H.Q.2nd Madras Bn.U.O.T.C.
P.B.No.29 Trichinopoly.
7 July 1948.

Dear Sir,

Gazette of India Notification dated 12 June.1948 No.980 received at this HQ just now notifies that the UOTC Battalions will be disbanded with effect from 15th July.1948 and No.981 notifies that Units of the Senior Division of the N.C.C. have been constituted w.e.f.15 July.1948. Action therefore has to be immediately taken by us to implement the establishment of the National Cadet Corps Units to avoid a gap between the disbandment of the UOTC and the establishment of the N.C.C.

You will appreciate that when ~~the~~ once the existing cadets of the UOTC are disbanded, it would be rather difficult to re-enrol them after a gap in the N.C.C.

It is understood from the N.C.C.Directorate; New Delhi that enrolment forms for the cadets have already been sent to the Provincial Government. At least 650 copies of the forms may please be obtained and sent to this Hd Qrs immediately as the 15th July.1948 is only just a week off.

Meanwhile, it is presumed that the University will contact the Provincial Government and fix up the complete organization of the four proposed Madras Battalions N.C.C. and inform the N.C.C.Directorate New Delhi so that the new battalion may come into existence w.e.f 15 July.1948.

It is realised that it is not possible at present to recruit cadets from Colleges at Centres like Madura and Tinnevely where there are no UOTC Contingents at present in the absence of trained officers from these colleges. A start, however, can be made by changing over the existing UOTC Contingent into N.C.C. at their present centres. The other Colleges may perhaps make a start when the already selected Professors return to their colleges after training or the permanent staff of the N.C.C. arrive and are available to raise the new contingent whichever is earlier.

It is again emphasized that the gap between disbanding UOTC and establishing N.C.C.Units should be avoided because, when once the Units are disbanded, all arms, equipment, clothing and stores will have to be returned to Ordnance and it will be a long drawn out process to get them back later from there.

It is also known that as soon as the UOTC is disbanded, unless our N.C.C. plans are put into execution all the existing regular army officers and N.C.Os will be withdrawn and we will have to wait for fresh postings with all the attending inconveniences.

Perhaps our University Headquarters has also received a communication regarding the establishment of the N.C.C. with effect from 15 July.1948. At any rate it is requested that immediate action be taken to avoid complications.

With best regards,

Yours sincerely,

To: S.Govindarajulu Naidu Esq. B.A., B.D., BLB,

12th July 1948.

Dear Mr. Avanashilingam Chettiar,

I am sorry to trouble you so soon after the long trip just done by you. But the matter is not only urgent but also one in which I know you are keenly interested, i.e., the University Officers Training Corps.

You are fully acquainted with the scheme for expanding military training for students and the constitution of the National Cadet Corps. But the tragic part of it seems to be that in the process we are likely to lose temporarily (I do not know for how long) completely even the little that we have got. Under the present orders of the Government of India, the U.O.T.C. will be disbanded on the night of the 14th July. It is open to the Provincial Governments to establish a National Cadet Corps from the 15th. Mr. M.V. Subrahmaniam informs me that the Provincial Government is unable to pass orders now establishing the Corps. The consequence will be that the Officers and the enrolled men of the U.O.T.C. will be disbanded, the instructional staff lent by the regular army will go and the arms and equipment will have to be surrendered on the 14th. Thus there will be a complete break and we do not know when we can get all this back when once it goes.

It is a matter of urgent importance that the Provincial Government should immediately constitute the National Cadet Corps so that the existing organization of the U.O.T.C. will be converted into the National Cadet Corps on the 15th.

I feel very strongly that it will be a great loss to our Province if this break should occur. I shall be glad to see you along with the Commandant of the Adjutant

-2-

of the U.O.T.C. tomorrow afternoon (if it is convenient to you). It would be necessary to request the intervention of the Premier if you agree that there should be no break in the military training which our students are now getting.

Yours sincerely,

Aboundasayulu

U.O.T.C., Madras.

Ref: Gazette of India Notification No. 980 dated
12th June ordering disbandment of all U.O.T.C.
Battalions in India.

I am submitting herewith suggestions and financial implications of how the U.O.T.C. Battalions may be allowed to continue in Madras. If the U.O.T.C. Battalions are disbanded, it will take considerable time and energy to re-form the same ~~as~~ under the National Cadet Corps. It has taken about twenty six years to build up the U.O.T.C. Battalions to its present strength and standard and every effort must therefore be made not to have a gap between the disbandment of the U.O.T.C. Battalions and the formation of the National Cadet Corps. If the Government of Madras can find a way to sanction one lakh of rupees for the year 1948-49, the existing battalions may be allowed to continue as the initial stage of the formation of the National Cadet Corps.

Extract from the Gazette of India No. 980 of 12th June '48 notifies that U.O.T.C. Battalions will be disbanded with effect from 15th July '48.

The immediate consequences of the implementing of the same are:-

- (a) All U.O.T.C. Bns. will cease to exist w.e.f. 15-7-48
- (b) All Arms, Equipment, Clothing & Stores will be collected checked and returned to the respective Depots of Ordnance at the earliest.
- (c) Civilian Staff; Clerical, Menial, & Drivers will have to be discharged with immediate effect.
- (d) Regular, Permanent Army Staff will have to close down completely U.O.T.C. books and correspondence and return to the Parent Unit.

7

Extract from the Gazette of India No. 981 of 12th June '48 notifies the Establishment of the Senior and Junior Divs National Cadet Corps for the Madras Province. Budget estimate for the same has been presented allready. In the case of any difficulty in implementing the same the following action is suggested:

- (a) The Junior Division of the N.C.C. may start working at a latter date.
- (b) The strength of the Senior Division of the N.C.C. may temporarily be fixed at the existing UOTC numbers of 941 for the 1st (Madras) Bn. (Hq. at Madras) and 486 for the 2nd (Madras) Bn. (Hq. at Trichy).
- (c) The estimated minimum expenditure for carrying on the existing UOTC Bns. as senior Divs of the N.C.C. is given in an annexure. (appended)
- (d) This may be carried out by obtaining permission from the Army authorities for the retention of all Arms, Equipment Stores, Clothing and Office equipment now on charge. Adjustments could be made later when the full scheme is implemented.

p 11 infra

This action taken now will help continuity of Trg. and retention of the standard and keenness for military Trg. built up in the last 26 years. When once the existing arms and Stores are returned to Ordnance it will be very difficult to get them back. Unless this is accepted the whole civilian establishment will have to be sent away and it is known that the regular permanent staff will be withdrawn too.

Efforts are therefore to be made by all means to avoid the gap between the disbandment of the U.O.T.C. and the raising of the N.C.C. What a simple change over can effect now will be an uphill task if put off to a future date.

Budget Estimate from 15th July '48 to 31st March '49 for working the existing N.C.C. Bns. as Senior National Cadet Corps.

Note. The above is calculated on the basis that all the existing Arms, Equipment, Stores, Clothing and Office Establishment held on charge are transferred to the new N.C.C. Bns. and the pay of regular Permanent staff which it is presumed will be continued to be paid by the Central Government - Defence Department.

AIR MAIL.

Dear Sardar,

This is to confirm the wire that I have sent to you this day, copy of which is enclosed herewith. The Cabinet is considering the matter of introducing the National Cadet Training Corps in our schools and colleges and it will take some time to come to a final decision in the matter. The abolition of the U.O.T.C., which has been built on a labour of 26 years suddenly, will create a gap which will take many years to rebuild, if we once abolish it. In these circumstances, I would suggest that the U.O.T.C. may be allowed to continue for some time till the National Cadet Training Corps are properly organized in the Province.

Expecting an early reply,

Yours sincerely,

This H.Q. is extremely happy that the timely action taken by the Provincial Government has averted a catastrophe by the acceptance of the existing Battalions of the UOTC being converted into Units of the Senior Division of the National Cadet Corps w.e.f. 15 July 1948.

With respect however to procedure that is required by the Army authorities, this H.Q. has the following suggestions to offer, and consider that early action in this matter would promote smooth operation of the process of conversion from UOTC to NCC.

The UOTC was reorganized from the former UTC by the authority of letter No.7809/A.G.7(a) dated 7 Oct 1942 wherein the authority for raising, the establishment, composition of Units, taking over from UTC the arms equipment clothing etc have been given. It is requested that early action be please taken on the following lines:-

- (a) Letter to the National Cadet Corps Directorate informing them that pending acceptance of the full NCC scheme it is proposed by the Provincial Govt to reorganize the two existing UOTC Battalions into 1st and 2nd Madras Bn NCC w.e.f. 15 July 1948 and asking for sanction for the same.

DETAILS: 1st Madras Bn NCC strength... with H.Q. at Madras and composed of contingents from Colleges at Madras, Ananthapur and Kumbhakonam as at present in the UOTC.
2nd Madras Bn NCC strength... with H.Q. at Trichy and composed of contingents from Colleges at Tambaram and Trichinopoly as at present in the UOTC.

- (b) Letter to the NCC Directorate requesting that

20/17

authorization be please issued to transfer all the arms, equipment and stores, clothing, Office equipment etc to the newly formed NCC Battalions.

(c) Acceptance of financial implications in respect of the Civilian Establishment, trg and camp expenses of the two Battalions till the end of the current financial year.

(d) The following papers to be sent to the H.Q. of the existing UOTC Battalions.

- i. Application forms to be filled in by the Principals of Colleges.
- ii. Enrolment forms for ORs (600 atleast) *for this Pn.*
- iii. The National Cadet Corps Act.
- iv. Information papers regarding the Senior Division Units in our Province.
- v. National Cadet Corps Committee's Report, 1947 which forms ^{the} basis for the NCC.
- vi. Any other connected papers such as Syllabus etc

Dear Sir,

I am directed to state that the Standing Committee of the Legislature for the Ministry of Defence, at its last meeting held on Friday the 25th June 1948, in taking note of the fact that the Madras Government had not as yet informed the Government of India whether they were prepared to implement the National Cadet Corps, desired the Ministry of Defence to inform the Madras Government that, in their view, Madras, like other Provinces, should fall in with the Central Government Scheme. Any further delay in taking a decision by the Madras Government will mean that the National Cadet Corps Units will not be set up in the Province this year, as it will not be possible for regular Army units to undertake the training of the officer trainees of the National Cadet Corps until some time next year. The Government of Madras are no doubt aware that U.O.T.C. units are being disbanded with effect from 15.7.1948 and regular army personnel employed with these units posted elsewhere. It is therefore suggested that the acceptance of the N.C.C. scheme by the Government of Madras may be communicated as early as possible.

