Sir,
Sub:- Broadcast - Teachers in Schools under Local Bodies - Grant of permission - Prior scrutiny of texts and talks and Music recitals - Delegation of powers -

Ref:- Govt. Memo No. 94591-B1/48-1 dated 27.12.48.

With reference to the memo cited above, I have to invite your kind attention to Co. No. 1576 L.A. dated 5-9-47, wherein the Government have already passed orders vesting such power of according permission to the teachers in schools under local bodies, ~~in~~ the Director, subject to certain conditions laid down therein.

However, in order to bring the procedure for grant of permission into line with the opening of regional stations of the A.I.R., and in order to obviate the administrative delay in obtaining the requisite permission of the Director, I suggest that the power already granted to the Director as per the G.O. quoted may be vested in the District Educational Officers and Inspectresses of Girls' Schools; such permission may however be restricted to the broadcast of music and expository or explanatory talks on educational subjects not involving controversial matter nor discussing the policy of the Government or any department of it.

Yours faithfully,

D. P. Sankaralingam

Extract of the minutes of H.M.(Education) in the file (Memo No.90858-B2/48-1 Edn. dated the 13th Dec. 1948) re. the grant of permission to Sri T.V.S. Sastry, Assistant, B.H.S., Peddakurappadu, to broadcast a vocal recital.

May be approved.

I wonder whether we should retain/power of giving permission to Government servants to broadcast in the A.I.R. This may be delegated to the D.P.I. or even to the Divisional Inspectors or even to the D.E.Os. After all they are once censored by the A.I.R. people. This permission that we give is merely formal. And so, we may issue general orders that with the approval of D.E.Os. or if it is necessary, Divisional Inspectors, they may broadcast talks or give performances in the A.I.R. stations in our Province. The matter may be examined from that point of view and put up.

2. On a reference from the Station Director, All India Radio, Tiruchirappalli, the question whether prior scrutiny by the Government, of the scripts of the subject, to be broadcast by teachers is necessary, was examined recently and it has been decided in circulation that the prior scrutiny is necessary from the political and security points of view; but that the translation of the script is not necessary if anyone in authority knows the language of the script in which it is written. Accordingly orders were issued in G.O.No.3224 Education, dated the 17th December 1948.

It is understood from Public Department that the D.P.I. has already been empowered to scrutinise the script of the subject of broadcast and to permit the teachers to accept the remuneration offered therefor. But in cases involving a controversial matter or relating to the policy of Government, the script should be submitted to Government for scrutiny prior to the broadcast. In the circumstances, no action seems necessary so far as the broadcast by teachers in Government service is concerned. Public(General) may advise.

3. The broadcast by the teachers in secondary

schools under the managements of local bodies is governed by rules (3)(i) and (4) of rule 6 of the rules relating to the Personal Conduct of Officers and Servants of Local Bodies. If the power to scrutinise the script and to permit the talk to be broadcast is to be delegated to the D.P.I. of subordinate officers, the above rules will have to be amended. Before modifying them, it also seems necessary to consult the Director. It does not appear that L.A. have issued any orders as in the case of the teachers in Government schools. The rules referred to above are intended for all servants of local bodies; the question will have to be dealt with as a general one and it is appropriate, if orders are issued by L.A. Dept. in the matter.

of the rules relating to the Personal Conduct of officers and servants of local bodies has already been amended vesting the power to scrutinise the text of broadcast talks on educational problems and to permit the teachers in secondary schools to broadcast them, in the D.P.I. - Vide G.O. no. 1576 L.A. dated 15-9-47. In order to bring the procedure for the grant of permission in line with the opening of regional broadcasting stations and also to avoid the delay in obtaining the administrative permission, the Director recommends that the power vested in the D.P.I. according to the D.P.I. may be delegated to the District Educational Officers in the case of boys' schools and to the Principals of girls' schools in the case of girls' schools, and a way may be suggested. Such permission may be restricted to the broadcast of music (vocal and instrumental) and expository or explanatory talks on educational topics not involving controversial matter nor discussing the policy of Government or any of their departments.

2. The recommendation of the Director may be accepted. If so, rule 6 (4) of the rules relating to the Personal Conduct of Rules for servants under local bodies will have to be amended. The question is a general one and as noted on page 2 ante, it is appropriate in all orders in the matter are issued in L.A. Department.

Please see the notes on H-3 above.
Under rule 6 (4) of the rules relating to the personal conduct of officers and servants of local boards the power to scrutinise the text of broadcast talks when proposed to be made by teachers under such and ~~local~~ ^{district} boards as also the power to grant permission to deliver such broadcast talks was is vested with D.P.J. who may refer any case to Govt where he considers it necessary. As desired by HM (Edn) in his minute on P1 ante E&H propose to delegate the said powers to the Ednl Officers in the case of Boys' schools and to the Inspectresses of Girls schools in the case of girls schools. It is also proposed to restrict such permission to the broadcast of music and expository or explanatory talks on ednl matters, which are non-controversial and which do not discuss the policy of Govt. The proposal may be agreed to.

As stated by E&H at 'B' on P3 ante the proposal does not appear to be a general one as the delegation is proposed to be made only in respect of teachers. Hence E&H themselves may take action to amend the rules:
