Proceedings of the Collector & Special officer, District Board, Coimbatore dated 16-3-1948.

F.W.A. Morris, Esq., O.B.E., I.C.S., Collector & Special officer.

READ: Letter No. 10915-G4/47 dated 17-12-47 of the Commissioner, Erode Municipality enclosing extract of Municipal Council's resolution No. 503 dated 15-12-47 requesting the District Board, Coimbatore to transfer the Board High School at Erode to its management with the building, furniture and all other equipments from the year 1948-49 and suggesting certain conditions of the transfer.

The transfer by the Erode municipal council to the Coimbatore District Board of the Municipal High School, Erode was effected in 1931 and that the conditions of transfer are seen embodied in G.O. No. 1029 L & M dated 26-3-1931. Though under District Board for over 17 years, the school cannot be considered to have attained a reasonable standard of satisfaction and efficiency in regard to buildings, playgrounds, and equipment. Public Co-operation for securing suitable and adequate lands and buildings for a District Board High school at Erode is not easily forthcoming. The interest of the institution may be better served by a retransfer of control to the Erode municipality.

District Board Resolution No. 1421.

The Board agrees to the transfer of the management of the Board High School, Erode to the Erode municipality, subject to sanction by Government on the following conditions:-

(1) That the playground, furniture, equipment and laboratory be transferred as on the date of actual transfer free of charge.

(2) That the District Board building (used as Bifurcated District Boards office for some time) will be permitted to be occupied by the Municipal Council for the school, free of rent for a period of five years or till the Council constructs its own building for the school whichever is earlier and

(3) That the Municipal Council should absorb in its service all the qualified members of the existing staff as on the date of actual transfer of management to the Council.

I request that Government may be pleased to issue
very early orders in the matter. All High schools are re-
opening early in June, 1948 and the issue of early orders in
the matter, will help consequential arrangements to be fixed up
regarding distribution of staff etc, besides facilitating
school work.

(copy enclosed) has agreed to the conditions laid down by the District Board, Coimbatore in its resolution No. 1421 dated 16-3-48 for taking over the management of the Board High School, Erode. I am enclosing herewith a statement with details of the net expenditure on the maintenance of the above school during 1947-48 by the District Board, Coimbatore. In this connection I submit that a sum of Rs. 9000/- has been provided in the current year's budget for this purpose. From the statement of receipts and charges of the Board High School, Erode for 1947-48 it can be seen that the net cost to the management for the maintenance of the school is Rs. 10,691-0-0. Excluding certain non-recurring items the net cost to the management for 1947-48 is Rs. 5462-0-0. I have to point out in this connection that the probable receipts from the collection of the 10th. instalments of school fees has not been taken into account in arriving at this figure. Necessary provision can be made in the budget for 1949-50 if the management of the High School is ordered to be taken over by the Municipality.

Handing over management to Erode Municipality from 1-6-49
Report - Submitted.

Ref:- G.O. No. 215 Edn. dated 28/1/1949.
Government Memo No. 19585-B1-49-3-Edn. dated 4-4-49.

The Board High School, ^{at} Erode has not so far been handed over to the Municipality though a copy of the Proceedings of the Special Officer, District Board, Coimbatore directing the Headmaster to hand over charge was received in this office on 1-6-49. When the Headmaster was approached on 1-6-49 I was told that a new Headmaster who has since been posted to the school would do handing over and that the present Headmaster has been asked to hand over charge only to the new appointee who in turn was to hand over the management to the Municipality. Subsequently I was given to understand by the present incumbent that he has been telegraphically instructed ~~the~~ to await further orders from the Special Officer before handing over.

The list of establishment as it stood on 1-6-49 has not also been furnished yet. I am herewith enclosing a copy of ^{my} letter Roc.No. 10915-C4-47 dated 1-6-49 to the Special Officer, District Board, Coimbatore for your kind information and instruction as to the further course I am to adopt in the matter.

2. The school reopens on the 6th instant and the institution has not yet been handed over. I am made to understand that even as it was, the school was short handed and subsequent transfers ~~were~~ have also been effected. This will adversely affect the welfare of the institution as it will take time for the Municipality to rectify the short-comings which might arise on account of short-handedness.