Sir,

I am directed to refer to your letter No. 51265-B1/48-3 Education dated 15th July 1948 in which you forwarded the decision of your Government that the existing Battalions of the UOTCs in Madras need not be physically disbanded with effect from 15th July 1948.

2. It is regretted that your request for approval of this arrangement and permission to retain arms, equipment, stores etc. on charge, cannot be accepted unless your Government accepts the National Cadet Corps scheme.

3. The existing strength of the 1st and 2nd Madras Battalions UOTC amounts to 1,427. If Madras Government desires to retain this existing strength, I am directed to suggest that Madras Government should accept the National Cadet Corps scheme and implement it only for this total strength for cadets for the Senior Division. This would allow your Government to raise 3 Infantry Battalions, each of 3 Companies, of the Senior Division whose total strength will amount to 45 officers and 1,410 cadets, each Infantry Battalion of 3 Companies being of the strength of 15 officers and 470 cadets. If the Madras Government accepts this suggestion, consequential arrangements for the training of the National Cadet Corps Officers, the posting of Regular Army personnel to the Units and the provision of necessary arms, equipment etc., will be made.

I acknowledge receipt of your letter No. 51265-B1/48-7
Education, dated the 22nd July 1948, enclosing copy of
the letter from the National Cadet Corps Directorate No.
0048/48/NCC (Ministry of Defence) dated the 20th July 1948.

It would appear that the National Cadet Corps
Directorate is not prepared to permit any arrangements
here to continue unless the Madras Government accept the
National Cadet Corps scheme. On the other hand, they
accept our proposal that it need be implemented only to
the extent to which the present U.O.T.C. is enrolled.
It is no doubt necessary for the Provincial Government to
consider very carefully the full financial commitments
of accepting the National Cadet Corps, before coming to
a final decision. On the other hand, if it is made
clear that accepting it only to the extent of maintaining
the present numbers in the form of National Cadet Corps
does not commit the Provincial Government to the full
scheme, it may be worth while satisfying the technical
requirements of the National Cadet Corps Directorate.

The importance of doing this arises out of other
communications which are being issued for disbanding the
U.O.T.C. staff. Orders have been received by the

DRAFT FOR APPROVAL.

Commandants of our two U.O.T.C. Battalions to relieve their J.C.Os., and N.C.Os., to join their parent Units. Actually the Adjutant at Trichinopoly, Captain P.A. Jones, has been posted as Officer Commanding Delhi Battalion, National Cadet Corps. The communication also states that orders will issue with regard to the handing over of Arms and Equipment. This apparently applies to the Provinces of Madras and United Provinces, whose Provincial Governments have not accepted the National Cadet Corps scheme.

As desired by you, I have gone into the question of the reallocation of the personnel into three Battalions and their allotment to the various Colleges. There is moreover another question which is implied in the communication of the National Cadet Corps Directorate. If the U.O.T.C. is converted into the National Cadet Corps, it will have to be equipped, officered and maintained according to the scale of the National Cadet Corps and not that of the old U.O.T.C. The estimate that was submitted by the two Officers Commanding the U.O.T.C. Battalions of about a lakh of Rupees was based on the scale of the U.O.T.C. They now inform me that if it is maintained on the scale required for the National Cadet Corps, the expenditure would be much higher. They have given me estimates under the two items - (1) The cost of training 22 additional Officers amounting to Rs.29,975/-; (2) Other expenditure including clothing amounting to Rs.3,06,363/12/-, making a total of Rs.3,36,338/12/-. It will thus be seen that if the intention of the National Cadet Corps Directorate is that the U.O.T.C. could not be continued with a mere change of name but that it should conform to all the new requirements, Government will have to consider whether they are prepared to do this. It has, however, been pointed out by the Officers Commanding that this large sum of Rs.3,36,338/12/- need not necessarily be incurred in the course of this year and a substantial part of it need never be incurred at all for the following reasons:-

- (1) The amount of Rs.29,975/- estimated for the training

of 22 Officers may well be postponed for the next financial year, if permission is given to carry on with the existing 24 Officers and the extra number of Officers are trained in the summer vacation of 1949.

- (ii) If we are permitted to work this year with 24 Officers, the pay of the senior Division Officers could be reduced by one half to Rs.11,500/-.

- (iii) Provision is made for 11 drivers, but as the Battalion has now only two and the remaining 9 are not likely to be supplied immediately, there can be a saving of at least Rs.3,500/-, in the current year.

- (iv) If the number of Officers for this year is only 24, the amount provided for rations of Officers at the general camp and at the cadre camp could be reduced by Rs.3,400/-.

- (v) The amount provided for capitation grants and certificates is on the basis that every one may qualify for them, but actually not more than 75% are likely to do so, and this will lead to a reduction of Rs.1750/- at least.

- (vi) The sum of Rs.16,500/- provided for furniture is on the basis that the N.C.C. Battalions will have to purchase all the required office furniture. This again could be postponed by hiring of certain part of it and the amount provided could, this year, be reduced by Rs.10,000/-.

The total reductions will then amount to Rs.60,125/-.

- (vii) And lastly, a large amount of Rs.1,21,550/- has been put down as the cost of the clothing. Actually, this is the original cost of the clothing supplied to the U.O.T.C. Its book value at the present time is almost nothing, and if we are permitted to retain this clothing, this sum need not be spent. Thus, altogether, there is a change of Rs.1,81,675/- being saved, including the sum of Rs.29,975/- for training 22 Officers.

27-29
-4- 20 28 26
This leaves a balance of Rs.1,54,663/-. As Government have already very kindly considered in the special circumstances the desirability of continuing Military training to our students and agreed to bear the burden of a lakh of Rupees, it is hoped that for the same reason they will also consider very urgently the desirability of incurring this additional expenditure in case the National Cadet Corps Directorate desire that the scale of expenditure should be in accordance with the new scale of the National Cadet Corps and not the old scale of the U.O.T.C.

It is not clear why the National Cadet Corps Directorate wants our cadets to be divided into three Battalions of 9 Companies. I am informed by the Officers Commanding that it is not a fixed part of the National Cadet Corps Act that a Battalion should consist only of three Companies. Actually, it would appear that when Colonel Bewoor was here, he indicated in the course of the discussion that he would leave a very considerable latitude to the Universities for making these allocations. On the basis that no objection would be raised to our having for the present two Battalions, the allocation is stated in the report of the Officer Commanding the 1st Battalion, namely two Battalions with 4 Companies each with headquarters at Madras and Trichinopoly respectively. If, however, it is obligatory that there must be three Battalions and 3 Companies in each, the allocation suggested by the Officer Commanding the 1st Battalion is as follows:-

22
1st Battalion: Headquarters Madras, with 3 Companies as follows:-
i. Pachaiyappa's College
ii. Presidency College & Govt.Arts College, Anantapur.
iii. Loyola College.

2nd Battalion: Headquarters Madras, with 3 Companies allotted to
i. Government Muslim College
ii. Madras Christian College
iii. Medical & Engineering Colleges together.

3rd Battalion: Headquarters at Trichy, with 3 Companies allotted to
i. St.Joseph's College
ii. National College,
iii. Govt.College, Kumbakonam.

But this arrangement would clearly be only the second best, and it will also be noted that this arrangement will provide for only 3 Infantry Battalions and will be leaving out all technical Units. In the scheme put forward by the Officer Commanding the 1st Battalion, in addition to the two Infantry Battalions of 4 Companies each, there will be three technical Units, all of them with Headquarters at Madras as follows:-

(*) Medical Unit attached to the Madras Medical and Stanley Medical Colleges.

(ii) Engineering Platoon

(iii) Signals Section,

the last two attached to the Engineering College, Guindy. There is already a fair amount of equipment for the Engineering and Signals section, and it would be a pity to lose that. The total strength on that basis would be 1476 cadets, and it is probable that this small excess over 1410 suggested by the National Cadet Corps Directorate would not be objected to.

In view of the order already referred to, directing that the permanent Army Officers of the U.O.T.C. should rejoin their parent Units and orders are to be issued for the surrender of equipment, it is suggested that Government should decide very urgently on the steps necessary for continuing Military training for our students.

Yours faithfully,

B. Sundarajulu

P.B.No.29. Trichinopoly:25 July 1948

Sub:-
Sir,

NATIONAL CADET CORPS.

Ref your No.A.3208 dated 23 July 48 received
last now and the reply to you from the 1st Madras Bn vide No.1/40/
NCC dated 24 July 48.

I have the honour to remark that under peculiar
circumstances that have suddenly arisen, the starting of the
Senior Division in our Province in the proposed form as suggested
by the 1st Battalion is quite feasible and cheap.

This H.Q. completely agrees with the suggestion
and recommends that necessary action be immediately taken with the
N.C.C. Directorate through the Provincial Government to prevent
the catastrophe mentioned in para 8 of the 1st Madras Bn's letter.

It is however suggested that in case the
Provincial Government is unable to accept the full implications
of the financial commitments involved, the following modifications
and postponement may be effected without impairing the efficiency
of the Battalion this year.

- (a) 1. The training of 22 new Officers required to
complete Officer establishment may be postponed
to the next summer holidays, the Battalions
agreeing to carry on with the existing UOTC
Officers and the additional permanent Staff
who are expected to be posted as soon as the
NCC is formed.
11. This would cut down the expenditure by roughly
Rs.30,000/-. In fact, if the training of the
Officers is carried out during the summer
holidays, a saving of Rs.11,000/- as pay of
reliefs will be effected.
- (b) 11. If the clothing now in stock with the two UOTC
Battalions is taken over, the total cost less
depreciation will be negligible thus saving
an additional amount of Rs.21000/-

PTO.

28

- (c) Considering the existing strength of Officers, the expenditure involved will be cut down from Rs.23000/- to Rs.11000/- thus saving another Rs.12000/- from the budget if the new Officers are not taken in before the 1st April 49.
- (d) Calculating the cost towards Capitation and certificate grants, practically speaking only 75% expenditure will be actually involved. Thus out of the total budgeted amount under the head vide Serial No.8 of the Budget Estimate, the expenditure involved would be only Rs.30,000/- approximate thus saving another Rs.7000/-
- (e) The two Battalions now have a truck each on charge and at a pinch the training may be continued till the end of the year. As the additional 9 vehicles required to complete the establishment are not likely to arrive before the end of the year, this would entail a further saving of Rs.5500/- (by 7 MTD in)

The total amount expected to be saved as above amounts to Rs.18000 out of the total budgeted expenditure of Rs.30000/- thus leaving Rs.11000/-

111. The University and the Provincial Government will kindly appreciate the readiness of the two existing Battalion Hd Qrs to fully co-operate and thus enable any breakdown in the trend of military training in our Province. The small additional expenditure of Rs.10000/- will not be considered too high on additional commitment over and above the sum of Rs.100,000/- budgeted for previously on the 13th July and kindly accepted by the Provincial Govt.

