to make the following
representations.

The Board High School at Perambalur started
in June 1944, has been located in 3 blocks of thatched
buildings provided by the High School Building Committee
at a cost of nearly Rs.30,000 public donations. The strength
of the school is 750. This is the only High School for
the whole Taluk, which is backward in education, ^{and this} catering
to students of all religions and communities.

A pucca building is badly needed for the
school, and the estimate for it comes to Rs.84,000. Besides,
the thatched roofing of the existing buildings has to be
replaced by tiled ones. The donations from the public alone
will not be enough to meet the cost of the pucca building.
So it was requested that the collective subscriptions of
this Taluk which come to the tune of Rs.1,513-7-0 (in-
vestment plus interest) be granted to the District Board,
for the construction of the pucca building of the High school.
A large body of villagers has given their consent for this
proposal, and much earlier, even at the time of deposit,
a sum of Rs.8,000 was earmarked for the purpose. Construction
and repair of schools are included among the purposes for

Hoping that this appeal of ours will be sanctioned,
and thanking you,

Yours faithfully,

உலகமாதாஜி.

Please see herewith the representation of Mr. Canapathi Member, High School Committee, Reddiar, Perambalur. I understand certain subscriptions were collected from the villages and part of it was earmarked for the High School building but now the Revenue Department have ordered those collections to be refunded to the villages to be utilised for the various villages separately, though the villages themselves have desired that the amount should be utilised for the High School building which is serving their needs. I understand that the collector also has recommended that it is the wish of the villages. The Revenue Deptt. may be consulted over the matter and that matter may be put up.