Municipality on 1-6-49.

Ref:- Your Proceedings Roc.No.31537/SE/1/47 dated 31-5-49.

As per G.O. No.215 Education dated 28/1/1949 and your
proceedings cited above the Board High School at Erode has to be handed
over to the Erode Municipality from 1-6-49. But the same has not been
handed over by the Headmaster today. The Headmaster says that he has
been transferred and that he is expecting his reliever from whom I should
take charge of the management. It appears the incumbent posted here
has not yet turned up. This is the position today.

Further a detailed statement of qualified establishment that should
be absorbed in Municipal service from 1-6-49, has not yet been received
from you. I request you to kindly send me a statement of qualified
staff of the school as it stood on 31-5-49.

In enclosing herewith a post copy of my telegram of
even date I have to bring the following to the notice of Government.

2. The Government in their order cited above were pleased
to direct the transfer of the management of Board High School at Erode
to the Erode Municipality from 1-6-49 subject to certain conditions
agreed to by both the local bodies. Naturally the school should have
been handed over to this municipality on 1-6-49 as per orders of the
Government dated 4-4-49. But till this date the transfer has not
been effected which fact has already been intimated in this office
reference dated 3-6-49.

After the receipt of Government Memorandum No.19585/B1/49-3 dated
4-4-49, changing the date of handing over as 1-6-49 instead of
1-4-49, I was informed that many withdrawals and transfers of teachers were
effected. On 27-4-49 I wrote to the Collector and Special Officer,
District Board, Coimbatore explaining the position in detail and specia-
lly requesting him not to take away the staff but leave atleast an
adequate staff to be absorbed in Municipal service on 1-6-49. I may
point out here that the Municipality was not keen in taking over the
High School under its management and that it was only on the assurance
given in person by the Collector and Special Officer, that the Munici-
pality will not have to worry itself about the teaching staff, on the
date of its taking over, I moved the council and took up the matter.

But inspite of such assurance too many transfers and withdrawals have been made without even a formal consultation. The available staff consists of 2 or 3 L.Ts. and a few secondary grades. Even with this depleted staff the school has not been handed over on 1-6-49 as it ought to have been. The Headmaster of the High School I understand has been transferred in the middle of April 1949 and one Sri. M. Achuthan Nair an assistant was promoted and posted here as Headmaster. All of a sudden this gentleman also, I am informed, has been transferred to some other place and one Sri. Narasimha Iyer has been posted here as Headmaster. This order has been passed by the Special Officer on 31-5-49 when the management of the school was to be handed over on 1-6-49. The present Headmaster is reported to have sent word that he has not been directed to hand over charge and that it is to be done by his successor namely Mr. Narasima Iyer. It is to be noted here that Mr. Narasimha Iyer posted here as Headmaster has not yet taken charge from Mr. Achuthan Nair though telegraphic orders were sent to him, on 30-5-49 from the District Board. I have no information as to when he will come here, relieve Mr. Achuthan Nair first and then arrange to hand over charge to our Municipality. In this connection I have also to point out that during the last 2 days the question of admission of students and collection of school fees has not been attended to because of the fact that the question of management has not yet been decided.

In this state of affairs, I fear that the Municipality will not be well-advised in running the school to be of some use to the public as was originally contemplated especially when there is acute scarcity of trained and much more dearth in experienced hands. Most of my co-councillors with whom I had contact on this subject feel that no useful purpose will be served by taking over the management of the school at this stage. I am therefore placing the whole matter again before the council calling for an urgent meeting to decide if we cannot postpone the proposals to the next year. I trust Government will kindly grant time to enable the council to come to a ^{definite} decision ~~will kindly~~ again in the matter.

Note of the Chairman regarding the taking over of the management
of the Board High School, Erode.