It is particularly requested that the local army authorities be immediately informed not to press the orders for disbandment in view of the very practical suggestion now put forward to the National Cadet Corps Directorate to start the NCC Battalions in our Province at an early date. It is presumed that necessary immediate action will be taken up with the NCC Directorate to agree to this new scheme and make it a success.

Before concluding, I would like to mention that under the present circumstances, the original proposal of the University to raise Corps of the NCC at new centres like Mangalore, Coimbatore, Madura and Tinnevely have not been catered for at present. It is visualized that they may be allowed to come in at a future date when sufficient funds and facilities are available for expanding the NCC Battalions or raising new Bns.

Ref: Your A/3208 dated 23rd July '48.

1. Reference para 2, N.C.C. Directorate No. 0048/48/NCC dated 20th July '48. The disapproval of the arrangement suggested by the Provincial Government of not physically disbanding the UOTC and yet accepting the nucleus organization of the N.C.C. is a technical one. What is obviously needed is the Acceptance of the N.C.C. to the strength of existing U.O.T.C. Bns. ie. 1427, and consequent disbandment of the U.O.T.C. Bns. as such.

2. Reference para 3, N.C.C. Directorate No. 0048/48/NCC dated 20th July '48. The existing strengths of the present U.O.T.C. Bns. does amount to 1427. The suggested splitting up of the total strength into 3 Inf. Bns. of 3 Coys each would normally be feasible.

3. The existence however of the Tech. Dett and a Medical Coy in the present organization does not lend itself to such a balanced splitting as suggested in the preceeding paragraph since the eventual of the N.C.C. scheme idea is to have technical units in technical colleges as separate entities compared to Infantry units/Sub units.

4. In keeping with the above idea it is suggested that right from the inception of the N.C.C. in this province the separate technical units be maintained as such while the existing Inf units/Sub units be divided into 2 Inf. Bns of 4 Coys each.

5. This would mean the following detailed organization and allotments of units to the various colleges

Serial No.	Designation DISBANMENT of unit.	Allotment by Colleges	Total Strength incl Officers.
1.	1 Madras Bn. N.C.C. (HQ. at Madras)	Pachaiyappas College Madras. - 1Coy Loyola College, Madras. - 1 " Presidency College, Madras. - 1 " Govt. Muslim College) Madras) and Govt. Arts College,) Ahantapur. Kumbakonam)	645
2.	2 Madras Bn. N.C.C. (HQ. at Trichy)	St. Joseph College, Trichy - 1Coy National College, Trichy - 1 " X'and College, Tambaram. - 1 " Govt. Arts College, Kumbakonam. - 1 "	645

Serial No.	Designation of unit.	Allocation by colleges.	Total strength incl. Officers.
3.	3 Madras Medical Coy N.C.C. (HQ at Madras)	Madras Medical College Stanley Medical College	62
4.	3 Madras Engineer Platoon N.C.C. (HQ at Guindy, Madras)	Govt. Eng. College, Madras.	62
5.	3 Madras Signal Section N.C.C. (HQ at Guindy, Madras)		62
Total strength 1476			

6. It will be observed from the above that this result does not entail any appreciable difference from the strength of 1427, agreed upon by the Provincial Govt and the N.C.C. Directorate and at the same time, it satisfies the eagerly felt need of technical institutions for technical units, which has been overlooked in the N.C.C. Directorate scheme of dividing the existing U.O.T.C. strength into three Inf. Bns only.

7. The financial implications of the suggested division based entirely on the N.C.C. budget estimate is herewith attached. While observing that this differs from the estimate which stands sanctioned now, it is pointed out that the attached budget estimates cater for

- (a) Trg of 22 officers needed to complete officer establishment
- (b) Cost of Office Equipment and establishment of 22 officers provided free of cost to the UOTC by the Defence Dept.
- (c) Cost of brand new clothing at stock book rates, which could be written off from the present stock held by U.O.T.C. at depreciation value (cost practically negligible)
- (d) Cost towards capitation and certificate granted taking into account that all the 1430 cadets will be eligible for the above awards, while practical considerations assume a 75% eligibility.
- (e) Cost towards drivers on a basis of a strength of 11, while the actual receipt of 9 more vehicles would take considerable time and thus save their wages.

It is however presumed that the provision of office accommodation for the 2 suggested Inf. Bns and 3 Tech. Bns, will be the responsibility of the Provincial Government.

8. In conclusion, it is stressed that the acceptance of the N.C.C. scheme and the consequent financial implications on the lines suggested would prevent the N.C.C. Directorate from carrying out the scheme of dividing the existing U.O.T.C. strength into three Inf. Bns only.

(a) The lamentable break between the establishment of the U.O.T.C. and raising of the N.C.C.

(b) The adverse effect on recruitment into the N.C.C.

(c) The threatened withdrawal of Regular staff and the complete stores and equipment now on charge

NOTE: Has.

(d) the waste of effort and time in disposing off the stores now available and subsequent enormous delay in getting the stores and the army staff again available, when the province is ready to go ahead with the scheme.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a formal communication, and it is written in a very formal and dignified style. The President begins by addressing the Congress, and then he goes on to discuss the state of the Union. He mentions the progress of the country, and he also mentions the difficulties that the country is facing. He then goes on to discuss the policy of the administration, and he ends the letter by expressing his confidence in the Congress.

FORMATION OF A NATIONAL CADET CORPS IN THIS PROVINCE.
Supplementary note.

29.7.48
A note for the informal meeting of the Hon'ble Ministers on the above subject was circulated on 19th July 1948. Subsequently the Government of India, Ministry of Defence have pointed out that in their view, Madras, like other Provinces should fall in with the Central Government scheme and that any further delay in taking a decision by this Government will mean that the National Cadet Corps Units will not be raised in this Province this year as it will not be possible to arrange for the training of the officers to man the units until some-time next year. They have therefore suggested that the acceptance of the National Cadet Corps Scheme by this Government may be communicated as early as possible. 34

(Contains in para. 5 of the report at (A))

p 22 of
34
The Government of India had notified the disbandment of the existing battalions of the U.O.T.C. from 15-7-48. As there may be practical difficulties in raising the Senior Division of the National Cadet Corps if the existing battalions of the U.O.T.C. are disbanded

with reference to this Committee's proposal
this Government proposed to convert the two battalions of the U.O.T.C. Madras into units of the Senior Division of the N.C.C. pending the acceptance of the scheme, the Government of India have regretted their inability to approve of this arrangement unless this Government accept the National Cadet Corps Scheme. They have suggested in that connection that if this Government accept the scheme, and they may implement it only for the total strength of 1425 of cadets for the Senior Division, by raising 3 Infantry Battalions each of 3 companies of the Senior Division may be raised and if the suggestion is accepted, consequential arrangements for the training of officers will be made. In view of the urgency, the Director, National Cadet Corps has been informed by telegram that this Government accept the suggestion and that arrangements may be made with Army Head-

quarters to stay or countermand the orders issued regarding
disbandment of U.O.T.C. personnel. Copies of the letters
from the National Cadet Corps Directorate and of the tele-
graphic reply given are circulated for information.

The ultimate cost of converting the existing U.O.T.C.,
Madras, into 3 Infantry Battalions of the Senior Division
is now estimated by the V.C. of the Madras University
of the N.C.C. is estimated approximately at Rs.3.36 lakhs,
although the immediate cost is expected to be much less,
viz. Rs.1.55 lakhs.

NEW DELHI
26th July 1948

My dear Chettiar,

Will you please refer to your letter of 13th July
regarding the retention of the U.O.T.C. in Madras till
the formation of the National Cadet Corps. You may have
already seen the reply (copy enclosed) of the Director,
National Cadet Corps, to the official reference made by
your Department on the subject. All the Provinces except
Madras have already accepted the National Cadet Corps
scheme. The organisation of the National Cadet Corps is
fundamentally different from that of the U.O.T.C. and I
hope you will agree that there is no point in continuing
the U.O.T.C. in one Province when it has been disbanded
in all the other Provinces. If you are anxious to retain
the existing personnel of the U.O.T.C., I suggest that
you accept the recommendations of the Director, National
Cadet Corps to form three battalions of the senior division
of the National Cadet Corps out of the existing strength
of the two battalions of the U.O.T.C.

I hope you will find it possible to accept the
National Cadet Corps scheme as a whole without further
delay.

Yours sincerely

Sir,

pages 14-15 ante

I am directed to refer to your letter No.51265-B1/48-3 Education dated 15th July 1948 in which you forwarded the decision of your Government that the existing Battalions of the UOTCs in Madras need not be physically disbanded with effect from 15th July 1948.

2. It is regretted that your request for approval of this arrangement and permission to retain arms, equipment, stores etc. on charge, cannot be accepted unless your Government accepts the National Cadet Corps scheme.

3. The existing strength of the 1st and 2nd Madras Battalions UOTC amounts to 1,427. If the Madras Government desires to retain this existing strength, I am directed to suggest that the Madras Government should accept the National Cadet Corps scheme and implement it only for this total strength for cadets for the Senior Division. This would allow your Government to raise 3 Infantry Battalions, each of 3 Companies, of the Senior Division whose total strength will amount to 45 officers and 1,410 cadets; Each Infantry Battalion of 3 Companies being of the strength of 15 officers and 470 cadets. If the Madras Government accepts this suggestion, consequential arrangements for the training of the National Cadet Corps Officers, the posting of Regular Army personnel to the Units and the provision of necessary arms, equipment etc., will be made.

4. I am to request that a very early reply may be sent.

Yours faithfully,

G.O.No. 1942 Education dated 5th August, 1948.

Abstract.

38
National Cadet Corps - Retention of the Clerical and menial staff attached to the University Officers' Training Corps Units for the National Cadet Corps Units to be newly formed - Payment of salaries and allowances - Orders passed.

Read the following:-

From the Registrar, University of Madras, No.A.3192 dated the 22nd July, 1948.

From the Registrar, University of Madras, No.A.3291 dated the 30th July, 1948.

ORDER:-

The question of converting the two battalions of the University Officers' Training Corps into infantry battalions of the Senior Division of the National Cadet Corps with effect from the 15th July, 1948 is under consideration and the requisite sanction of the Government of India has been sought for. Pending a final decision in the matter, the Government of India sanction the retention of the civilian clerical and menial staff employed for the University Officers' Training Corps battalions at Madras and Trichinopoly for the National Cadet Corps units proposed to be newly formed. The staff specified in the Annexure to this order will be allowed to draw pay at the rate they were drawing on 14th July, 1948 and dearness allowance at the rates admissible to Provincial Government servants under G.O.No. 99 Finance, dated the 29th January, 1948. The Accountant-General Madras, is requested to instruct the Treasury Officers concerned to accept the pay bills of the civilian ~~clerical~~ clerical and menial staff presented by the Adjutants of the 1st and 2nd battalions and to disburse the amounts to the Adjutants concerned. The Accountant-General is also requested to admit the expenditure in audit expenditure in audit pending provision of funds.

