Madras Educational Subordinate Service (i.e. one at Headquarters  
and the other for Andhra Districts) under the purview of the  
Commission. Though these posts constitute a separate  
category, they are really post on Grade I of School Assistants  
and Deputy Inspectors and as such they should be continued  
as selection posts to which promotions from Grade II of  
School Assistants and Deputy Inspectors should be possible.  
If and when there is no one in the Department qualified for  
appointment by transfer from Grade I or by promotion from  
Grade II in the Public Service Commission may be required to  
recruit candidates. In case this suggestion is acceptable to  
Government, I recommend that the Public Service Commission be  
requested to recruit candidates, if at any time it is considered  
that there is none in this Department suitable for appointment  
to these posts. Otherwise, recruitment to these posts  
need not be entrusted to the Commission.

B 2. As regards the penultimate sentence of the  
Telephonic message referred to above, I may state that there is  
no need for the direct recruitment of Deputy Inspectors separately  
since the Deputy Inspectors and Schools Assistants belong to  
one combined cadre and there is provision for direct  
recruitment of Special Assistants. But the case of  
Basic Education Officers is different and by way of caution  
and need, this method of direct recruitment may be allowed to  
stand.

Yours faithfully,

for Director of Public Instruction.

Presumably the intention is to provide that only such of the General and Special Rules for the Madras Educational Subordinate Service as are applicable to the holders of permanent posts in a particular class or category of the Service should apply to the holder of the temporary post of Basic Education Officer and not all the Special Rules. If this is correct, draft rule 1 (as so renumbered) may be recast as follows:-

The General Rules are applicable to the holders of all posts whether temporary or permanent. Please see General Rule 1. It is therefore unnecessary to say that the General Rules will apply to the holder of the temporary post of Basic Education Officer. If none of the Special Rules for the Madras Educational Subordinate Service are applicable to the holder of the temporary post it is unnecessary to refer to those rules also in the draft. Subject to this remark, the draft rule suggested above by E. & P.H., and draft rule 2 on page 1 ante may be combined into one and recast as follows:-

"1. The temporary post of Basic Education Officer sanctioned in G.O. No. 981, Education, dated the 3rd June 1947, shall constitute a separate Class of the Madras Educational Subordinate Service."

The remaining rules may be renumbered suitably.

The draft rules have also to provide for the authorities competent to impose the penalties under the Madras Civil Services (Classification, Control and Appeal) Rules and the appellate authorities.

But draft ad hoc rules in respect of the temporary post of the Basic Education Officer, Tamil Nadu, should be issued for the period <sup>the post was included in the M.E.S.S.</sup> before the post was converted into a gazetted one. gazetted post is under consideration separately. In this file are dealt with (1) the question of framing rules for the post for the period for which it was in the Subordinate Service and also (2) the question of framing rules for the temporary post of Basic Education Officer for the Andhra Desa which has all along been in the Subordinate Service.

The two draft orders below may be seen. 'Direct recruitment' is one of the methods prescribed for the posts. The point whether the posts should not be brought within the purview of the M.P.S.C. was referred to the D.P.I. His remarks are at p.23 C.F. It appears therefrom that he has not understood the point correctly. He says that he is not in favour of bringing the posts within the Commission's scope; and adds at the same time that 'direct recruitment' may be allowed to stand as one of the methods of recruitment, as a measure of caution, and that when no candidate is available in the dept. for promotion, the Commission may be required to recruit candidates. If the posts are brought within the purview of the Commission, it will select candidates only when direct recruitment is resorted to. Promotions with the same service and transfers from any other subordinate service, are matters on which it need not be consulted; the Dy. DPI can order them. The scale of pay of the posts is fairly high - Rs.165-245. [The same scale is applicable to I Gr. School Assts.; but 'direct recruitment' is not one of the method of appt. for that grade of School Assts.; if 'direct recruitment' were applicable, the Commission would have to select candidates for that method of appt.] Considering the pay and considering the Dir.'s remark at A above, itself, the posts may be brought within the Commission's purview.

2. As it is proposed to bring the post of Basic Education Officer within the purview of the Commission, the draft should be referred to that body before final approval by the Government.

3. As regards draft I it may be mentioned that it relates to a post which has since been converted into a Gazetted post. LEGAL DEPARTMENT.

A above: Although the rules in draft I relate to a post which has since been converted into a gazetted post, it cannot be said that the rules will be practically useless. There ought to be some rules regarding the conditions of service of the holder of the post for the period during which it existed, unless such conditions of service are considered to be not suitable for regulation by rule under the proviso to section 241 (2) (b) of the Government of India Act. It is therefore better to issue the rules in draft I. To make the position clear, the second paragraph of the preamble to the

PTO

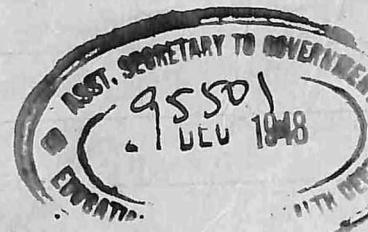

notification in that draft may be recast as follows:--

"The rules hereby made shall be deemed to have come into force on the 4th June 1947 and to have remained in force up to and inclusive of the...\*....."