In M.C.R. No.503 dated 15/12/1947 the council resolved to take
over the management of the District Board High School at Erode. On this
the District Board also agreed and the Government in their order No.215
Edn.dated 28/1/1949 have been pleased to direct the transfer of management
as agreed to. Naturally the School should have been handed over to the
Municipality on 1-6-1949. But this has not taken place nor is any
information available as the cause of delay. Added to this suspense,
it transpires that most of the teachers have been transferred to other
schools by the District Board authorities with the result we have to
find fresh hands to run the school. The difficulty in securing hands
especially in these days is not little and one cannot be sure how far
we will be able to accomplish it. There is therefore no change that we
could run the school efficiently as it ought to be run.

In the circumstances I am of opinion that the council may reconsider
the question again in all its aspects and decide if we cannot postpone
the whole question to the next year if we should still desire to take over
the management.

Resolution No.87.

Chairman's note accepted and resolved not to take over the
management of the school during this year. The question of taking over
the management during next year may be considered latter. Resolved also to
communicate this fact to the Government and to the Collector by wire.

Sir,

Sub: EDUCATION - Secondary - Board High School
Erode - Transfer of management to Erode
Municipality - Report.

Ref: Government Endorsement No. 43093-B.1/49
-1 Education, dated 7-6-1949 on the
letter Roc. 10915-C/47, dated 3/6/49 of
the Commissioner, Erode Municipality.

The reference is retransmitted with the following
remarks.

The District Board was ready to hand over the school
to the Municipality on 1-6-1949, and as is admitted by
the Commissioner, necessary orders were issued for the
transfer of management. Varied representations received
from the Chairman, Municipal Council, and from the Vice
Chairman, showed conflict of opinion at Erode in regard
to the taking over to Municipal Service of Sri Achyuthan
Nair, who, in the usual course of administration, was posted
as Headmaster, Board High School, Erode in April, 1949 when
the relief of the retiring Headmaster at Kollegal on the
school closing day in April, necessitated transfer of the
prior incumbent of the Headmaster's Post at Erode.
Municipal Chairman, Erode characterised Achyuthan Nair
as a "raw recruit" in a D.O. to me. The Vice-Chairman
wrote on 29-5-49 that Achyuthan Nair may be transferred,
before transfer of the school. Achyuthan Nair himself
had expressed his unwillingness to change to Municipal
Service. I had therefore to post a different person as
Headmaster before transferring the school as there is an
obligation on my part to transfer the school with a Head-
master. The next best man available for Headmaster's Post
Sri N. Narasimha Iyer was posted as Headmaster of the High
School at Erode. Urgent orders were issued directing Sri
Narasimha Iyer to relieve Sri Achyuthan Nair and to hand
over the school to the Municipality with himself as the
headmaster of the school. Narasimha Iyer was then acting
as Headmaster in Kollegal in a far off corner of the
district and he had to get himself relieved at Kollegal and
to cover a distance of over 100 miles by road before he
could take train at Coimbatore for Erode. It is therefore
rather too early for the Commissioner and the Chairman of
Erode Municipal Council to complain to the Government
even on 3/6/49 of any delay on the part of the District Board.

District Board to hand over the school. The school was to re-open after summer vacation only on the 6th instant. On the 7th I received a telegram from the Chairman requesting me to stay handing over the High School. The Commissioner has written on 8/6/1949 informing me that the Council is reconsidering the whole matter and today I am in receipt of a telegram from the Chairman saying that Council has decided not to take over the high school this year. Mr. Narasimha Iyer has since joined duty as Headmaster of the High School at Erode relieving Achyuthan Nair. I am therefore awaiting further communications from the Chairman, Municipal Council.

Erode High School was short-handed in staff even last year, as every other school was, due to scarcity of trained hands. Temporary staff employed for the school year 48-49, has to be disbanded on the school closing day in April, and this was done in all schools. Erode School did not suffer by reason of any lack of attention on the part of the District Board last year. On the other hand, available staff and fresh supplies of equipment, etc., were provided for the Erode school apart from the question of transfer of management, which has been under consideration. There is no justification for any complaint against the District Board, in regard to this matter.

In their order G.O.No.Ms.215 Edn.
dated 28-1-1949, the Government while approving the ~~xxx~~
retransfer of the management of the Board High School, Erode
to the Municipal Council have stated inter alia "that the
play ground, furniture, equipment and laboratory be transferred
to the Municipal Council free of charge and after meeting the
cost of legally conveying the assets to the Municipal
council." I wish to point out that no such condition was
imposed while the transfer of the Erode Municipal High
School to the Coimbatore District Board was effected as per
G.O.No.1029 L & M dated 26-3-1931.