2. The expenditure may provisionally be debited to a new sub-head 'National Cadet Corps' under '37 Education - Miscellaneous - A. General(1)- Excluding Postwar Reconstruction' as the National Cadet Corps Act, 1948 contemplates the constitution of divisions to which recruitment should be made from students studying in colleges and high schools. The Accountant-General is requested to report whether this head of account may stand finally also.

Government of India,
New Delhi, 5 Aug 48.

Subject:- NATIONAL CADET CORPS.

Sir,

I am directed to acknowledge your telegram dated 27th July 1948 and to state that the Govt of India are grateful to and thank the Govt of Madras for its decision to implement the N.C.C. Scheme.

2. The total number of officers required for the 3 Inf Bns is 45. It is understood that 30 officers of the U.O.T.C. are available for service with the N.C.C. Units. Action has, therefore, to be taken by you to train 15 officers. Please contact Headquarters Madras Area and make arrangements with them for:

(a) Selection of the officers trainees by a Joint Civil-Army Selection Board

(b) the units which will undertake this training

(c) the dates for the training to commence.

Details of the training had been sent to you in Mr. Patel's D.O. letter No. 0010/48/NCC dated 26th April 1948. H.Q. Madras Area is being informed that you will be contacting them on this matter.

3. The cost of the raising and maintaining the 3 Units of the Senior Division is attached.

4. The Arms, Equipment and Clothing required for the Units is attached. Arrangements are being made with Army HQ (India) to despatch these to Madras (Central Rly Station). My D.O. letter No. 0010/48/NCC dated 17th June 1948 refers and an immediate reply to para 3 of the letter is requested. The Arms and Equipment with UOTC Units will be left in present locations.

5. Arrangements are being made with Army HQ (India) to post Regular Army officers, JCOs and NCOs to the NCC Units. Owing to the late decision of your Govt, these personnel can not be posted before 1st October 1948. In the meantime, Army HQ (India) have agreed to leave the Regular Army JCOs and NCOs with the UOTC Units until additional personnel or reliefs arrive. The Officers, however, are being moved without relief.

6. Copies of letters, sent to other Provinces and States and not sent to you, are forwarded herewith.

Yours faithfully,

S. H. M.

Colonel,
Director, National Cadet Corps.

Dear

I forward a proforma showing the allotment of Units, with their strengths, to the Provinces and States.

These were notified in the Gazette of India but the number of Companies in the Infantry Battalions was not shown therein. This will enable you to make the detailed allotment of Battalions by Colleges and Schools.

D.O.No.0010/48/NCC,
NATIONAL CADET CORPS DIRECTORATE,
(Ministry of Defence),
Government of India,
NEW DELHI, the 8 July 1948.

Dear

The points detailed below are forwarded for action and information, please.

2. Enrolment Forms

(a) Enrolment Forms for the cadets of the Junior and Senior Divisions were forwarded to you under our letter No.0010/48/NCC dated 30th April. An amendment to these forms was sent under my D.O. No.0010/48/NCC dated 8th June 1948 - (Para.8 of the paper "Points raised by Provincial Governments and explanations on them" refers). A fully amended correct Enrolment Form for each Division is attached at Appendix "A".

(b) Provincial Governments may please get these Enrolment Forms printed, and issued to the Colleges and Schools to which Units have been allotted.

3. Cleanliness and Upkeep of Clothing of Cadets

(a) The Rules and Regulations of the NCC will lay down that uniform clothing issued to cadets will not be used by them except for training and parades. Cadets will also ensure that their uniform is clean, starched (if possible) and smart when they attend parades.

(b) It has been pointed out that many cadets will not be able to pay for the washing of their uniform and maintain it at the high standard that is desired. There are two ways of overcoming this:-

(i) To pay cadets a small sum monthly to enable them to pay Dhobis for this work

(ii) The unit or part thereof allotted to a College or School should employ a Dhobi. The uniform being issued to the cadet before each parade and returned by him to the Store at the end of it.

I would suggest that the second alternative is better as it will be cheaper and a high standard of turn-out of cadets can be obtained. It will, however, mean more work for the laskars who will be the Storemen in both Senior and Junior Division Units. Repair of uniform can also be undertaken centrally.

4. I have arranged for Senior Division officer trainees to be issued with Olive Green cloth on payment to make up two suits of Olive Green Uniform. A letter issued by Army Headquarters to HQ Commands is attached at Appendix "B" for your information. Senior Division Officers are to receive an outfit allowance of Rs.250/-; these officers on arrival in army units have been issued with clothing costing about Rs.46/9/-; therefore these Senior Division Officers are still to get a little more than Rs.200/- as outfit allowance. I think Rs.100/- should be enough for them to buy the cloth and have the two suits made, and request that therefore these Senior Division Officer Trainees should be paid that part of their outfit allowance.

5. I am arranging for the following:-

(a) Recruiting Posters for the National Cadet Corps. These will be issued to you for putting up in Colleges and Schools.

(b) A recruiting film of one reel to be shown to College and High School Students showing the training in the National Cadet Corps.

6. A personal message from the Hon'ble the Defence Minister to NCC Officer Trainees of the Senior and Junior Division has been sent to Army Units training these officers. This will be read to them by the Officer Commanding the Unit. A copy of this message is attached at Appendix "C" for your information.

7. I attach at Appendix "D" a proforma which shows how many officers you still have to get trained for your Senior and Junior Division Units. I suggest that you approach the Headquarters of the Area or Sub-Area of your Province and arrange with them for:-

(a) the selection of the officer trainees by a Joint Civil-Army Selection Board

(b) the dates for the training to commence

and (c) the Units which will undertake this training.

I am writing to Headquarters of Commands and Areas informing them that you will be approaching them on this matter.

Yours sincerely,

G.G. Bewoor

NEW DELHI
23rd June 1948.

It is gratifying to know that the National Cadet Corps organisation has made such a quick start. It is the result of careful planning and a good deal of spade work. This is a creditable achievement and an auspicious start for your training.

I need hardly remind you of the nation-wide interest in the National Cadet Corps. The scheme is of national importance not only because it will impart military training which is so necessary for us all but because it will also inculcate in our youth the spirit of discipline and comradeship an essential pre-requisite of a free people. You are the pioneers in this great enterprise. You must know how great and noble your role is. It is through you when you return to your colleges and universities that ~~your~~ our youth will be inspired and led.

You have joined up on a wholly voluntary basis. While in camp you will live the life of a soldier. You will not be comfortable and the weather perhaps is not pleasant. But I am sure you will do your best. This is what everyone expects of you. Remember the measure of the progress of this scheme will be judged by the measure of the progress of this scheme will be judged by the measure of your success. Your Government, your leaders and your fellow-countrymen will watch your endeavour with keen interest. I am confident that you will come up to their expectations. Good luck to you all.

D.O.No.0010/48/NCC,
NATIONAL CADET CORPS DIRECTORATE,
(Ministry of Defence),
Government of India,
NEW DELHI, the 5 August 1948.

Dear Mr Subramanian,

The following arrangements have been made regarding the UOTC Units which were disbanded on 15th July 1948:-

- (a) Regular Army Officers may be posted away to another appointment. Regular Army Officers for NCC Units will be arriving in Provinces this month and will take command of the Units.
- (b) Regular Army JCOs and NCOs will remain with UOTC Units until replaced by Regular Army JCOs and NCOs appointed to the NCC Units. Some of the existing NCOs may continue to serve with the NCC Units.
- (c) Arms, Equipment, Stores and Clothing with UOTC Units shall remain in the same locations. The total arms, equipment etc. for NCC Units includes those with UOTC Units and therefore the quantities of these items being sent to you have been reduced accordingly.
- (d) Civilian personnel i.e. Clerks, Laskars, etc. cannot be retained on their present terms of employment but have NOT been dismissed and are continuing to carry out their duties. Provincial Governments are requested to retain the existing civilian personnel with the UOTC Units for employment with NCC Units. The scales of these civilian personnel have already been sent; their terms and conditions of service and scales of pay have to be fixed by the Provincial Government. It is, however, pointed out that the Provincial Governments must meet the cost of pay and allowances of these personnel from 15th July 1948.

CF columns 3 to 5 on
pays 8-12 and
48-49

2. 15-cwt trucks at the scale of 1 per Company or Unit of the Senior Division is being despatched for those Units. Provincial Governments are requested to make the following arrangements:-

- (a) The employment of a Civilian Driver and a Cleaner, if the employment of the latter is the practice in the Province regarding their Government vehicles. The scale of pay of these persons should be the same as for the Provincial Vehicle Drivers.
- (b) The provision of Petrol Coupons or Petrol and the cost of such petrol for these trucks. It is suggested that the maximum of 50 gallons per truck per month should be sufficient. The Regular Army Commanding Officers of Units will be responsible that these trucks are used for authorised purposes only. The scale of petrol suggested may have to be increased if experience shows that it is below essential needs.
- (c) Arrangements must be made with a Motor Workshop, in the town in which the NCC Company or Unit is located, for carrying out maintenance and repairs of these trucks. Cost of this will also have to be met by the Provincial Government.

1. The Select Committee's recommendations regarding the Libraries Bill are approved. S9

2. Board of Revenue - Abolition.

Resolved that the proposal be examined further and the alternative scheme for administering the several branches of work now attached to by it be drawn up in full detail for the consideration of the Council of Ministers.

3. Livestock - Cows - Slaughter - Prohibition - Legislation.

Resolved that though this Government are in sympathy with the idea behind the Resolution of Mr. Raghaviah, they feel that this is an All India question, and that they can undertake legislation only in consultation with the Government of India, and so the Member may be requested to withdraw his resolution. If he does not do so, the Government should oppose the Resolution.

4. Bill to amend the Industrial Disputes Act, 1947, in its application to the Province of Madras.

The Bill should be re-examined and H.M (Industries) should consult H.Pr. regarding the composition of the tribunal and other matters not covered by the present Bill.

5. Rural Reconstruction - Intensive work in selected firkas and centres - Scheme - Handpounding of Paddy - Encouragement - Consequent closure of Rice Mills.

The policy of Government will be (1) to discourage the milling of paddy in the selected firkas and centres and (2) to require the existing rice mills to adopt such methods as will conserve the maximum nutritive value of rice in the entire Province.

