19. I have to state that one Sri E. Ayyalu Naidu, a Commissioner of this office who is due to retire on superannuation from 1-7-1949 has applied to me (vide copy of his application dated 24-5-1949 enclosed) for altering his date of birth from 1-7-1894 as 1-1-1898 in support of which, he has produced an extract from the Register of births and deaths of the Corporation of Madras.

He was directed to furnish the following (i) a certificate to the effect that according to the Corporation birth registers no child was born to his father Munuswamy Naidu between 1-7-1894 and 31-12-1897, (ii) detailed particulars of the number of children both male and female born to his parents and those living with their ages (iii) the age furnished by him, if he sat for any Government Technical or other examinations and (iv) the age furnished by him with any life Insurance Company if he had insured his life.

He states in his application specified above, that his parents had seven daughters and only one son born to them, the total number of children being eight. Of the seven daughters, six died and only one is surviving. The applicant is the only son referred to herein. He has furnished extracts from the register of births and deaths of the Corporation of Madras regarding the dates of births of all the issues of Munuswamy Naidu, the father of the applicant Sri E. Ayyalu Naidu Compositor of this office. He has not appeared for any Government Technical or other examinations and he has not insured his life with any Insurance Company.

He has also produced three certificates (copies enclosed) from (1) Mr. R.R. Dalavoi J.P. Hon. Magistrate, Madras (2) Sri G. Parthasarathy Nayagar, Councillor, Corporation of Madras and (3) Sri N. Thiruvengada Nayagar, Councillor, Corporation of Madras to the effect that he was the only son to his father Munuswamy Naidu.

On perusal of the certificates produced from the Corporation of Madras and persons referred to above, I am satisfied that the date of birth of Sri E. Ayyalu Naidu, Compositor of this office ought to be 1-1-1898 and not 1-7-1894 as entered in his service register of this office. I recommend therefore Government may be pleased to accord sanction for the alteration of his date of birth from 1-7-1894 as 1-1-1898 so that he will continue in service beyond 30-6-1949 (the date of his retirement, according to the birth date already entered in his service register is 1-7-1949). Pending Government orders in his case I have permitted him to continue in service at his own risk beyond the due date for his retirement.