2. The District Board Legal Adviser
was consulted in the matter. A copy of the legal opinion
given by him is enclosed. There is no play ground or any
immoveable property to be transferred. I therefore request
you to inform me whether any conveyance deed has to be drawn
upon the circumstances if so what should be the form of the
conveyance deed. I request early instruction.

P.M. 1/2.

I find from the file of papers that the transfer has to be made free of consideration. That means that a sale deed cannot be executed, but, that, only a gift-deed can be executed.

2. The properties consist of immoveables in the shape of playground and moveables in the shape of furniture equipment and laboratory. A gift of immoveable property can be effected by a registered instrument only, whereas a gift of moveables can be made either by a registered instrument or by a simple delivery of the moveable properties. Therefore if a deed has got to be prepared for the transfer of either or both, we have got to mention their present market value for the purpose of stamp duty. I therefore request you to kindly let me know as to whether you require a deed of gift to be prepared in regard to both sets of properties, or in respect of the immoveables, viz: playground only. If you want a deed of gift to be prepared in regard to both moveables and immoveables, you must let me know the value of both, but if you want a deed in respect of the immoveables only, suffice, if you let me know the value of the same.

(Y) 7677 In G.O. No 1029 L. & M dated 26-3-1931, the Govt
sanctioned the transfer of the management of the high
school at Erode from the Municipal Council/^{Erode} to the Dt Bd
^{Coimbatore} ~~Erode~~ subject to certain conditions with effect from
1-4-31 as the municipal council was not then in a position
to maintain the school properly from its funds. At the
instance of the Municipal Council, Erode, the Dt Bd
Coimbatore has now proposed to retransfer the school
to the municipal council subject to the conditions
specified in its resolution No 1421 dated 16-3-48. In
its resolution No 511 dated 17-11-48 the Municipal
Council/^{Erode} has accepted the conditions of transfer. The
D.P.I. has recommended that the school may be permitted
to be taken over by the Erode Municipality.

2. On the basis of the receipts and expenditure
for 1947-48, the net cost of maintenance of the school
works out to Rs 12307 or Rs 12,300 Roundly and according
to the existing arrangement, the municipal council will
have to meet from its funds one half of the net cost
as the institution will be eligible for teaching grant
on the basis of half the net cost. The expenditure on
the maintenance of the school in 1947-8 cannot be taken
as the basis for the ultimate net cost of maintenance
of the school, as the revision of salaries of the staff
would have been given effect to only in 1948-9. In

④ exclusive to
Govt. grant of Rs 3300/-

addition to the half net cost calculated for purposes of assessment of teaching grant, the Municipal Council will have ~~also~~ to meet the cost of furniture, ~~Science apparatus materials, laboratory articles, repairs to buildings and~~ other items of charges which are not taken into account for purposes of assessment of teaching grant. It may be presumed that the Council will have to meet at least ^{Rs 7000} Rs 8,000 annually from its funds. Before sanctioning the transfer, the remarks of L.A. may be invited u.o. as whether the Municipal Council, Erode, will be in a position to meet the extra expenditure involved in taking back the management of the high school at Erode. They may also be requested to say whether the transfer may be sanctioned from 1-4-49 ^{next} so that it may be from the beginning of the financial year.

Please see E+PH Dept's note above.

On account of the proposed retransfer of the management of the High School at Erode from ~~to~~ Coimbatore Dr Bd to the M.C. Erode, the Erode M.C. will have to meet Rs 7000 to Rs 8000 annually from its funds. On the basis of the B.E. for 1948-49 the total ordinary receipts exceed the total ordinary expenditure under the General Account by Rs 56,395. The Council can meet the extra expenditure involved in taking back the management of the high school at Erode. A sum of Rs 9000 ^{said to be} is provided in the current year's budget.

The transfer may be given effect to from 1-4-49 as proposed by E+PH Dept. With these remarks the file may be returned to E+PH Dept.