Hon'ble Dr. S. Gurubatham is requested to explore, in consultation with the Director of Industries and other technical experts, the possibilities of changing & or altering the milling apparatus for achieving object No.2 above.

This Resolution will not apply to Municipalities and Major Panchayats.

6. The proposal regarding the appointment of District Administrative Officers and abolition of Regional Officers is dropped.

7. The minimum extent of land to be assigned as house sites to Harijans will be limited to five cents.

8. Formation of National Cadet Corps in this Province.

The scheme is approved. In the selection of students, care must be taken to exclude undesirables like Communists. Steps may be taken to organise the National Cadet Corps.

9. The Madras Temple Entry Authorisation Act, 1947 - Amendments.

Both the amendments proposed in the note are approved.

10. Hon'ble Ministers to be supplied with furniture costing not more than Rs.3,500/- each.

11. In view of the disturbed conditions in certain parts of the Province, and the difficulty of enforcing Prohibition and under the advice of the Hon'ble Prime Minister of India, it was resolved that the extension of Prohibition to the remaining eight districts and the city of Madras be postponed to the 1st of April 1949.

3. As far as was known to me, there was no specific Engineer Unit raised as part of the UOTC in Madras Province. Information that was available to me showed that there were 2 Infantry Battalions and their total strength amounted to approximately 1,427. In view of this figure, and assuming that the Madras Government would desire to expand and have more NCC Units allotted to them in the next year, I make a suggestion that 3 Infantry Battalions, each of 3 Companies, of the National Cadet Corps be substituted for the UOTC Units. You will appreciate that by having a Battalion Organisation with only 3 Companies, it would be easy to expand these 3 Battalions into full-fledged 4 Company Battalions.

3. I regret that I cannot agree to the raising of any Technical Units unless the NCC Officers of these Units have been trained with Regular Army Units for the prescribed periods. From the correspondence attached to your letter I observe that the question of finance is exercising the mind of the Madras Government and therefore it will be possible to allow the NCC Infantry Units to be raised with less officers. It is not possible to agree to this procedure for Technical Units. I am, therefore, directed to suggest that if the Madras Government very much desire that the Technical Units, as suggested by the Vice-Chancellor of the Madras University, be raised, then I am prepared to allot additional Units and make necessary arrangements for the training of the officers who will be required for these Units.

4. Reference para 3 of your letter - I am directed to inform you that the Senior Division Units of the National Cadet Corps, which are being formed in place of the UOTC Units, will be equipped, officered and maintained according to the scale of the National Cadet Corps and NOT according to that of the UOTC. I am directed to draw your attention to my letter No. 0048/48/NCC dated 5th August 1948, in which details regarding raising of these NCC Units were sent and also total cost relating and maintaining these Units and the total requirements arms, equipment and clothing was forwarded to you.

5. Any further points that you wish to raise can be discussed with me when I come on tour to Madras and visit on 23rd August 1948.

Yours faithfully,

Director, National Cadet Corps.

I have forwarded to the Officers commanding the old U.O.T.C. Battalions, the letter under reference and a reply will be sent after consulting them.

It would certainly be advantageous to have a personal discussion with the Director of the National Cadet Corps and the Officers commanding the old UOTC Battalions. A time may therefore be fixed for this meeting on the 23rd afternoon. The Officer Commanding the Madras Battalion will definitely be here. I shall try and get the Officer Commanding the 2nd Battalion also. I shall also try to be present, but I may have difficulty in view of the next day being the Convocation day. If on the other hand a more suitable date could be found a little later probably on the return visit of the Director, I am sure to be able to attend that meeting.

The points which may be clarified at the conference with the Director, National Cadet Corps, are noted below:-

(i) WHETHER THE GOVERNMENT OF INDIA WILL RECONSIDER THEIR DECISION IN REGARD TO THE ALLOCATION OF THE EXPENDITURE AND BEAR ATLEAST A PORTION OF THE NON-RECURRING EXPENDITURE WHICH FALLS ON THE PROVINCIAL GOVERNMENT:-

In para 3 of the Government of India's letter No. 0018/48 NCCC dated the 12th April 1948, it was stated that as the training in the National Cadet Corps is a part of the educational training to be given to the youth of the country, the expenditure on the raising and maintenance of the corps would fall on the provinces. The Government of India undertake to bear the expenditure on the Central Organisation which will be required to exercise general control over the Senior Division of the N.C.C. and to assist Provinces in the running of the Junior and Girls' Divisions of the corps, on the pay and allowances of officers and Junior Non-Commissioned Officers of the Regular Army who will be posted to the N.C.C. Units and to provide arms and ammunition and equipment that may be required for training purposes by the units. They are also agreeable to make arrangements on payment for the supply of uniform for issue to cadets. The words underlined do not refer to payment being made by the Provincial Governments for arms and ammunition and equipment as in the case of supply of uniforms to cadets, but in the total financial cost of raising and equipping the N.C.C. ^{furnished by the Director NCC} the cost of equipment and clothing has been taken into account. The cost as worked out therein is as follows:

Cost of equipment	Senior Dn.	Rs. 6.79 lakhs.
	Junior Dn.	
	Total	.10 do
Cost of clothing.	Senior Dn.	6.89 do
		2.02 do
	Junior Dn.	
	Total.	4.03 do
		6.05 do

It may be ascertained whether Provincial Governments have raised the question of reallocation of expenditure and have requested the Government of India to bear a portion

of the expenditure which falls on the Provincial Govts. and if so, with what result. If the question has not been raised by other Provincial Governments it may be ascertained whether the Government of India will bear the cost of clothing - which is an item of equipment or a portion of the cost of the entire equipment - for example - Arms and ammunition.

(ii) FORMATION OF THE SENIOR DIVISION OF THE NC.C.

The allotment of units to the Senior Division is as follows:-

		Strength of cadets.	No. of officers.
Madras	Two Infantry Battalions of four companies at Madras.	1250	40
	One Infantry Battalion of four companies for colleges outside.	625	20
	TECH. UNITS:	1875	
	One Engg. Unit at Guindy.	60	2
	One Medical Unit at Madras.	60	2
	One Signal Unit at Madras.	60	2
	Total.	2055	66
Andhra.	One Infantry Battalion of two companies at Waltair.	315	10
	Grand Total.	2370	76

The Director, NCC, has agreed to the formation of 3 Infantry Battalions of 3 companies each by the Madras University with a strength of 1410 cadets and 45 officers in place of the U.O.T.C. units and to these being developed into a full fledged 4 companies' battalion later on. He has stated that he cannot agree to the raising of the Technical Units unless the NCC Officers of these units have been trained with Regular Army Units. If it is desired to raise these units, he is prepared to allot additional units and make arrangements for the training of officers, ~~and make arrangements for the training of officers who will be required for these units~~, namely six officers. The period of training is 4 months for Engineer and Signal Unit officers. It may be decided in consultation with the V.C., Madras University whether the formation of the Technical Units may be taken up later on. Allotment was made for the Annamalai University. It

has agreed to enter the organisation with 5 officers and 150 cadets. The Ministry of Defence, Government of India, have advised the University to approach this Government for allotment to this University of a company. It has to be decided whether this should be an independent company or whether this should be included in the Infantry Bn. to be formed by the Madras University for colleges outside Madras and if so, whether the Madras University should be asked to allot 2 companies ^{under its jurisdiction} for colleges outside and the third company being that of the Annamalai University. The former course seems preferable. As a consequence of this allotment, the number of cadets to be raised by the Madras University ^{may} be reduced from 1875 to 1725. The distribution of the units to the several colleges has to be decided by the University.

The allotment to the Andhra University is one Infantry Bn. of two companies with a strength of 315 cadets and 10 officers with headquarters at Waltair. The Vice Chancellor, Andhra University, has reported that it will be possible to constitute one independent company with headquarters at Waltair. The headquarters of the second company has not yet been decided. He has promised to send revised proposals. ~~He has been reminded~~

JUNIOR DIVISION OF THE N.C.C. :-

The allotment made by other Provinces is noted Below:

PROVINCE.	NO. OF CADETS.	TOTAL NO. OF UNITS.
Assam.	800	9
Ajmere - Merwara.	300	3
Bihar.	4000 x	45
Bombay.	4000	45
C.P.	2000 x	23
Coorg.	300	3
Delhi.	300	3
East Punjab.	2000 x	23
Orissa.	800	9
U.P.	6000	67
West Bengal.	3000	33

The number of cadets to be raised by this Province has to be decided. As against 6000 cadets ^(with 2000 officers) to be raised up to the first stage in this Province, it is for consideration whether 30 units consisting of 90 officers and 2700 cadets may be raised in the current year and if arrangements could be made for their training. A unit consists

225 90

of 3 officers and 90 cadets. - The DPJ has just submitted a statement showing the location of units in the Proforma attached to the Director's letter - vide 34 ③. According to the Govt of India ARRANGEMENTS FOR TRAINING:-

The Director, N.C.C. has arranged for the training of 15 officers required for the formation of three Infantry Battalions by the Madras University. He may be consulted whether it will be possible to arrange for the training of 5 officers proposed to be sent by the Annamalai University and also for the training of officers for the Junior Division this year and if so when it can be begun at the earliest. If it is not possible to arrange for the training in this year, it should be arranged so as to take place during the summer vacation of 1949.

CONTROL:- It is presumed that the general control over the Senior Division of the NCC should rest with the Universities concerned and over the Junior Division with the Director of Public Instruction. The authorities who should be empowered to incur the expenditure in connection with the training of officers and cadets should be specified. It may be ascertained from the Director, NCC what arrangements have been made in other Provinces where Senior and Junior Divisions have been formed.

N.C.C. SELECTION OF OFFICERS.

Sir,

I have the honour to inform you that at a meeting held at the Secretariat, the Room of the Hon'ble Minister of Education vide letter from Vice Chancellor No. A.3648 dt 18 Aug 48, the Director National Cadet Corps agreed to the suggestion of the Provincial Government to have the 1st and 2nd Madras Battalions NCC as 4 Coy battalions constituted by the Colleges providing UOTC contingents at present and an Engineering Dett at Guindy. Communication about this might have been already received by you from the Provincial Govt. It was also suggested that

- (a) the members of the Staff selected as Officers at a meeting held by the Vice-Chancellor on 5 July 48 be not reqd to attend another selection Board.
- (b) to meet the requirements of the situation, more members of the Staff ~~to~~ be called for from the existing UOTC Colleges to complete the authorised strength. These members of the Staff to be interviewed at an early date by a Civil and Military Board as before with a view to send all the selected Staff members for the three months trg commencing from 15 Sep 48.

It is presumed that action ^{is being} may pl be taken by you in respect of the above and that the ~~members~~ of the Colleges are ^{Principals} being circularized to fwd the names of selected candidates and arrange for their interview at Madras at an early date.

In this connection, it is added that at present, Christian College, Tambaram; St. Joseph's College, Trichy and National College, Trichy and Govt College, Kumbhakonam who are proposed to constitute the 2nd Madras Battalion N.C.C. are at present having only about 7 Officers on the active list while the requirement is 20 i.e. 5 per Coy. Out of the number to be trained, the following have already been selected:

- 1 from St. Joseph's College, Trichinopoly.
- 2 from National College, Trichinopoly and
- 1 from Government College, Kumbhakonam.

Sir,

Sub: National Cadet Corps - Sanction for raising of
National Cadet Corps in Colleges under Govern-
ment Control in the place of U.O.T.C.

64947
The existing battalions of the U.O.T.C. in Colleges are converted into Units of the National Cadet Corps. The Principals Presidency College, Madras and the Government College, at Ananta-
pur have requested permission to raise a unit of the National Cadet Corps, I submit herewith a copy of the circular letter No. A.3064 dated 15-7-1948 from the Registrar, University of Madras to the Principals of Colleges. I request that Government may pass general orders to the effect that all Government Colleges having at present U.O.T.C. Contingents are allowed to raise the Units of National Cadet Corps in the Colleges in the place of U.O.T.C. contingents.

Yours faithfully,

Copy of letter No.A.3064 dated 15--7--48 from the Registrar, University of Madras to the Principals of Colleges having U.O.T.C. Contingents.

I have the honour to forward to you the following communication dated the 14th July 1948 received from Government on the above subject:-

"I am directed to inform you that pending a final decision on the raising of the National Cadet Corps/this Presidency, the Government have decided that the existing battalions of the U.O.T.C. Madras may be converted into units of the Senior Division of the National Cadet Corps as from 15--7--1948. The existing battalions of the U.O.T.C. need not therefore be physically disbanded with effect from 15--7--1948 as per Notification of the Government of India No.980 dated 12th June 1948; they may continue to function as Units of the National Cadet Corps from that date".

From :-

Colonel G.G. Bewoor.

Dear Mr. Subramaniam,

You will have received a copy of the draft Rules of the N.C.C. These have been approved by the Military Legal authorities and, therefore, you are asked to give comments on the provisions therein rather than the legal aspect. I shall be grateful for especial comments on Part VII "DISCIPLINE", and as to whether the powers of punishment given to the Vice-Chancellor of the University are suitable. I would like to add that if NO comments are received by 15th September, I shall assume that your Govt accept the Rules.

2. It has been decided that Junior Division Officers, who are all being newly commissioned and therefore will have the rank of "Third Officer", shall receive an Annual Honorarium of Rs. ~~150/-~~ Rs. 150/- (Rupees One hundred and fifty). This will be paid before the School closes for its annual long vacations on condition that the Officer :

(a) has attended 80% of the parades during that year

(b) has attended the Annual Camp for 10 days.

The demand for the money should be submitted by the Headmaster of the School, in which the Unit or Sub-unit is located and to which the Officer belongs, to the Director of Public Instruction or Education, through the normal Education Inspection channels. The demand must be supported by a certificate signed by the Headmaster to the effect that the Officer has fulfilled the conditions laid down.

3. I would like to have immediate information as to which of the UOTC Officers are prepared to serve with the N.C.C. Units. Their date of commission in the I.T.F., the rank they hold at present and the N.C.C. Unit in which they will serve may also be sent. I shall then make arrangements for them to be commissioned into the N.C.C. as Senior Division Officers. You may assure them that they will be given the same seniority and rank in the N.C.C. as they held in the UOTC.

4. Enrolment of cadets of both the Senior and Junior Division shall be for a period of 2 years. The following exceptions are allowed during this year when the N.C.C. is being started :-

(a) Cadets for the Senior Division Units who have served in the / for a period of ONE year in UOTC, may be enrolled for for a period of 1 year only.

(b) School boys who are in the Matric class and therefore will be less than One year in the School may be enrolled, and I feel sure we can give them a certain amount of training before they leave School.

I have been asked by certain Provinces whether boys from the class just before the Pre-Matric class, i.e. a boy who has another 3 years in the School, may be enrolled in the Junior Division Unit. The decision is that boys from this class, if they fulfil the age and physical qualifications, may be enrolled; they will, however, be enrolled only for 2 years.

I have the honour to send herewith a list of
Colleges to which the N.C.C. Units have been allotted
in the proforma, as desired in National Cadet Corps'
Director's letter No. 0010/48/NCC dated 15th June 1948.

2. A list of Officers of the U.O.T.C. who are
willing to serve, a list of persons selected with the
assistance of a Military Officer, and a list of persons
now recommended by Colleges are enclosed. Persons
belonging to the third category will have to go before
the Staff Selection Board as stated in the Note sent
after Colonel Bewoor's last visit. The list is in-
complete with regard to Pachaiyappa's College, Madras
Christian College and Loyola College. It is hoped
that Principals will send the names very soon.

3. Despatch and accommodation of stores:- Arms, Equipment and Clothing designed for the 1st Madras Battalion, N.C.C., and the Engineering Platoon may be consigned to the Commissioner of Police, Madras, and those designed for the 2nd Madras Battalion sent to the District Superintendent of Police, Tiruchirapalli. Instructions may kindly be issued to these Officers in advance about these arrangements, so as to enable them to receive the stores when they arrive. Subsequently, the Commandants of the respective Battalions will have to make arrangements for looking after them. The best course appears to be to secure the continuance of the present arrangements in Madras, namely storing them in the Fort Armoury for the 1st Battalion. In Tinuchirapalli, the Superintendent of Police may kindly be requested to provide accommodation in the Police Armoury. This, however, will only be for service rifles and arms of that nature. It is not possible for the N.C.C. Battalions to provide armed escorts to stores from despatching stations, nor can they be expected to provide the standing armed guard. The rest of the equipment, such as dummy rifles, etc., could be kept in the College armouries as at present. 28

4. Scales of pay of Civilian Personnel may be fixed on the scales of employees of the Provincial Government in first class Offices. It is, however, necessary to take into account the service put in by them already in the U.O.T.C. under the Central Government and fix their salaries in the Provincial Government scale. It is also necessary to make some arrangements for their pension.

5. Regarding the draft ^{rules} and regulations, as already intimated to you in the post-copy of telegram sent by the Registrar to the Director, N.C.C., on the 14th instant, the time has been too short for the University to obtain the views of the Colleges and the Commandants of the two UOTC Battalions, the rules copy having been received in the office only about the 7th September 48. As soon as their remarks are received, I shall let you know.

Ref:- National Cadet Corps - Senior Division -

Your letter No. 51265-B1/48-22 dated the
14th September 1948.

With reference to the telegram received from the
Ministry of Defence and enclosed with your letter under
reference, I have the honour to state that I have given
the information in my letter dated the 15th September,
with regard to the consignment of wagons.

2. The number of Officers originally selected was
17, but in view of the fact that the numbers of the N.C.C.
now being limited to those of the old U.O.T.C., the
Officers selected are only from the Colleges which had
the U.O.T.C. Thus the number is reduced to 10, and
this is found in list No. 2 sent along with my letter
dated the 15th.

3. With regard to other members of the staff whose
names have been sent up by Colleges, and who have not
already been interviewed, arrangements have to be made
for their selection by the Joint Services Board. It is
not clear whether the University is to make arrangements
for that selection, and if so we may be informed whom
we should address. If the Government is making arrange-
ments, intimation may be sent to the University. As

stated in my last letter, three Colleges have yet to send up names of members of the staff whom they desire to be sent up for training.

Battalions - Training of officers

Reference correspondence ending with your letter

No A-4081 317-9-48

I am directed to say that according to the scale of establishment fixed by the National Cadet Corps, the number of officers required for the two Infantry battalions of four companies each is 40. It is reported that only 14 officers who had already undergone training for the N.C.C. are willing to continue in the N.C.C. including Captain Rajeswaran of the Pachayappa's College who is overaged. The number of officers to be trained is 26. Only nine officers have been selected for training after an interview. The number yet to be selected for training is 17 and the number to be selected from each college is as shown below:-

Pachayappa's College Madras	4	(including the one to be trained in the place of Cap. Rajeswar)
Loyola College, Madras	2	
Govt Muslim College	2	
St Joseph's College Tiruchirappalli	3	
National College Tiruchirappalli	1	(A. Srinivasan already suggested is underaged. Another can be selected in his place)
Govt College Kumbakonam	3	
Madras Xian College Tambaram	2	
Total.	17	

It is not clear why three names have been suggested for selection from the Presidency College Madras.

I am directed to request you to explain how the number of officers to be trained has been calculated as 10 and to remind the Principals of the Pachaiyappa College, Loyola College, Madras Christian College and the National College Tiruchirappalli to send up the names of officers to be selected for undergoing training without delay.

2. In regard to the Engineering Unit, I am to request you to say definitely whether Mr B. Ramakrishna Rao already selected will be sent up for the training or whether the services of Mr A. Srinivasan who is now at the Engineering College Anantapur will be utilised for the purpose.

3. In regard to the arrangements to be made for the training of officers, I am to invite your attention to the letter from the Director National Cadet Corps No 0048/48, Dated 25.8.48 wherein he has stated that the Headquarters Madras Area should be contacted and arrangements should be made with them for selection of officer trainees by a joint Indian Army Selection Board, the units which should undertake the training and the dates for the training to commence. The General Officer Commanding Madras Area may be addressed direct by the University in the matter if it has no objection after the officers to be sent for selection by the joint Indian Army Selection Board are settled.

4. A copy of the letter from the Director NCC No 003636 Dated 16.9.48 is enclosed for information.

who are willing to serve in the N.C.C., Captain CD.
Rajeswaran of the Pachaiyappa's College, Madras and
Dr K.C. Chakko, Head of the Dept of Engineering
in the Annamalai University are over ³⁸ years of
age and they cannot be appointed as officers in the
NCC unless they are specially exempted. The Vice-

Sir,

Sub:- National Cadet Corps - Training of Officers -
Selection and posting for training.

In enclosing herewith extract from a letter No. 0048/48 NCC, dated the 5th August 1948 from the Director, National Cadet Corps Organization, Ministry of Defence, New Delhi, received through the Local Government, I have the honour to inform you that ten persons (9 for Infantry Battalion and one for Engineering Unit) have been selected for training as Officers of the N.C.C. on 6-7-1948 by a Committee on which a representative of the Headquarters was also present. Sixteen more persons have to be selected for training to complete the number of Officers required for the two Battalions. The selection of this sixteen Officers has to be made by a Joint Civil-Army Selection Board. I shall be glad if you will kindly constitute the Selection Board, and let me know well in advance when the Board is likely to meet, so that Colleges may be asked to send the persons selected to appear before it. As it is likely that all those who present themselves before the Board may not be selected, it is proposed to send for interview a few more than the number actually required.