In a separate file, it is proposed to cancel the conversion of the Subordinate Service post of the Headquarters Basic Edn. Officer into an M.E.S. post, and to regard the Subordinate Service post as remaining unfilled. The recast suggested by Legal at 2 above need not therefore be made.

25 JAN 1949

I think we have proposals for converting the post of Basic Education Officer, Andhra also into a gazetted post. I suppose the meaning is since both these posts are being converted into M.E.S. Posts, the corresponding Subordinate Service posts may be abolished. If that is so, that may be done.

Both the posts of Basic Edn. Officers - one for the Tamil Nad with hdqrs. at Madras and the other for

-10- 44

the Andhra Desa with hdqrs. at Rajahmundry - were formerly in the M.E.S.S.

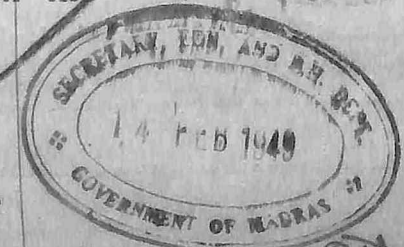

TAMIL NAD POST: This was converted into a gazetted (M.E.S.) post last March. Sri R.V.Rudrappaswami has been offg. temporarily, both when the post was in the Sub.Service and after it has been brought on to the M.E.S. For the follg. technical reason, it has since been found neey. to revive the Sub.Service post, keep it unfilled and to deem the sanction for the M.E.S. post as an independent sanction:-

One of the methods of appt. proposed (in a separate file) to be prescribed for the M.E.S. post is 'recruitment by transfer from the Basic Edn. Officers in the Sub.Service'. This has been proposed in order to enable Sri Rudrappaswami to compete in due course for regular appt. to the post. Even such a provision will give him the benefit only if, the Sub.Service remaining in existence, he completes his probation as Basic Edn. Officer in the Subordinate Service. The Sub.Service post has to be revived. Then, he can count his tempy. service in the M.E.S. (higher service) for probation in the Sub. Service.

ANDHRA DESA POST: This continues to be in the Sub.Service. Its conversion into a gazetted post was put off as charges were pending against the incumbent thereof, Sri L. Rajagopal Rao, and as he shd. not be elevated to higher rank until the charges were disposed of. The qn. of conversion will be taken up again shortly.

The framing, with retrospective effect, of ad hoc rules for the Sub.Service posts is dealt with in this file (drafts below). It is proposed to bring the posts within the M.P.S.C.'s purview.

M.E.S.S. - Basic Edn.Officers - Ad hoc rules.

Ref:- Your letter No.2446-C2/47, d/- 19-8-49.

No tempy. appt. in the Sub.Service post of Basic Edn.Officer<sup>for the extra work</sup> requires to be regularized now. Further, the post has since been converted into an M.E.S. post. Pl. say ~~why then where then~~ the necessity to issue amendments to the rules issued in G.O.No.2150-Edn., d/- 5-7-49.

(2). The main alteration ~~for~~ proposed in the rules for the subordinate post of Basic Edn.Officer at Hdqrs. appear to be only the following:-

- (i) The incumbent should know Tamil.
- (ii) If he has not undergone the training in Basic Edn. at Wardha he shd. have done it at least in any other recognized training institution.

(i) above: Sri R.V. Rudrappaswami, who officiated temporarily as Basic Edn. Officer, already satisfies this. Therefore it is not necessary to lay down knowledge of Tamil as a specific qualfn. for the purpose of regularizing his appt.

(ii) above: If Sri Rudrappaswami has undergone the Basic Edn. training in a recognized training institution, that trg. can be deemed equivalent to the training at Wardha under General Rule 17. Pl. say whether there will be any difficulty in adopting this procedure and if there will be none, why the rules shd. be amended at all.

Sir,

Sub:- MADRAS EDUCATIONAL SUBORDINATE SERVICE --  
Basic Education Officers -- Ad-hoc Rules.

Reference:- Government Telephonic message by post  
No.64313 A-1 Edn., dated 28-9-1949.

With reference to the Government Telephonic Message  
(by Post) referred to above I have the honour to state as follows:-

(1) In the Subordinate Educational Service post of Basic Education Officer (Andhra) Sri A. Phanendrudu has been regularly appointed and he becomes the Basic Education Officer in the Madras Educational Service only from the date of taking charge after the issue of G.O.No. Ms. 2087 Edn., dated 7-10-1949. As he is a permanent I Grade Officer in the Subordinate Educational Service, his appointment as Basic Education Officer in the Subordinate Educational Service was made regularly and the Ad hoc Rules for the Subordinate Educational Service post may therefore be properly worded as suggested in my letter R.C.No.2466 C2/47 dated 19th Aug. 1949.

(2) To show the distinction in language requirements in respect of the Andhra and Headquarters posts the provision of the clause that the Basic Education Officer (Hd.Qrs) should know Tamil seems necessary as such a one exists in the rules for the Andhra post.

(3) Sri R.V. Rudrappaswami is Wardha trained and hence the question of equivalence of Basic Education Training in a recognised training institution does not arise. The amendment that the Basic Education Officer Head Quarters should have undergone the training in Basic Education at least in any other recognised training institution was suggested in my letter R.C.No.2440 C2/47 dated 19-8-49 to that the rule in respect of Head Quarters post might also cover that existing in respect of the Andhra post and to secure uniformity in the sets of rules in respect of two like posts.
