R. C. No. 590-K5/48 dated 2nd September, 1948.

Reference: - G.O. Ms. No. 1558-Education dated 27.5.48.

With reference to para 2 of the G.O. cited above I have the honour to state that a notice as directed therein was put up on the notice Board of the school. The Headmaster of the school reports that she has made an appeal to the parents to send their girls regularly to sch. I and as the pupils are very poor and desire to be admitted as free scholars she is taking steps to obtain the necessary income certificates with a view to grant them the Educational concessions under Rule 92 M.E.R. and admit them in the school. It is also reported that the Muslim Association, Coimbatore is paying fees for the detained pupils.

The latest standard strength of the school is furnished below:-

Class I ..	47	Class V ..	22
II ..	56	Form I ..	11
III ..	56	II ..	5
IV ..	39	III ..	6

The strength in Forms I to III continues to be uneconomic and has not shown any improvement. The Municipal Council which was consulted previously as to its willingness to take over the management of the school and run it as an Elementary school postponed the matter for consideration at the time of its next Budget - vide extract from the proceedings of Municipal Council dated 15.4.1948 furnished herewith. The Inspectress reports that the Commissioner, Municipal Council has again been addressed in regard to the decision of the council to take over the management of the school and that his reply is awaited. I shall submit a further report in the matter on receipt of a reply from the Inspectress.

Yours faithfully,

Sir,

Schools - Government Middle School for Muslim Girls,
Coimbatore - Conversion into a general school for all
girls - proposals - submitted.

Ref: G.O.No.1358 Edn., dated 27-5-48.

In continuation of my letter Rc.No.390 K3/48 dated 2-9-48,
I have the honour to state that the Municipal Council, Coimbatore
has declined to take over the management of the Government Middle
School for Girls, Muslim Girls, Coimbatore and run it as an Elementary
School. The Inspectress reports that in spite of the efforts taken,
it has not been found possible to improve the strength of the school
and she is of opinion that its condition would not improve. The medi-
um of instruction in the school is Urdu, and it could not be closed
as there are no muslim Higher Elementary Schools for Girls
in the locality to provide for the Education of the Girls reading
school be converted into a general school for all girls with Tamil
as medium of instruction as there is a need for another secondary
schools for girls in the locality and as the conversion would relieve
the congestion in the Government Secondary and Training School for
Women, Coimbatore and the presentation convent girls High School,
Coimbatore. In view of the inadequate accommodation in the Govt.
Secondary and Training School for Women, Coimbatore, it is not
possible to amalgamate the Government Middle School for Muslim
Girls with it.

2/ There are, besides the Government Middle School for Muslim
Girls, the following secondary schools for girls in Coimbatore.

1. Government Secondary and Training School for Women, Coimbatore.
2. Presentation Convent Girls' High School, Coimbatore.
3. R.S.Puram Municipal Girls High School, Coimbatore.
4. Mathar Kalvi Nilayam Middle School for Girls.
5. St. Mary's Middle School for Girls attached to the
St. Francis Convent, Coimbatore.

The Inspectress reports that taking the railway line running
North and South as boundary between the Eastern and Western
half of the town, the Mathar Kalvinilayam and St. Mary's Middle
Schools serve for the needs of children on the Eastern half of
the town, and the Presentation Convent girls High School and
Municipal R.S.Puram Girls High School and the Government Secondary
and Training School for Women, Coimbatore serve for the Western
half. The accommodation in the 3 schools in the western half is
not adequate to meet any further increase in strength and a large
number of children were being refused admission in the lower
classes and Forms, i.e. Class I to Form III. Further the Corres-
pondent of the Presentation Convent Girls High School has reported
to the Inspectress that classes II to V in her school will be closed
down to provide accommodation for 5 more sections in the higher
forms, and for the same reason it has been decided to restrict
admissions in the Primary classes in the Government Secondary and
Training School for Women, Coimbatore to one section. Thus it may
be seen that there is a need for another secondary school for
girls in the locality and the conversion of the Government Middle
School for Muslims into a general school will not create any
unhealthy rivalry between the Presentation Convent Girls High School
and the Government Middle School for Girls, Coimbatore.

3 The Inspectress reports that most of the pupils of the Government Middle School for Muslim Girls are fairly well up in spoken Tamil but they may not be able to follow the Tamil Script. To overcome the difficulty she suggests that the Tamil knowing Muslim teachers may be appointed on the staff and they will hold special classes to bring the muslim pupils upto a reasonable level in written Tamil. The pupils in Forms I to III, it is reported are now learning to read and write Tamil and are showing a fair progress. Hence the Muslim Girls of the School will not be in a disadvantageous position, by the conversion of the school into a general school.

4 In the circumstances I recommend that Government may be pleased to accord sanction for the conversion of the Government Middle School for Muslim Girls Coimbatore into a general school for all girls with Tamil as medium of instruction with effect from the next school year. If Government are pleased to accept my recommendation there will be need for a Tamil Pandit in the place of the existing Urdu Munshi and a Music Mistress in the school. Sanction may therefore be accorded for the employment of a Tamil Pandit in the place of the Urdu Munshi and a Music Mistress in the school with effect from the school year 1949-50.