As regards the 10 persons already selected (9 for Infantry Battalion and one for Engineering Unit), they will be asked to keep themselves in readiness to proceed for training on a week's notice, if you will make arrangements to post them to training Units and let me know the date, hour and the Unit to which they are to report themselves. I enclose

for your information a list of the 10 persons already selected. The sixteen to be selected shortly will also have to be sent for training, and should you prefer to post the entire batch for training after this further selection, kindly let me know about the date of commencement of training and the Units to which they are posted, and the date of meeting of the Selection Board.

The favour of your immediate action in the matter is requested.

Yours faithfully,

Organisation.

I enclose herewith a copy of letter dated 22-10-48 received from the Major Commandant the 2nd Madras Bn., Tiruchirappalli, in the matter of Officers training at this period of the year.

I have the honour in this connection to invite reference to your letter No. 51265-B1/48-27 Edn. dated 22-9-48 regarding the number of Officers to be trained for the N.C.C. Sr. Division to make up the number required for the two Infantry Battalions and to state that the colleges included in the scheme were circularised and requested to nominate persons. It has been stated that on account of term time and difficulties to get qualified persons for appointments for temporary period (during the training of Officers) it has not been possible to set free any member of the staff now. Certain Principals have also mentioned that during the first year 3 or 4 cadet Officers who have already experience of the work will be able to look after the contingent.

I am to request you to consult the Director, N.C.C. in this matter and to let me have an early reply regarding the Officers training for additional members at the time of the year.

Yours faithfully,

R. R. Arundel

COPY OF LETTER.

Sub: National Cadet Corps: Senior Organization:
Officers Training: Selection of Teachers:
And posting for training.

Ref: Your No. A. 4557 dated 19-10-48 and my
personal conversation with you on 20-10-48.

The Principals of the colleges in my area have expressed their difficulty in sending any of the officers for attachment with Regular Army Units at this time of the year.

I personally feel that there would not be much benefit if we send officers for attachment now, as they will be available back for duties only some time early in February next. Soon after ~~wix~~ i.e. within 20 or 25 days of their return, training of the N.C.C. will have to be stopped owing to the annual examinations etc. Also it will dislocate the college work seriously.

I suggest that such officers who are now selected and approved may be permitted to undergo the training during the midsummer holidays for which they seem to be quite willing. By sending them now the unit will not be helped in any way as they could be available for training only in next academic year. If they have their ~~attachment~~ attachment during midsummer holidays still we can have their services from the next academic year.

I am submitting this for your consideration and necessary action.

Sir,

I am directed to refer to letter No. 4746 dated 27th October 1948 of the Registrar, Madras University, addressed to you, copy to me, regarding the training of additional Professor officers for the 1st and 2nd Madras Battalions, National Cadet Corps.

2. In view of the difficulty of making these Professors available at the present stage, I am prepared to agree to these Professors going for training during the summer vacation next year. In the meantime, I request that Principals of Colleges, to whom Units have been allotted, should select the requisite number of Professors and they should attend all parades of the Units. This will be of benefit to them when they go for training next year.

3. It should be made clear to these selected Professors that this does not carry any guarantee that they will be commissioned in the National Cadet Corps; this being dependent on the results of their training with Army Units. They shall be treated as embryo officers when attending parades of their Units.

I have the honour to enclose a statement showing the list of members of the teaching staff of Colleges having N.C.C. Units with details ~~of~~ regarding those Commissioned as Officers, (Former U.O.T.C. Officers) and those selected for training and to request you to let me know the dates of commencement of training and the centres where the persons have to go. It will be convenient, as the matter is urgent and to avoid delay in transmission by post, if the Principals of Colleges concerned are informed by you direct about the date of commencement and place of training and other details regarding allowances etc., connected therewith.

The Principals of Colleges are being requested to inform the teachers concerned to be in readiness to proceed for training after receipt of information from you.

Ref: Your letter No.A.1868 dated 25--3--1949.

I am directed to invite your attention to my

letters noted in the margin and to request you to

Letter Ref.No.92017-B1/48-13 Edn. dated 8-3-1949.

inform you that the date

training for the officer

trainees for the Technical Units is 25--4--1949 and that
they should arrive at the place of training on 23--4--1949.
The date by which the training can commence for the NCC
officers of the Infantry Battalions will depend upon
the date by which they can be sent up to the training
centre. I am therefore to request you to report the time
and train by which the trainees for the Technical units
will arrive at the training centres and also the date
by which the trainees for the Infantry Battalions can be
sent up for training. The estimate of the amount that
should be sanctioned towards the payment of travelling
and daily allowances to the trainees during the period
of their training called for in the letter^{repe} cited may also
be furnished at an^{very} early date.

2. It is observed from the list of officers
selected for undergoing training that there are three
Ex.U.O.T.C. Officers who have already been commissioned
into the N.C.C. for the company at the Madras Christian
College, Tambaram, and that three more officers have been

selected for training instead of two. Similarly, for the E.M.E. unit, three officers instead of two have been selected. I am to ~~enquire whether it is proposed to send one officer more than the number required & to specify the names of all the three officers for training or whether only the required number of officers, namely two.~~ ^{request you to explain the necessity for training} I am also to enquire ^{when} whether the required number of officers for the Artillery Unit and the remaining one officer for the company ^{at} ~~Tambaram and Kumbakonam~~ ^{and at the National College, Tanjore} will be selected.

3. I am to ~~invite~~ invite your attention to my letter Ref.No.92017-B1/48-18 Education, dated the 24th March 1949 and to inform you that Dr. Anantanarayanan selected for the Medical Unit need not be sent up for training pending the receipt of instructions from the Director, National Cadet Corps, whether ^(any) further training ^{in his case} to the officer is necessary in view of his previous military service.

SPECIAL.

H.Pr.

Please see herewith the letter of the Vice Chancellor of the Madras University and the Commandant of the 1st Battalion of the U.O.T.C., Madras.

The Government of India have passed an Act called the Indian National Cadet Training Corps Act in which they have provided for the creation of a National Cadet Training Corps throughout India. In pursuance of the Act, they have asked all the provinces to go ahead with the training. This Government considered the matter from the point of view of expenses and the matter has been referred to an informal meeting of the Cabinet.

In the meantime, the Government of India have ordered the dissolution of the U.O.T.C. that is, the University Officers Training Corps. This U.O.T.C. has been the labour of nearly a quarter of a century. The Government of India have considered that as the Indian National Cadet Training Corps will be established in all the Universities and the schools, this U.O.T.C. was not necessary. Since we may take time to establish the Indian National Cadet Training Corps in this province, we should not dissolve the U.O.T.C. I have sent an urgent wire to Sardar Baldev Singh asking for the continuance of the U.O.T.C. till the matter of the establishment of the Indian National Cadet Training Corps in this province is settled. I am expecting his reply in a couple of days.

In the meantime, if we allow the dissolution of the U.O.T.C. it will again take many many years for us to establish these traditions and a body like this. Our boys who may apply for the armed forces will be at a great handicap since all other provinces would have provided for such training and so, till the matter of the Indian National Cadet Training Corps is decided, I suggest that the existing U.O.T.C. may be converted as the National Cadet Corps for the colleges and continued. The expenses for that purpose has been calculated on page 4 and it comes roughly to one lakh. I suggest that this may be continued till we come to a final decision in the matter.

I have already had a talk with H.Pr. over this and he has

agreed to this proposal.

These orders must be issued before this evening as,
under the Govt. of India notification, it stands dissolved from
tomorrow.

Referring to the informal meeting of the Cabinet means postponing it for many months. In view of the urgency pointed out in the Government of India's letter, it may be put up to H.Pr. again, as to why we should not also go on with this immediately. I also think that our Province will be under a serious handicap, if we do not start also this training.

Secondly, these boys trained under our leadership will always be under our leadership. That is the quality of youth. They are now exploited by communists and others. Bringing them under disciplined training will wean them away from communists. From that point of view also, it is necessary that we should undertake this training. H.Pr. may kindly see again.

Information was conveyed by Col. Paul, C.O. First Madras Battalion through Captain G.K.S. Pathy, U.O.T.C. that an Indian Army signal has been received directing that all personnel of the U.O.T.C. should be discharged, instructional staff should be returned to parental units, and orders about disposal of equipment would soon follow. I understand that unless within a week, the Madras Government arranges with the Government of India to ask the Army Headquarters to have these orders stayed or countermanded, these orders would have ^{been} given effect to and we will have to start from scratch in building up these units again. It was suggested that if we could send immediately a telegram accepting the suggestion about the raising of three battalions referred to in the latest letter from the National Cadet Directorate we could arrange to have these orders stayed. As this would mean only about an extra 2/3 (roughly) over the strength in consequence of the cost of the existing units ^(which we take duty over to them) and as this strength as something less than the strength of the units suggested in the general scheme of the National Cadet Corps ~~see~~ itself, I think we may, without waiting for the details of these units to be sent up by the Vice Chancellor whom we have addressed, give our agreement and ^{propose} propose to request the Government of India by telegram to arrange for the Army Headquarters to stay or countermand the orders referred to above.

26-7-48

164

26-7-48

The Govt of India have suggested that the existing battalions of the U.O.T.C. Madras may be converted into three infantry battalions of the Senior Division of the NCC each battalion consisting of three companies. This will mean the training of 45 officers to man these units. They agreed to consider this only if the Madras Govt signifies its acceptance of the National Cadet Corps scheme. If the approval of the Govt of India is to be obtained, it would seem necessary

Senior Division of the National Cadet Corps immediately to a limited extent i.e. to the present strength of the U.O.T.C. (1427). The expenditure on the maintenance of the Corps should be met by this Government. The pay and allowances of the clerical ^{menial} staff specified in the lists on pages 59-60 and 65-66 from 15-7-48 may be ordered to be paid from Provincial funds. As suggested by the Registrar, University of Madras, the A.G. may be requested to instruct the treasury officers concerned to accept the pay bills of the civilian clerical and menial staff presented by the Adjutants of the 1st and 2nd Battalions and to disburse the amount to the Adjutants ^{concerned}. The AG may ~~also~~ also be requested to admit the expenditure in audit pending provision of funds. The expenditure will have to be debited to an appropriate head under "37.c. Education - University".

