SCHEDULE.

(1) Govt. Security of the 3% conversion loan of 1946

The presumption at M does
not seem to be correct - It
does not appear to be the
intention, as observed from the
SO's letter & proceedings,
that the award should

be restricted to students in the
Board High Schools in the South
Arcot Dt. - The point may
however be verified by a
reference - The draft memo
below is for approval -

2. As regards IV in the
Legal note on the previous
page, there seems to be
no objection to the omission
of the expression "Special