(ii) ORGANISATION OF UNITS OF THE SENIOR DIVISION: Attention is solicited to para 1-6 of the letter from the Officer Commanding 1st Battalion on pages 48-50 c.f. and para 5 of the letter from the Vice Chancellor, University of Madras on pages 38-40 c.f. As pointed out therein according to Government of India scheme, there should be three Technical Units ^{in addition to the Infantry battalions} viz., One Engineering Unit at Guindy, One Medical Unit and one Signal Unit ^{at Guindy} at Madras. It seems necessary to organise these units even from the outset. The Director, National Cadet Corps, may be addressed for approving the arrangement suggested in para 5 of the letter on pages 48-9 c.f. although it involves a slight increase in strength by 49

3. The file may be sent to Finance U.O. for remarks. They may be requested to indicate the procedure to be followed for the payment of salaries to the ^{clerical menial staff of the Senior Div. of the N.C.C. units} and the head to which the expenditure may be debited. They may also be requested to agree to the proposal at 'A' above.

Subject to the remark that dearness allowance to be paid ^{to the staff} may be governed by the rules applicable to other ^{Provincial} Government servants.

2. Debit Though the immediate proposal is to continue the existing battalions of the U.O.T.C. Madras as units of the senior division of the National Cadet Corps, the National Cadet Corps Act 1948 contemplates the raising of a N.C.C. consisting of three divisions:

- (1) the Senior Division to which recruitment shall be made ^{from} for the male students of the Universities, *166*
- (2) the Junior Division to which recruitment shall be made from among the boys studying in High Schools and
- (3) the Girls Division to which recruitment shall be made from among the girl students of Universities and High Schools.

As the Divisions are to be constituted with students from both Universities and High Schools, the head of account suggested by E.&P.H. at 'M' on page 16 above does not seem to be apt. Perhaps the expenditure may be debited to a new sub-head 'National Cadet Corps' under "37. Education -

Miscellaneous - A General (i) ^{Excluding Post-War Reconstruction}. ^{Orders may be issued accordingly}. ^{E.&P.H. may be requested to consult the Accountant General in the matter as to whether this head of account may stand finally also.}

with reference to the minutes of H.A. (Cen) above,
attention is solicited to the letter from the Govt of India
on page 21 cf. It is not known whether the Govt of India
will arrange for the training of officers required for
the two infantry battalions of the Senior Div. of the
National Cadet Corps to be raised by the Andhra University
and one independent Company to be formed by the Andhra
University

and also the teachers to officer the Junior Div. of the National Cadet Corps in the current year. This will have to be ascertained after the replies of the Vice-chancellors of the Andhra Pradesh Universities and of the D.P.U. are received to the references proposed to be issued to them in the linked file.

So far as the Madras University is concerned, the Govt of India have already issued instructions that the Govt should contact the Headquarters, Madras Area, in regard to the training of officers required for the infantry battalions to be formed with the N.C.C. units. The Vice-chancellor, Madras University has already selected 22 officers. Of the number of officers to be trained is limited to 15, the list of persons already selected will require revision. The Vice-chancellor, Madras University, may be asked to furnish a list of persons to be trained if three battalions are to be formed with three companies each.

A revised draft letter to the Vice-chancellor is submitted below for approval. - For orders whether the draft telegram to the Director, National Cadet Corps, already put up, may be issued, as it is necessary to decide the question whether 3 Infantry battalions with 3 companies each, or 2 Infantry battalions with 4 companies each should be formed before arrangements are made for the training of officers.

Further action with reference to 'P' overleaf will be taken after the issue of the drafts.

From the Vice-Chancellor University of Madras 3/15.9.48. 1142-143 of 110-111

Please see the letter from the Vice-Chancellor, University of Madras on pp 142-143 of 15.9.48.

The proforma showing the allocation of units to the several colleges may be sent to the Director National Cadet Corps. Against a strength of 625 cadets for each battalion the allocation works out to 624 cadets. The difference is small and may not be objected to.

2. In regard to the arrangements to be made for receiving the arms and ammunition and other equipment and for keeping them in armouries, the Vice-Chancellor Madras University suggests that arms, equipment & clothing designed for the Madras Battalion of the Mee and the Engineering Platoon may be consigned to the Commissioner of Police Madras and those designed for the 2nd Battalion may be sent to the St Supd of Police, Tiruchirappalli.

He also says that the best course would be to suggest that the arms etc for the 1st Madras Battalion Mee are stored in the Fort Armoury and for the 2nd Battalion in the Police Armoury at Tiruchirappalli. The Director Mee had already intimated in his letter 3/17.6.48 that arms etc will be sent to the Provincial Capital for distribution to the institutions where Mee units will be located. The Director Mee will have to be addressed for making arrangements with the Army Authorities for the despatch of arms etc to the two stations as proposed.

The G.O. of Police may first be asked whether he agrees to the proposal of the Vice-Chancellor Madras University and whether

3. Before considering the question of fixing the scales of pay for the civilian personnel, the Vice-Chancellor, Madras University may be requested to furnish statements showing separately the strength of the civilian personnel - clerks, lascars, motor drivers, peons etc to be employed for the 1st Battalion & Technical units at Madras and for the 2nd Battalion at Tiruchirappalli according to the scale of the Mee, the number now employed & the number yet to be employed to attain the full strength.

4. In the form of application for enrolment for the Senior Don, there is a variation between the form previously sent & the form appended to the draft rules in regard to the particulars to be furnished under item 10. The Director Mee may be consulted as to which of the two forms should be printed. The memo to the S-CP already put up & approved may be used after a reply is received from the Director Mee.

Three draft letters and a draft memo are submitted below for approval. Action in regard to the training of officers may be taken after receipt of complete particulars.

Please see the letter from the Director National Cadet Corps dated 17-8-46. Rajagopalan of the Loyola College does not find a place. Subsequently with reference to certain discrepancies noticed by the Govt in connection with the number of officers to be trained, the Vice-Chancellor furnished with his letter No A 4222 dated 24-9-1948 another list showing the names of U.O.T.C. officers who are willing to continue in the N.C.C. In this list the name of Lieut K. Rajagopalan finds a place, but there is no information therein in regard to the date of commission etc. As the Director National Cadet had already been furnished with a list of officers who are willing to serve with the N.C.C. no action was taken on the subsequent list. University of Madras on pages 187-188 of. The question whether N.C.C. units should be raised to the strength approved by the Cabinet or not is under separate consideration. The NCC officers selected for the units raised in the current year may be sent up for training and for the units proposed to be raised in 1949-50 cannot be sent for training until a decision is reached on the question of raising the additional units. The date of commencement of the training for the Tech. units is 25.4.1949 & the Dir, NCC has requested all Provincial Govts. to inform the Army units responsible for their training, the time and the train by which the trainees will arrive at the training stations. In regard to the deferring units, the Registrars of the Universities have been asked to report the date by which the NCC officers can start, as the date of commencement of the training depends on the date by which the officers can be sent. The Registrars have also been requested to furnish the estimate of cost on the payment of travelling and daily allowances to

to the trainees that should be paid to them during the period of their training. The attention of the Registrar, University of Madras may be invited to the letters on pages 60-62, 80-81 & 85-86 of the linked file and he may be requested to send his reply to them at an early date.

2. From the list of officers selected for undergoing training, it is observed that there are three ^{EXDTC} officers for the Company at the Xan College, Tambaram, and three more officers ^(instead of two.) have been selected for training. Similarly, for the E. M. E. unit, three officers have been selected instead of two. The Registrar may be requested to specify the names of the two ~~consulted whether all the three officers for each~~ ^{of the two} units.

3. There are already two EX-DOTC officers who have been Communistised into the WCC, in the 3rd Madras Engineer Centre, namely Mr. V. Galyamaraman and ^{Mr.} A. Sri nivasam. The latter is in the Engg. College, Annamalaiapur. ~~It is not known~~ ^{Presumably he} ~~whether~~ ^{be} this officer can be made available for the

for the Engrg. Platoon at Guindy. ~~In this case, he will have to be transferred to the Engrg. College, Guindy.~~ However, in his place, Sri C. S. Swaminathan of the Engrg. College, Guindy, has been selected for undergoing training. The Dir, NCC, in his list of NCC officers ^(to be trained) for the Tech. Units has not suggested the number of officers to be sent up for training for this unit on the presumption that there are already two EX DUTC officers Commissioned into the NCC. ~~In the circumstances it is submitted for orders whether the Dir~~ ^{perhaps be consulted} may be / ~~asked~~ whether Sri Srinivasan can be transferred to the Engrg. College, Guindy, or whether the Dir, NCC, may be requested to make necessary arrangements with the army authorities for the training of Sri C. S. Swaminathan.

 2. It has since been decided in
 circulation that the total strength of the NCC unit
 as originally fixed (2000 cadets for Senior Div
 & 200 for Junior Division) may stand. The
 total number of officers to be trained for
 the E.M.E. unit to be raised in the Engg.
 College, Guindy, in 1949, is two while the
 number of officers selected is three. The
 expense on the payment of T.A. & D.A. for ~~the~~
~~going to training~~ for one officer is estimated
 at Rs. 1283-6-0. ~~The Registrar may be~~
~~consulted whether it is proposed to send only~~
~~two officers for the training and if so an expense~~
~~of Rs. 2566-12-0 may be sanctioned.~~ The Officer Commanding
 3rd Madras Engineer Centre may be requested to arrange in consultation
 with the Principal Engineering College Guindy to despatch two out of the three
 officers selected by the selection
 board for training to the
 training centre as it will have to be
 reported to the Army units responsible for their training.

 From the Registrar, University of Madras,
 no. A. 2027 dated 11.4.49.

Please see the letter from the Registrar,
 University of Madras on pages 193-195 of. The
 Southern Command will have to be informed
 of the date by which the officer trainees of the
 Infantry Battalions will be able to start for the
 training and then they should be asked to
 report the training centre. The Southern Command
 have already been addressed in regard to
 the training of the eleven NCC officers of the
 2nd Madras Battalion and they have also
 been informed that a further communication
 will be sent in regard to the training of
 the officers for the 1st Madras Battalion.
 The latest date by which the training should
 commence is 1.5.49. The G.O., 1st Madras
 may therefore be asked to submit immediately
 the estimate of cost on payment of C.A. and
 D.A. for the eleven officers of his battalion.
 He may also be asked to report the date by
 which the officers will be able to start for the
 training.

2. The Registrar enquires when the
 next meeting of the Jt. Civilian Army Selection
 Board will be held to make the further selection
 of officers (one for the Coy at Fort George, Cumma-
 seam and another for the Coy at National
 College, Guinchinapalli). The last meeting of the
 Board was convened by the H.Q., Madras Area
 on the 18th of last month. The Registrar may
 therefore be requested to address the Madras
 Area in the matter.
